Re: Notice Regarding Expected Publication Date of Third Quarter 2025 Report of the Company and Investor Call

The Company is pleased to announce that it is expected to publish the quarterly report (including the financial statements) for the third quarter of 2025 (for the period ending September 30, 2025) (the "Quarterly Report"), on November 19, 2025, subject to approval by the Company's Board of Directors.

Subject to publication of the Quarterly Report as stated, the Company will hold, on Wednesday, November 19, 2025, at 10:00 AM, an investor call via the Zoom system, to review the Quarterly Report with participation of the Company's management.

One can join the investor call at the following link: <https://www.veidan-conferenceing.com/opc>.

Shortly after the investor call, a recording of the call can be found on the Company's website at: <https://www.opc-energy.com>

The investor call does not replace the need to review the Company's immediate reports and quarterly and periodic reports (which also include forward-looking information pursuant to Section 32A of the Securities Law, 1968).

If there is any change in the aforementioned dates, the Company will announce it via an immediate report.

Respectfully,
OPC Energy Ltd.
