2. In case a report is required regarding holdings in non-convertible BONDS, the holdings table may be attached as a PDF in the designated field at the end of Section B, instead of entering the data in the form, all as stipulated in Legal Staff Position No. 104-21: [Link](#)
3. If an interested party holds more than one type of security in the corporation, state the holding percentage (including full dilution) considering all securities held in one line only.
4. This form must detail the holdings of all interested parties, including those whose holdings have not changed.
5. If the interested party is a controlled company with significant activity for the corporation, holdings should be split into shares purchased prior to the Companies Law (1999), which entitle rights in equity and voting, and shares purchased after, which are dormant shares.
6. If the interested party is a corporation, also state the name(s) of its final controlling shareholder(s). If there is no controlling shareholder in the interested party, provide details on its interested parties.
7. If a senior officer holds 5% or more, detail his/her holdings in the "Interested Parties" table above.
8. If the interested party or senior officer also holds securities in its controlled subsidiary, if the subsidiary's operations are significant for the corporation, detail these holdings in the "Notes" field in the holder's details.
