**Explanations:**

1. If the change affects more than one security, the effect of the change should be detailed in a separate line for each security.
2. Change Date - all similar changes in the same security conducted on the same day are summarized in one line. For this, distinguish between changes via the clearing house and those directly in the company's books.
3. For decrease, add the "-" sign.
4. All quantity fields must reflect the number of securities, not NIS par value.
