NICE Actimize Wins FinTech Breakthrough Award for Innovation in Automation with IFM-X Enterprise Fraud Platform

Using machine learning, Actimize's IFM-X platform optimizes effectiveness while reducing the total cost of implementing an enterprise fraud risk management system

Hoboken, N.J., April 4, 2019 – **NICE Actimize, a NICE (Nasdaq: NICE)** business and the leader in Autonomous Financial Crime Management, today announced that its IFM-X next-generation Integrated Fraud Management (IFM) platform has been selected as winner of the "Fraud Prevention Innovation Award" by [FinTech Breakthrough](#), an independent organization that recognizes the top companies, technologies and products in the global FinTech market today.

The FinTech Breakthrough Awards is the premier awards program founded to recognize FinTech innovators, leaders and visionaries from around the world in a range of categories, including Banking, Personal Finance, Lending, Payments, Investments, RegTech, InsurTech and many more. The 2019 FinTech Breakthrough Awards program attracted more than 3,500 nominations from across the globe.

"NICE Actimize's Autonomous Financial Crime Management strategy is a unique approach that is backed by breakthrough technology, including machine-led detection, decisioning and self-learning capabilities that can adapt and scale to meet the needs of a financial services organization's operation," said **James Johnson, Managing Director, FinTech Breakthrough**. "Fraud prevention is a competitive category and we are thrilled to recognize NICE Actimize as a leading innovator breaking through the pack with its new IFM-X platform. Congratulations to the entire NICE Actimize team for the successes and well-deserved industry recognition."

"NICE Actimize combines more than 20 years of in-depth fraud expertise with the latest in Artificial Intelligence and other advanced technologies," said **Craig Costigan, CEO, NICE Actimize**. "We think our industry-proven experience and range of enterprise fraud applications will help financial services organizations in their journey to adapt to a faster fraud environment, saving both time and money in the process. We thank FinTech Breakthrough for recognizing our innovation during this pivotal time in our industry."

NICE Actimize's IFM-X platform leverages automation and machine learning to optimize effectiveness while reducing the total cost of implementing and operating an enterprise fraud risk management system. With IFM-X, financial institutions can easily integrate limitless data into their fraud detection systems and utilize agile advanced analytics while optimizing fraud operations efficiency.
