Novolog Group

Forward Looking Statement

The presentation does not constitute a recommendation, advice, opinion or an offer to acquire securities of Novolog (Pharm Up 1966) Ltd (the “Company”), or an invitation to offer, and is intended solely for informational purposes. The information included in this presentation is a summary only and does not exhaust all the information on the Company and its business. This presentation was prepared by the Company as a general presentation about the Company for the sake of convenience only and is not intended to replace the need to review the Company's full reports as reported to the ISA via the Magna distribution site including the Company's immediate reports, and the Company's Periodic Report for 2022 and for the first quarter of 2023 (“Company's Reports”) and does not replace independent examination and personal advice according to the unique needs of each investor.

This presentation includes forecasts, estimates, assessments and other information pertaining to future events and/or matters, whose materialization is uncertain and is beyond the Company's control, and which constitute forward-looking information, as defined in the Securities Law, 1968. Such information may not materialize, in whole or in part, or may materialize in a manner significantly different to that forecast. Such information includes, inter alia, revenue, profit and EBITDA forecasts.

Forward-looking information is based solely on the Company's subjective assessment, based on facts and data regarding the current condition of the

Company's business and macroeconomic facts and figures, all as known to the Company at the time of preparation of this presentation. The materialization or non-materialization of the forward-looking information will be affected, inter alia, by risk factors characteristic of the Company's activity, as well as by developments in the general environment, in market conditions and in external factors affecting the Company's activity which are beyond the Company's control. Considering the above, the Company's actual results and achievements in the future may differ materially from those presented at this presentation.

The Company does not undertake to update and/or change any such forecast and/or assessment to reflect events and/or circumstances postdating this presentation, including the Company's plans and strategy which may change, from time to time, in accordance with the decisions of the Company's Board of Directors.

The presentation may include information and/or data presented in a different manner and/or characterization and/or editing and/or segmentation than that presented in the Company's Reports. In any case, this presentation is not intended to be a substitute for the Company's Reports, and it is advised to refer to these Reports. In any event of inconsistency between what is stated in this presentation and what is stated in the Company's Reports required by law, what is stated in the Company's Reports shall prevail.

Delivering Health

Novolog operates to improve the field of healthcare in Israel and adapt it to the challenges of the future through three key segments: Healthcare logistics, Homecare and personalized healthcare and Medical information technological tools

Growth Engines

Uniquely Positioned To Deliver Value To Stakeholders

As part of our long-range growth plan,
we estimate that Novolog will double
its Adjusted EBITDA (Excluding IFRS16)
with respect to 2021, within 4 years,
mainly from its activities in Israel

Strong financial performance

Novolog has a consistent track record of delivering strong and stable financial performance

Diversification

Future growth will be fueled by all three divisions

Responsible approach

The Company is not leveraged and invests responsibly. The Group strengthened its capital structure last year

Capital allocation priorities

Investing for continued growth and maximizing value to our shareholders

Reinvest for growth

Investing in processes and ventures that lead to organic growth and generate higher profits

Acquisitions

Acquisitions that support our strategies

Returns to our shareholders

Dividend policy –
70% of the net profit

Thank you!
