Attention

The attached report is **not submitted in accordance with the Securities Law**. The report is submitted voluntarily by the corporation as part of its participation in a process promoted by the Israel Securities Authority for the implementation of iXBRL reporting in Israel, within the framework of which the company experiments with reporting in iXBRL format alongside the standard report.

The attached statements are based on the company's financial statements as published on **16/11/2025** (Reference No. [2025-01-087351](#)). To these reports, information on the tagging of certain data from the periodic and/or quarterly financial statements, as instructed by the authority or as chosen by the company at its discretion, has been added. It is emphasized that the selection of such data does **not express any opinion** as to their materiality relative to other data in the periodic or quarterly statements where tagging was not required. The Israel Securities Authority or the company bear **no responsibility** for the content, reliability, accuracy, or completeness of the tags, and the sole responsibility for their use lies with the user.

The reporting and presentation method used here (originating from the iXBRL format) may differ from the reporting and presentation in the periodic and/or quarterly statements submitted by the reporting company (whose source is the PDF format, which differs from the iXBRL format).

In any case of a discrepancy between the information presented here and the information in the periodic or quarterly reports submitted by the reporting company (in MAGNA report form T930), the binding data are those shown in the periodic or quarterly reports.
