Explanations:

1. If the change affects more than one security, the effect of the change should be detailed in a separate row for each security.
 2. Date of change – all changes of the same type, in the same security, performed on one day, should be summarized in one row. For this purpose – changes performed via the TASE Clearing House should be separated from those performed directly in the company's books.
 3. For a decrease, add the sign "-".
 4. All quantity fields must indicate the number of securities, not NIS par value.
