Explanations:

- 1. If the change affects more than one security, the effect of the change should be detailed in a separate row for each security.
- 2. Date of change – all changes of the same type, in the same security, made on the same day, should be summarized in one row. For this purpose – changes made through the TASE clearing house should be separated from those made directly in the company's books.
- 3. The change – for a decrease, add the sign "-".
- 4. In all quantity fields, the quantity of securities should be entered, not NIS par value.

3. Main Register of Shareholders as of the Reporting Date:
