The investor presentation will be published close to the time of the call. The investor call does not replace the need to review the financial statements and the immediate reports of the company (which also include forward-looking information as defined in the Securities Law 1968, and cautionary statements regarding this). Any information provided during the investor call is only a summary. It should be clarified that this notice regarding the investor call does not constitute an offer and/or invitation to purchase the company's securities and should not be interpreted as such.
