Is the dividend amount per single security final? No

The dividend amount for single security is subject to change due to:

*Insofar as options are exercised by employees of The Phoenix Group, between the date of the announcement of the distribution and the effective date, the amount of the dividend per share will be adjusted according to the actual number of shares. The Company will publish, insofar as required, a supplementary report in respect of this adjustment at the effective date. Such exercise, if conducted, will result in a reduction in the amount of the dividend per share.*

7. The rates of withholding tax listed below are for the purpose of deducting withholding tax by members of the Stock Exchange.

7a. The composition of the sources of dividends distributed from a company resident in Israel from shares and financial instruments, excluding the Reit Trust.

- (1) Individuals - including income from a taxable mutual fund, foreign residents.
- (2) An annuity provident fund or benefits or compensation as defined in the Income Tax Ordinance and a provident fund or foreign pension fund that is a resident of a reciprocating country.
- (3) Real estate appreciation or capital gain, other than the sale of real estate held for a short period, and from income in the amount of depreciation costs.
- (4) Distribution of taxable income by the fund in accordance with section 64A4(e).

- 
8. The number of dormant securities of the corporation that are not eligible for dividend payment and for which a waiver letter must be made to receive the dividend payment 3,983,147
9. The effect of the dividend distribution on convertible securities:
- The Company has no convertible securities
  - Dividend distribution has no effect on convertible securities
  - The effect of the dividend distribution on the convertible securities is as follows:

Name of Security	Security No.	Notes
Phoenix Opt. Employees	7670235	The gross dividend per share will be reduced from the current exercise price

10. Recommendations and resolutions of the directors in connection with the distribution of the dividend pursuant to Regulation 37(a)(1) of the Securities' (Periodic and Immediate Reports) Regulations, 5730 – 1970:

*According to the Company's financial statements as of September 30, 2021, the profit that can be divided according to the provisions of the Companies Law, 5769-1999 (the "Companies Law"), is amounted to NIS 6.9 billion, thus the distribution complies with the "profit criterion" as defined in the Companies Law.*

*For the purpose of examining the Company's compliance with the "the ability to meet liabilities criterion" as defined in the Companies Law, the Company has ensured that the distribution of the dividend does not prevent the Company from being able to meet its existing and expected liabilities, when their due date arrives.*

*The Company's BOD believes, after examining the effect of the distribution on: The financial condition of the Company; Its expected cash flow; Its capital structure; The state of the Company's liquidity and compliance with existing financial criteria, that there is nothing in the making of the distribution to adversely affect the Company.*

*It should be noted that the BOD's resolution is based, inter alia, on the distribution of dividends from the subsidiaries to the Company. In this regard, it should be noted that the BOD of the subsidiary, The Phoenix Insurance Company Ltd., decided on November 29, 2021, to distribute an interim dividend of NIS 300 million.*

*In accordance with the aforesaid, the BOD has determined that the distribution is in accordance with the distribution tests set forth in the Companies Law, and in the opinion of the Company's BOD, the distribution of the dividend does not have a negative effect on the Company's financial position. The BOD also determined that the distribution of the interim dividend complies with the dividend distribution policy set by the Company.*
