- Other (comment): Issue of BONDS (series 103). Consideration for the offering manager has yet to be received. The bank will update upon receipt.

Explanations:

1. If the change affects more than one security, the effect of the change must be detailed in a separate row for each security.
2. Date of change – all changes of the same type, in the same security, made on one day, will be summarized in one row. In this context – separate between changes made through the stock exchange clearing house and direct entries in the company's books.
3. The change – for reductions use the sign "-".
4. For all quantity fields, the number of securities must be indicated, not NIS par value.

Section 2 - Change only in the securities holders register (without change in the quantity of securities)

No data provided in this report.
