____

Explanations:

1. If the change affects more than one security, the effect of the change on each security must be detailed in a separate line.
2. Date of change – all changes of the same type, in the same security, carried out on one day, shall be summarized in one line. For this purpose – changes executed via the TASE Clearing House must be separated from changes executed directly in the company's books.
3. The change – for a decrease the "-" sign must be added.
4. In all quantity fields, the quantity of securities, and not NIS par value, must be entered.

○ There was a change only in the corporation's register of holders of securities **(without a change in the number of the corporation's securities)** as a result of:

Description of the nature of the change _________
