Explanations:

1. If the change affects more than one security, the effect of the change should be detailed on a separate line for each security.
2. Date of change – all changes of the same type, in the same security, carried out on one day, shall be summarized on one line. For this purpose – a distinction must be made between changes carried out through the Exchange clearing house and changes carried out directly in the company’s books.
3. The change – for a decrease add the “-” sign.
4. In all quantity fields, the quantity of securities must be entered and not NIS par value.

☐ There was a change only in the register of the corporation’s security holders **(with no change in the quantity of the corporation’s securities)**as a result of:
