Notice is hereby given that a Claim has been filed against Halman-Aldubi I2P1ST, Limited Partnership, which is a Partnership held in a chain by the Company (hereinafter "The **Partnership**"), accompanied by a request for approval as a class action, in the Central District Court in Tel – Aviv (hereinafter collectively "The **Claim**").

The matter of the Claim is that the Partnership, allegedly, does not provide accessibility to the documents it submits as part of its reports in the Internet information systems operated by the Securities Authority and by the Stock Exchange (Magna and Maya systems, respectively), thus, allegedly, preventing or reducing the ability of people with disabilities to obtain information from these reports.

The Plaintiff estimates the total damage to all members of the group he seeks to represent in the amount of NIS 7.5 million.
