- 2. Below is the file for very significant valuation assessments required to be attached under Regulation 8B or Regulation 49 of the Securities Regulations (Periodic and Immediate Reports) 1970, as applicable.
- 3. Explanation regarding the information attached in the file: _____

Notice:
The attached report is not submitted under the Israeli Securities Law. The report is submitted voluntarily by the company as part of its participation in a process promoted by the Israel Securities Authority for the implementation of iXBRL reporting in Israel, in which the company is testing iXBRL reporting format alongside the regular report.

The attached reports are based on the company's reports published on 18/11/2025
Reference: [2025-01-088805](#). Additional information is provided regarding tagging of certain data from the periodic and/or quarterly reports as instructed by the Authority or at the company's discretion. It is emphasized that selection of such data does not constitute any opinion regarding their materiality relative to other data in the periodic or quarterly reports that were not required to be tagged. The Israel Securities Authority or the company are not responsible in any way for their content, reliability, accuracy, or completeness; the sole responsibility for using them is on the user only.

The method of reporting and presentation here (which originates from the iXBRL format) may differ from the method of reporting and presentation as presented in the periodic and/or quarterly reports submitted by the reporting company (which originate from the PDF format, different from the iXBRL format).

In any case of discrepancy between the information provided here and the information in the periodic or quarterly reports submitted by the reporting company (in the MAGNA reporting form T930), the binding data are those presented in the periodic or quarterly reports.
