**Attention:**

The attached report is not submitted under the Securities Law. The report is submitted voluntarily by the corporation as part of its participation in a process promoted by the Israel Securities Authority for the implementation of iXBRL reporting in Israel, in which the corporation experiments with iXBRL reporting alongside the regular report.

The attached reports are based on the corporation's reports published on 14/08/2025, reference number [2025-01-060405](#). Additional information has been added to these reports regarding the tagging of certain data from the periodic and/or quarterly reports as instructed by the authority or tagging chosen by the corporation at its discretion. It should be emphasized that the selection of such data does not constitute any opinion regarding their materiality compared to other data in the periodic or quarterly reports that were not required to be tagged. The Israel Securities Authority or the corporation are not responsible in any way for the content, reliability, accuracy, or completeness of such tags, and the sole responsibility for their use lies with the user only.

The reporting and presentation method presented here (originating from the iXBRL format) may differ from the reporting and presentation method as presented in the periodic and/or quarterly reports submitted by the reporting corporation (originating from the PDF format, which differs from the iXBRL format).

In any case of discrepancy between the information presented here and the information in the periodic or quarterly reports submitted by the reporting corporation (in the reporting form in MAGNA T930), the binding data are those presented in the periodic or quarterly reports.
