

Investor Meeting

Financial Statements as at 31.03.24

Sgt. Major (res) Elias Moshayoff,
33, Pardes Hannah-Karkur,
261st Division
Soldier in Battalion 6261, fell in battle in
Gaza, 22.1.2024

With love and longing, we remember our
loving and kind director and friend,

Aviv Kutz

and his family – his wife Livnat and their three
children, Rotem, Yonatan, and Yiftach

After the horrific events of 7.10.23, all
members of the Kutz family was found
in the home they had so loved in Kfar
Aza. all on one bed, the father on top of
them all, his arms embracing his loved
ones.

**Remembering the murdered and the fallen. Praying for the return of the hostages
from captivity, the return of IDF soldiers from the front and the recovery of the
physically and emotionally injured.**

Clarifications

- ❖ The presentation contains the Company's forecasts, estimates and plans regarding its operations and other information about future events and matters, which constitute forward-looking information, as defined in the Securities Law, 1968, and realization thereof is uncertain and may be affected by factors that are unforeseeable or beyond the Company's control. Therefore, the Company is uncertain whether its forecasts and/or estimates and/or plans will be realized, in whole or in part, or whether they will be realized differently than expected, among other things, due to factors beyond the its control, changes in market conditions and the business and competition environment, as well as materialization of any of the Company's risk factors.
- ❖ The presentation includes, among other things, information from various publications as well as data received from external sources (noted in the presentation), and macroeconomic facts and figures, the contents of which have not been reviewed by the Company independently, including slides relating to analyst ratings, all as known by the Company at the time of preparation of the presentation.
- ❖ For the avoidance of doubt, we note that the Company does not undertake to update and/or change the information included in this presentation.
- ❖ This presentation was prepared as a summary and for convenience only, and is not intended to be in lieu of a review of the reports publicized by the Company, including its financial statements.
- ❖ The information contained in this presentation is subject to that stated in the relevant Company's reports.
- ❖ This presentation should not be viewed an offer or invitation to acquire the Company's securities. The information included in the presentation is not a recommendation or opinion to invest in the Company and is not in lieu a potential investor's judgment

Leaders

For 18 consecutive years, we have been leading the information technology market and performing the most advanced IT projects in Israel using the most up-to-date technology for the leading customers in the economy.

Analyst Ratings

Market leader in added value services for **18** consecutive years

May 2024

Leading credit rating in the **IT** industry - **Aa3**
15 consecutive years
March 2024

Q1/24 - A record quarter for organic growth

Record growth in sales, gross profit, operating profit and net profit

Sales - 12.6% growth to NIS 1.45 billion

Gross profit - 9.8% growth to NIS 207 million

Operating profit - 9.1% growth to NIS 110.7 million

Net profit - 9.3% growth to NIS 71.4 million

Net profit attributed to shareholders - 13% growth to NIS 68.6 million

The War's Impact

- ❖ As of the financial statements and the reporting date, 165 and 175 of the Company's employees (respectively) are on active reserve duty. The impact of the expected partial government reimbursement for them during the year's first quarter is **insignificant**.
- ❖ **The activity of the training** and implementation segment (which constitutes 4% of the Company's volume of operations) **has presented recovery** and it is profitable again after presenting a loss in the fourth quarter of 2023.

Q1/24 - A record quarter from organic growth

- **Advantage of diversification – a wide range of products/services, sectoral, technological, and geographic distribution**
 - **Consistent growth of revenues and profit in the US**
 - **Strong growth in the financial sector, government sector, security establishment, health system, and national infrastructure**
 - **Strong demand for services and products in which Matrix is the market leader – in the digital, data, cyber, and cloud**
 - **Substantial investments of consumers in tangible infrastructure to improve resilience and business continuity against the background of the war**
 - **The continued growth of the engineering activities with emphasis on the Metro project**
 - **Continued growth trend in the backlog of multiannual mega projects and CRM, ERP, and core systems projects**
 - **Continued growth trend in carrying out multiannual transactions for software products in a subscription model (ARR)**

Operating segments in Israel - Q1/2024

(in NIS thousands)

	Revenues			Operating profit		
	Q1/2024	Q1/2023	%	Q1/2024	Q1/2023	%
Information technology solutions and services, consulting, and management in Israel	794,264	736,005	7.9%	61,589	54,230	13.6%
<i>Profit margin (%)</i>				7.8%	7.4%	

- ❖ Organic growth in volumes despite the decrease in workdays in the quarter (1.6%) compared to the corresponding quarter (due to the municipal election day) and against the background of the effect of the war
- ❖ Growth in the core systems, digital, cyber, cloud, and data operations in which Matrix is the market leader
- ❖ Mega projects provide high visibility over time
- ❖ Extensive growing operations with the security and defence establishment

Operating segments in Israel - Q1/2024

(in NIS thousands)

	Revenues			Operating profit		
	Q1/2024	Q1/2023	%	Q1/2024	Q1/2023	%

Software marketing and support						
97,351	62,480	55.8%	7,359	5,237	40.5%	
<i>Profit margin (%)</i>				7.6%	8.4%	
Training and implementation	47,095	51,115	(7.9%)	1,738	6,704	(74.1%)
<i>Profit margin (%)</i>				3.7%	13.1%	

- ❖ Continued slowdown in demand in the training operations (which constitute less than 4% of the Company's operations), due to the slowdown in demand for juniors in the technology sector
- ❖ The training segment is characterized by a high rate of fixed expenses - the effect of the war on the profit of the training segment is material
- ❖ However, a certain recovery is evident in the training segment, which showed a profit after a loss in the fourth quarter of 2023
