Explanations:

1. If the interested party holds more than one class of securities, holding percentages should be calculated taking into account all securities held, indicated in only one row.
 2. Report should also include holdings of other securities, including those not listed for trading.
 3. If the interested party is a subsidiary, holdings should be split into holdings acquired before and after the Companies Law, 1999 entered into force.
 4. Where the holder is not a member of an institutional reporting group, only section 3A should be completed; if the holder is a member, both sections 3A and 3B must be completed.
- Please specify whether these are dormant shares or securities convertible into dormant shares.

4. Additional Details:

In section 3 above, the nostro holdings in Bonds 1 are negative (short transactions). The holdings listed under pension funds include direct holdings of the pension funds in security 1170877, holdings of the partnership "Beta Israel ETF Shares Partnership" ("the partnership"), and holdings of the partnership "Harel Amittim Israel Shares" ("the partnership"). These partnerships are registered in the register of partnerships, and all right holders are members of Harel's institutional reporting group. The partnerships themselves are not fund management companies. According to the partnership agreements among the rights holders, the holding rate of the rights holders in the partnerships changes periodically, according to the mechanism set out in the partnership agreements.
