Enclosure: Partner Communications announces the filing of a supplemental shelf offering report for the listing for trade on the Tel Aviv Stock Exchange of the series B notes issued by Partner in November 2009

**PARTNER COMMUNICATIONS ANNOUNCES THE
FILING OF A SUPPLEMENTAL SHELF OFFERING
REPORT FOR THE LISTING FOR TRADE ON THE TEL AVIV
STOCK EXCHANGE OF THE SERIES B NOTES
ISSUED BY PARTNER IN NOVEMBER 2009**

ROSH HA'AYIN, Israel, May 26, 2010 - Partner Communications Company Ltd. ("Partner" or the "Company") (NASDAQ and TASE: PTNR), a leading Israeli communications operator, announced that pursuant to the Company's Shelf Prospectus dated September 3, 2009, as amended on May 23, 2010 (the "**Amended Shelf Prospectus**"), the Company filed a Supplemental Shelf Offering Report (the "**Offering Report**") with the Israeli Securities Authority and the Tel Aviv Stock Exchange Ltd. ("**TASE**"). Pursuant to the Offering Report, on June 1, 2010 the Company will list for trade on the TASE its Series B Notes in the aggregate principal amount of NIS 448 million (the "**Series B Notes**"). The Series B Notes were issued by the Company in November 2009 in a private placement to institutional investors in Israel.

The Series B Notes are linked (principal and interest) to increases in the consumer price index for the month of October 2009. The principal amount of Series B Notes are repayable in four equal annual installments between 2013 and 2016 (the first principal payment shall be on November 30, 2013 and the last on November 30, 2016). The principal amount of Series B notes bears interest at an annual rate of 3.4% (plus an additional 0.6% until listing of the Series B notes for trade on the TASE) payable in semi-annual payments on May 31 and on November 30 of each of the years 2010 to 2016 (the last interest payment shall be on November 30, 2016 together with the last principal payment). The Series B Notes are unsecured, non-convertible, do not restrict the Company's ability to issue additional notes of any class or distribute dividends in the future, and contain standard terms and conditions, as specified in the Amended Shelf Prospectus. However, during the period until the Series B Notes are listed for trade on the TASE, the notes are secured by a negative pledge, subject to certain exceptions, and financial covenants apply.

Following the listing for trade on the TASE, the Company will cease to pay to the noteholders of Series B an additional interest in the annual rate of 0.6%.

Since December 8, 2009 and until May 30, 2010, the Series B Notes have been and will be listed for trade on the TASE institutional trading market system ("Retzef Mosadi'im").

On May 23 2010, Standard & Poor's Maalot announced that the rating of the Series B Notes to be listed by the Company is 'ilAA-/Stable'.

There will be no net proceeds from the listing of the Series B Notes for trade on the TASE. The Company used the proceeds from the offering of the Series B Notes principally to make payments of principal as they become due on its Series A Notes due 2012. For a description of the interest rate, maturity and other terms of the Company's Series A Notes, see "Item 5B. Liquidity and Capital Resources - Notes payable" in our Annual Report on Form 20-F for the fiscal year ended December 31, 2009, filed with the SEC on March 22, 2010.

The Series B Notes were offered only to Israeli institutional investors in Israel and were not registered under the U.S. Securities Act of 1933, as amended (the "**Securities Act**"), and may not be offered or sold in the United States or to U.S. Persons (as defined in Regulation S under the Securities Act) without registration under the Securities Act or an applicable exemption from the registration requirements of the Securities Act.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy any securities.
