pada Akun Aset dan Liabilitas

Re : Explanation for the decrease in Assets
and Liabilities

Dengan hormat,

Dear Sir/Madam,

Perseroan telah mencatatkan penurunan total aset dan total liabilitas per 31 Desember 2020 dibandingkan dengan 31 Desember 2019 masing-masing sebesar USD 818.742.442 atau sebesar 22% dan USD 769.544.082 atau sebesar 37%, disebabkan terutama oleh pengalihan 75% kepemilikan saham PT DSSP Power Mas Utama kepada Datang Overseas (Hong Kong) Energy Investment Co., Limited sehingga PT DSSP Power Mas Utama dan entitas anak tidak lagi dikonsolidasikan ke dalam laporan keuangan konsolidasian Perseroan.

The Company has recorded the decrease of total asset and total liabilities as 31 December 2020 compared to 31 December 2019 amounted to USD 818,742,442 or 22% and USD 769,544,082 or 37%, respectively, was mainly due to sale of 75% ownership of investment of shares in PT DSSP Power Mas Utama to Datang Overseas (Hong Kong) Energy Investment Co., Limited so that PT DSSP Power Mas Utama and its subsidiaries were no longer consolidated into the Company's consolidated financial statements.

Demikian kami sampaikan. Atas perhatiannya kami mengucapkan terima kasih.

Thank you for your attention.

Hormat kami/*Sincerely yours,*
PT Dian Swastatika Sentosa Tbk
