

Complidata Joins NICE Actimize's X-Sight Marketplace, the Industry's First Financial Crime Management Ecosystem

Partnering with the X-Sight Marketplace, Complidata will offer a digitized and risk-based approach to preventing trade-based money laundering

Hoboken, N.J., July 29, 2019 – Helping financial services organizations keep up with a changing market landscape, NICE Actimize, a NICE business (**Nasdaq: NICE**) and leader in autonomous financial crime management, today announced that [Complidata](#) has joined the X-Sight Marketplace, the industry's first financial crime risk management-focused ecosystem designed to assist financial services organizations evaluate new point solutions and move to stay on top of a challenging regulatory and criminal environment.

The X-Sight Marketplace leverages the X-Sight Platform-as-a-Service and further expands the functionality offered by the platform. The NICE Actimize X-Sight Platform-as-a-Service offers a single, unified, cost-effective way for financial service organizations to rapidly innovate and to introduce new services while supporting best-in-class financial crime, risk and compliance management capabilities.

Complidata, known for its use of artificial intelligence to drive automation and optimization for improved regulatory compliance, uses AI-driven technology to provide accurate and repeatable data extraction from paper-based documents followed by screening and risk rating of entities as part of an ongoing anti-money laundering program. Complidata's offerings also use third-party data integration and geographical analysis to provide a comprehensive approach.

The combination of NICE Actimize's anti-money laundering solutions and Complidata's technology and risk-based approach can be leveraged to help fight trade-based money laundering and manage a range of issues, including party/counter party risk, pricing risk, embargoes risk, dual-use goods risk, vessel and routing risk, transaction risk and more.

Technology providers such as Complidata, in partnering with NICE Actimize's X-Sight Marketplace ecosystem, are reviewed for their ability to complement financial crime and compliance solutions. Once approved, software and service providers become available to the NICE Actimize community via the X-Sight Marketplace. FSOs can quickly browse through X-Sight Marketplace solution categories to find scalable options that solve their unique business problems.

"Complidata appreciates this partnership with NICE Actimize as we bring innovation and business value to financial services organizations looking for a faster selection and assessment process that bolsters their financial crime operations," said **Matthias Verbeke, CEO, Complidata**. "There is strong alignment between the industry-leading financial crime solutions and platforms that NICE Actimize offers its community and Complidata's solutions. We look forward to building our presence on this innovative community platform."

"We are excited that Complidata, who shares our common goal of fighting financial crime through the benefits of a Marketplace ecosystem, is partnering with us and joining the X-Sight Marketplace community," said **Craig Costigan, CEO, NICE Actimize**. "By connecting via a Cloud environment, community participants will experience a quicker time to value and minimized integration cost as they evaluate new solutions for their financial services organizations."

Additional categories that will be added to NICE Actimize's X-Sight Marketplace from other partner participants will include: ID Verification, Ultimate Beneficial Ownership, Value-added Data & Adverse Media, Watchlist, Device Identification, and User Authentication & Fraud. Additional partners will be announced as the X-Sight Marketplace grows.

Forward-Looking Statements

This press release contains forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995. Such forward-looking statements, including the statements by Mr. Costigan are based on the current beliefs, expectations and assumptions of the management of NICE Ltd. (the Company). In some cases, such forward-looking statements can be identified by terms such as believe, expect, may, will, intend, project, plan, estimate or similar words. Forward-looking statements are subject to a number of risks and uncertainties that could cause the actual results or performance of the Company to differ materially from those described herein, including but not limited to the impact of the global economic environment on the Company's customer base (particularly financial services firms) potentially impacting our business and financial condition; competition; changes in technology and market requirements; decline in demand for the Company's products; inability to timely develop and introduce new technologies, products and applications; difficulties or delays in absorbing and integrating acquired operations, products, technologies and personnel; loss of market share; an inability to maintain certain marketing and distribution arrangements; and the effect of newly enacted or modified laws, regulation or standards on the Company and our products. For a more detailed description of the risk factors and uncertainties affecting the company, refer to the Company's reports filed from time to time with the Securities and Exchange Commission, including the Company's Annual Report on Form 20-F. The forward-looking statements contained in this press release are made as of the date of this press release, and the Company undertakes no obligation to update or revise them, except as required by law.
