Subject: Receipt of Order

The Company is honored to hereby announce that, on June 17, 2026, Messrs. Chen Golan, Chairman of the Board of Directors of the Company, Boris Kipnis, Director and VP Technologies, Michael Grossman, CEO of the Company and Nachman Benshaaya, Director (hereinafter: **"the Sellers"**) announced that they are acting to sell shares of the Company for a total consideration of approximately 200 million dollars, representing approximately 2.2% of the issued and paid-up share capital of the Company, to institutional investors in Israel and abroad through a Book-Building process (hereinafter: **"the Sale"**). As reported to the Company by the Sellers, the transaction price and final number of shares to be sold, if and to the extent they are eventually sold, will be determined within the framework of the Book-Building.

The Company will report as required regarding the completion of the Sale, to the extent the Sale is completed, after receipt of notice from the Sellers.

Sincerely,

Next Vision Stabilized Systems Ltd.

Signed by: Chen Golan, Chairman of the Board of Directors
