

NICE to Host Financial Analyst and Investor Day at Interactions 2023

Hoboken, N.J., May 31, 2023 – NICE (Nasdaq: NICE) will host its Financial Analyst and Investor Day on Tuesday, June 6, 2023 from 9:00am ET in conjunction with its Interactions annual user conference in New York City. This program will begin with a presentation by NICE CEO, Barak Eilam, on the main stage of Interactions and will be followed by presentations by Mr. Eilam and other NICE executives who will provide an overview of the company's business as well as updates on the company's strategy, AI initiatives, new solution offerings, and financials. Financial analysts and investors who would like to register, please e-mail IR@NICE.com.

Live Webcast

The Company will also be webcasting its Financial Analyst and Investor Day live from New York City. The webcast will take place on Tuesday, June 6th from 11:15 am to 1:00 pm ET. The call will be webcast from the Company's website at <https://www.nice.com/company/investors/upcoming-event>.

Forward-Looking Statements

This press release contains forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995. Such forward-looking statements, including the statements by Mr. Eilam are based on the current beliefs, expectations and assumptions of the management of NICE Ltd. (the "Company"). In some cases, such forward-looking statements can be identified by terms such as "believe," "expect," "seek," "may," "will," "intend," "should," "project," "anticipate," "plan," "estimate," or similar words. Forward-looking statements are subject to a number of risks and uncertainties that could cause the actual results or performance of the Company to differ materially from those described herein, including but not limited to the impact of changes in economic and business conditions, including as a result of the COVID-19 pandemic; competition; successful execution of the Company's growth strategy; success and growth of the Company's cloud Software-as-a-Service business; changes in technology and market requirements; decline in demand for the Company's products; inability to timely develop and introduce new technologies, products and applications; difficulties or delays in absorbing and integrating acquired operations, products, technologies and personnel; loss of market share; an inability to maintain certain marketing and distribution arrangements; the Company's dependency on third-party cloud computing platform providers, hosting facilities and service partners; cyber security attacks or other security breaches against the Company; the effect of newly enacted or modified laws, regulation or standards on the Company and our products and various other factors and uncertainties discussed in our filings with the U.S. Securities and Exchange Commission (the "SEC"). For a more detailed description of the risk factors and uncertainties affecting the company, refer to the Company's reports filed from time to time with the SEC, including the Company's Annual Report on Form 20-F. The forward-looking statements contained in this press release are made as of the date of this press release, and the Company undertakes no obligation to update or revise them, except as required by law.
