## INDENTURE

This INDENTURE, dated as of January 14, 2026 (this “Indenture”) by and between BANK HAPOALIM B.M., a limited liability company incorporated under the laws of Israel (the “Issuer”), and MISHMERET – TRUSTS COMPANY LTD, as trustee (in such capacity, together with its successors in such capacity, the “Trustee”).

## WITNESSETH:

WHEREAS, the Issuer has authorized the execution and delivery of this Indenture to provide for the issuance of \$1,000,000,000 aggregate principal amount of 4.722% Senior Notes due 2029 (the “Initial 2029 Notes”) and \$1,000,000,000 aggregate principal amount of 5.252% Senior Notes due 2033 (the “Initial 2033 Notes,” together with the Initial 2029 Notes, the “Initial Notes”), issuable as provided in this Indenture; and

WHEREAS, the execution and delivery of the Notes and of this Indenture have been duly authorized and all things necessary to make the Notes, when executed by the Issuer and authenticated by the Trustee, valid and binding legal obligations of the Issuer and to make this Indenture a valid and binding agreement have been done;

NOW, THEREFORE, for and in consideration of the premises, the covenants herein contained and the purchase of each Series of Notes by the Holders thereof, it is mutually covenanted and agreed, for the benefit of the parties hereto and the equal and proportionate benefit of all Holders of the Notes of such Series, as follows:

## ARTICLE 1

### DEFINITIONS AND CONSTRUCTION; INDENTURE TO CONSTITUTE CONTRACT; AGENCY

Section 1.1. Definitions; Construction. (a) Capitalized terms used in this Indenture shall have the respective meanings given to such terms in Appendix A attached hereto, which Appendix A is hereby incorporated by reference herein;

(b) all accounting terms not otherwise defined herein have the meanings assigned to them in accordance with the Public Reporting Directives and guidelines of the Banking Supervision Department;

(c) all references in this Indenture to designated “Articles,” “Sections,” “Schedules,” “Exhibits” and other subdivisions are to the designated Articles, Sections, Schedules, Exhibits and other subdivisions of this Indenture;

(d) the words “herein,” “hereof” and “hereunder” and other words of similar import refer to this Indenture as a whole and not to any particular Article, Section, Exhibit or other subdivision;

(e) unless otherwise expressly specified, any agreement, contract or document defined or referred to herein shall mean such agreement, contract or document as in effect as of

the Issue Date, as the same may thereafter be amended, restated, supplemented or otherwise modified from time to time in accordance with the terms thereof and of this Indenture and including any agreement, contract or document in substitution or replacement of any of the foregoing;

(f) unless the context clearly intends the contrary, pronouns having a masculine or feminine gender shall be deemed to include the other;

(g) any reference to any person (including the Issuer) shall include its successors and assigns, and in the case of any Governmental Authority, any person succeeding to its functions and capacities; and

(h) any reference to “\$” shall mean U.S. dollars, unless otherwise stated.

(i) References to any act or statute or any provision of any act or statute shall be deemed also to refer to any statutory modification or re-enactment thereof or any statutory instrument, order or regulation made thereunder or under such modification or re-enactment.

Section 1.2. Indenture to Constitute Contract. In consideration of the purchase and acceptance of any or all of the Notes of each Series by those who shall hold the same from time to time, the provisions of this Indenture shall be part of the contract of the Issuer with the Holders of the Notes of such Series, and shall be deemed to be and shall constitute contracts between the Issuer, the Trustee and the Holders from time to time of the Notes of such Series. The provisions, covenants and agreements herein set forth to be performed by or on behalf of the Issuer shall be for the equal and ratable benefit, protection and security of the Holders of any and all of the Notes of each Series. All of the Notes of each Series, regardless of the time or times of their issuance or maturity, shall be of equal rank without preference, priority or distinction of any of the Notes of such Series over any other except as expressly provided in or pursuant to this Indenture.

## ARTICLE 2

### THE NOTES

Section 2.1. Authorization, Amount, Terms and Issuance of Notes. (a) There are to be authenticated and delivered on the Issue Date (i) \$1,000,000,000 principal amount of 2029 Notes and (ii) \$1,000,000,000 principal amount of 2033 Notes. No Notes may be issued under this Indenture except in accordance with this Article 2. The Notes of each Series shall be issued in denominations of \$200,000 and any amount in excess thereof that is an integral multiple of \$1,000.

(b) Further Issuances. (i) The Issuer may from time to time, without notice to or consent of the Holders of the relevant Series of Notes, create and issue an unlimited principal amount of additional notes (the “Additional Notes”) of the same Series of Notes. Such Additional Notes may be issued in one or more series and with the same or different ISIN or other identifying number as the outstanding Series of Notes; provided, however, that unless such Additional Notes are issued under a separate ISIN number, such Additional Notes are issued either (i) pursuant to a “qualified reopening” of the outstanding Series of Notes, (ii) with less

than a *de minimis* amount of original issue discount or (iii) otherwise as part of the same “issue” as the outstanding Series of Notes, in each case for U.S. federal income tax purposes.

(ii) Any such Additional Notes, together with the Notes of the same Series, will constitute a single series of notes under this Indenture. Other than the foregoing, there is no limitation on the amount of Notes of either Series or other debt securities that the Issuer or its Subsidiaries may issue under this Indenture and there is no restriction on the Issuer issuing notes of a different series that may have preferential rights to the Notes of either Series or notes with similar or different provisions to those described herein.

(iii) For the avoidance of doubt, Additional Notes of the same Series of Notes which may be issued by the Issuer, shall constitute one series and the provisions of this Indenture shall apply to the Additional Notes that may be issued as aforesaid (including that to the extent that on the date of issuance of the Additional Notes the relevant Series of Notes shall be registered for trading on the TASE-UP, the Additional Notes shall also be registered for trading on the TASE-UP and the issuance thereof shall be subject to the approval of the TASE). For the avoidance of doubt, Holders of the Additional Notes of the same Series of Notes shall not be entitled to any interest payments in respect of which the Regular Record Date has passed prior to the date of issuance of the Additional Notes.

(iv) To the extent the discount rate to be determined for the Additional Notes to be issued as part of a series expansion differs from the discount rate of the relevant Series of Notes outstanding as at such time (including lack of discount, if relevant), and such Additional Notes cannot be identified separately from the relevant Series of Notes, the Issuer shall apply to the Israeli Tax Authority (the “ITA”), prior to the issuance of the Additional Notes, in order to obtain its approval that, for purposes of withholding tax from the discount fees in respect of the relevant Series of Notes, a uniform discount rate shall be determined for the relevant Series of Notes based on a formula that weights the different discount rates in the relevant Series of Notes, as determined in the Weighted Discount Rate “Green Track” tax ruling number 907 (or another applicable tax ruling), if any (the “Weighted Discount Rate”).

(v) In the event that such approval is obtained, the Issuer will calculate the Weighted Discount Rate in respect of all Notes of the relevant Series, notify the Trustee, publish an immediate report on the website (*Magna*) of the Israel Securities Authority (the “ISA”) and the TASE announcement system (*MAYA*) with respect to the discount rate determined for the Additional Notes and the uniform Weighted Discount Rate for the entire Series of Notes, in close proximity after the increase of the Notes’ Series and prior to the listing for trade on TASE-UP of the Additional Notes, and will withhold relevant taxes according to the Weighted Discount Rate and as required by Applicable Law. In such case, all other provisions of Applicable Law relating to taxation of discount fees shall apply. If such approval is not obtained, the Issuer shall publish an immediate report on the website (*Magna*) of the ISA and the TASE announcement system (*MAYA*), and inform the Trustee that no approval has been obtained and that the discount fee shall be the highest discount created in connection with the issuance of the

Notes' Series and shall withhold from the discount with respect to the Notes of such Series in accordance with the highest discount rate applicable to such Series.

Section 2.2. Form and Dating. (a) General. The Initial Notes of each Series and the Trustee's certificate of authentication will be substantially in the form and contain substantially the terms and conditions set forth in Exhibit A (in the case of the Initial 2029 Notes) or Exhibit B (in the case of the Initial 2033 Notes). Additional Notes of each Series shall be in substantially the same form as Exhibit A and Exhibit B, as applicable, but with such changes as shall be determined by the Issuer on account of the later issuance date of such Additional Notes. The Notes may have notations, legends or endorsements required by Applicable Law, stock exchange rule or usage, including the provisions of the Applicable Procedures. Each Note will be dated the date of its authentication. Notwithstanding any other provision of this Indenture, the Global Notes will not bear any legend during such time as they are listed for trading on the TASE-UP. Each Note shall bear the Transfer Restriction Legend in the form set forth in Exhibit D unless such Notes are to be listed on the TASE-UP.

(b) Global Notes. Notes issued in global form will be substantially in the form and contain substantially the terms and conditions set forth in Exhibit A (in the case of the Initial 2029 Notes) or Exhibit B (in the case of the Initial 2033 Notes). Each Global Note will represent such of the outstanding Notes of such Series as will be specified therein. Each Global Note may from time to time be replaced in accordance with the Applicable Procedures with a new Global Note in the event of a reduction or increase, as appropriate, of the amount of outstanding Notes of the relevant Series represented thereby to reflect an exchange or redemption pursuant to the terms of this Indenture. Each new Global Note shall be deposited with the Depositary and shall reflect the amount of outstanding Notes of the relevant Series represented thereby.

Notes of each Series initially offered and resold to QIBs pursuant to Rule 144A under the Securities Act or initially offered and resold in reliance on Regulation S shall be issued initially in the form of one or more Global Notes, which shall be deposited with the Depositary, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided. The aggregate principal amount of the Global Note may from time to time be increased or decreased in accordance with the Applicable Procedures by replacement of the Global Note with a new Global Note representing the aggregate principal amount outstanding of the Notes of the relevant Series initially offered and resold pursuant to Rule 144A or initially offered and resold in reliance on Regulation S and deposited with the Depositary.

(c) Definitive Registered Notes. Definitive Registered Notes issued in exchange for a Book-Entry Interest or a Definitive Registered Note, shall be issued in accordance with this Indenture and the Applicable Procedures. Definitive Registered Notes will be issued substantially in the form and contain substantially the terms and conditions set forth in Exhibit A (in the case of the Initial 2029 Notes) or Exhibit B (in the case of the Initial 2033 Notes).

(d) Book-Entry Provisions. The Applicable Procedures shall be applicable to the recordation, transfers and exchanges of Book-Entry Interests in the Global Notes held through Participants. The rules and procedures of Euroclear and Clearstream shall be applicable to any transfer or exchange of Book-Entry Interests in the Global Notes held through Euroclear

or Clearstream; provided that neither the Issuer nor the Trustee will have any obligation to monitor the application of such rules and procedures.

(e) Denomination. The Notes shall be issued only in minimum denominations of \$200,000 and integral multiples of \$1,000 in excess thereof.

Section 2.3. Execution and Authentication. (a) At least one Authorized Officer must sign the Notes of each Series for the Issuer by manual or electronic signature.

(i) If an Authorized Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note will nevertheless be valid.

(ii) A Note will not be valid until authenticated by the manual or electronic signature of a Responsible Officer of the Trustee. The signature will be conclusive evidence that the Note has been authenticated under this Indenture. Typographical and other minor errors or defects in any signature executing or purporting to execute the Notes of either Series shall not affect the validity or enforceability of any Note that has been duly authenticated and delivered by the Trustee.

(iii) The Trustee will, upon receipt of a written order of the Issuer signed by an Authorized Officer (an “Authentication Order”), authenticate the Notes of each Series for original issue that may be validly issued under this Indenture, including any Additional Notes of such Series. The aggregate principal amount of the Notes of each Series outstanding at any time may not exceed the aggregate principal amount of the Notes of such Series authorized for issuance by the Issuer pursuant to one or more Authentication Orders, except as provided in Section 2.8 (Replacement Notes) hereof.

(b) The Initial Notes issued on the Issue Date shall be dated as of the Issue Date, shall be issued in the aggregate principal amount set forth in this Section 2.3 and shall have a Stated Maturity and bear interest as set forth in this Section 2.3. Notes of either Series subsequently issued pursuant to Section 2.7 (Transfer and Exchange) shall be dated as of the date of authentication thereof and shall have the same Stated Maturity and bear interest at the same rate and in the same manner as the Initial Notes of such Series (subject to adjustment for the initial interest accrual period).

On the Issue Date, the Issuer shall issue \$1,000,000,000 aggregate principal amount of the Initial 2029 Notes, which shall mature, unless earlier redeemed in full, on July 14, 2029 (the “2029 Notes Maturity Date”) and shall accrue interest as set forth in this Section 2.3. Interest on the 2029 Notes will be payable at a rate per annum equal to 4.722% from (and including) the Issue Date to (but excluding) the 2029 Notes Maturity Date. On the Issue Date, the Issuer shall issue \$1,000,000,000 aggregate principal amount of the Initial 2033 Notes, which shall mature, unless earlier redeemed in full, on January 14, 2033 (the “2033 Notes Maturity Date”) and shall accrue interest as set forth in this Section 2.3. Interest on the 2033 Notes will be payable at a rate per annum equal to 5.252% from (and including) the Issue Date to (but excluding) the 2033 Notes Maturity Date.

(c) (i) Interest on the 2029 Notes will be calculated and payable semi-annually in arrear on January 14 and July 14 of each year, beginning on July 14, 2026 (each, a

“2029 Notes Interest Payment Date”). A payment made on first 2029 Notes Interest Payment Date would be in respect of the period from (and including) the Issue Date to (but excluding) July 14, 2026. If any 2029 Interest Payment Date would fall on a day that is not a Business Day, the 2029 Notes Interest Payment Date will be postponed to the next succeeding Business Day, without any adjustment and interest on that payment will not accrue during the period from and after the scheduled 2029 Notes Interest Payment Date. (ii) Interest on the 2033 Notes will be calculated and payable semi-annually in arrear on January 14 and July 14 of each year, beginning on July 14, 2026 (each, a “2033 Notes Interest Payment Date”). A payment made on first 2033 Notes Interest Payment Date would be in respect of the period from (and including) the Issue Date to (but excluding) July 14, 2026. If any 2033 Interest Payment Date would fall on a day that is not a Business Day, the 2033 Notes Interest Payment Date will be postponed to the next succeeding Business Day, without any adjustment and interest on that payment will not accrue during the period from and after the scheduled 2033 Notes Interest Payment Date.

(d) Interest on the Initial Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months and, in the case of an incomplete month (in the event of an early redemption or repayment), or incomplete interest period, the actual number of days elapsed on an actual/365-day count basis. The interest payable upon the first Interest Payment Date following the Issue Date will be computed and paid on an actual/365-day count basis, and interest payable on any semi-annual Interest Payment Date (including the first Interest Payment Date) will be determined based on a rate equal to one half of the annual interest rate.

(e) If the Issuer is required to pay Additional Amounts pursuant to Section 5.1(d) (Taxation), the Issuer shall pay such Additional Amounts as additional interest on the relevant Series of Notes.

(f) If the Maturity Date or date of redemption or repayment is not a Business Day, payment of interest and principal and/or any amount payable upon redemption or repayment of the applicable Series of Notes will be made on the next succeeding Business Day, but interest on that payment will not accrue during the period from and after the Maturity Date or such date of redemption or repayment. If a Series of Notes is redeemed, unless the Issuer defaults on payment of the Redemption Price, interest will cease to accrue on the Redemption Date on the Notes of such Series called for redemption.

(g) Principal, interest or Additional Amounts (if any) on the Global Notes will be payable by wire transfer of immediately available funds to the Depositary through the TASECH in accordance with the Applicable Procedures and the provisions of this Indenture.

(h) The Applicable Procedures to which payments on the Notes of each Series are subject, require that the final payment on the Notes of each Series be made only against delivery of the Global Notes or Definitive Registered Notes, as applicable.

(i) If the due date for any payment in respect of any Notes is not a Business Day, the holder thereof will not be entitled to payment of the amount due until the next succeeding Business Day, and will not be entitled to any further interest or other payment in respect of any such delay. If no due date is specified for the payment of any amount payable by

the Issuer hereunder, such amount will be due and payable not later than 15 days after receipt by the Issuer of a written demand from the Trustee for payment thereof.

Section 2.4. Notes Registrar and Paying Agent. (a) The Issuer will initially act as the paying agent (the “Paying Agent”) in respect of the Notes of each Series and registrar (the “Notes Registrar”) reflecting ownership of the Notes of such Series. For as long as the Notes of such Series are listed on the TASE-UP, the Issuer undertakes to only appoint a person resident, organized and with its principal place of business in the State of Israel as successor Notes Registrar. The Notes Registrar shall maintain a register reflecting ownership of Definitive Registered Notes (as defined herein) (the “Notes Register”) outstanding from time to time and will make payments on and facilitate transfer of Definitive Registered Notes on behalf of the Issuer, provided that in the event the Issuer is not the Notes Registrar, the register kept by, and at the registered office of, the Issuer shall prevail in the event of any discrepancy between such register and the register held by the Notes Registrar.

(b) The Issuer may change the Paying Agent or Notes Registrar with prior notice to the Trustee. For so long as the Notes of either Series are listed for trading on the TASE-UP, the Issuer will publish a notice of any change of Paying Agent or Notes Registrar through the newswire service of Bloomberg, or if Bloomberg does not then operate, any similar agency or news service, and, to the extent and in the manner permitted by the Applicable Procedures, post such notice on the official website of the TASE (<http://maya.tase.co.il> or any successor website thereto) in accordance with Section 11.4 (Notices).

(c) The Issuer will use its best efforts to select a Paying Agent that is resident, organized, and with its principal place of business in either (i) the State of Israel, or (ii) any other jurisdiction, provided that for jurisdictions that are not (or are not within or under) the State of Israel, the Issuer will obtain and, reasonably prior to effecting any binding legal commitments to use such Paying Agent, have delivered to the Trustee, an opinion of independent legal or tax advisers of recognized standing chosen by the Issuer to the effect that no withholding or other taxes in excess of those applicable to payments (including non-Israeli taxes), had such payments been made by an Israeli paying agent, will be imposed by such other jurisdiction on any Holder or beneficial owner as a result of the selection of such Paying Agent.

Section 2.5. Paying Agent to Hold Money. The Issuer will require each Paying Agent (excluding, for the avoidance of doubt, the Issuer in its capacity as initial Paying Agent), prior to such appointment, to agree in writing and the Issuer, solely in its capacity as Paying Agent, hereby agrees, that such Paying Agent shall hold all money held by the Paying Agent for the payment of the principal of, Additional Amounts (if any) or interest on the relevant Series of Notes in trust for the benefit of the Holders or the Trustee, and that such Paying Agent shall notify the Trustee of any default by the Issuer or any other obligor of the relevant Series of Notes in making any payment and at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held by such Paying Agent. If payment on either Series of Notes is not made when it becomes due and payable, the Paying Agent (if other than the Issuer) shall promptly notify the Issuer that it has failed to make such payment. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon doing so, the Paying Agent (if other than the Issuer or an Affiliate thereof) will have no further liability for the

money. Upon any insolvency, bankruptcy or reorganization proceedings relating to the Issuer (including, without limitation, its bankruptcy, voluntary or judicial liquidation, composition with creditors, reprieve from payment, controlled management, fraudulent conveyance, general settlement with creditors, reorganization or similar laws affecting the rights of creditors generally), the Trustee (or such other entity designated by the Trustee for this purpose) will serve as Paying Agent for the Notes. A Paying Agent (if other than the Issuer or an Affiliate thereof) shall not be obliged to make payments pursuant to Section 2.15 (Payments to be Made by Paying Agent; Deposit of Moneys) or Article 3 unless and until such time as it has confirmed receipt of funds sufficient to make the relevant payment.

Section 2.6. Holder Lists. The Notes Registrar will preserve in as current a form as is reasonably practicable and in accordance with the Applicable Procedures the most recent list available to it of the names and addresses of all Registered Holders (including, Holders of Global Notes and Holders of Definitive Registered Notes, if any). In the event that the Issuer no longer serves as Paying Agent, the Issuer will furnish to each Paying Agent a list of the names, addresses and outstanding balances of, (i) with respect to the Notes of each Series (other than Definitive Registered Notes), the Depositary at least seven Business Days before each Interest Payment Date and (ii) with respect to the Definitive Registered Notes, the Holders of Definitive Registered Notes, in each case, as of the Regular Record Date preceding such Interest Payment Date and in such form and as of such date as the Paying Agent may reasonably require. If the Trustee is not the Notes Registrar, the Issuer shall furnish to the Trustee at such times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Registered Holders.

Section 2.7. Transfer and Exchange. (a) Transfer and Exchange of Global Notes. A Global Note may not be transferred except as a whole by a Depositary or a nominee of such Depositary to a successor Depositary or a nominee thereof, subject to the Applicable Procedures.

(b) (i) Definitive Registered Notes may only be issued in the following circumstances: (x) an Event of Default has occurred and is continuing and the Holder of a Book-Entry Interest requests such an exchange in writing through the relevant Holder (or participant of Euroclear or Clearstream, if applicable) through which such owner holds its Book-Entry Interest, or (y) the Issuer delivers written notice to the Trustee following a determination, in its sole discretion, that the Global Notes (in whole but not in part) should be exchanged for Definitive Registered Notes.

(ii) If at any time the Depositary notifies the Issuer that it is unwilling or unable to continue to act as Depositary for the Global Notes, and the Issuer will not have appointed a successor Depositary within ninety (90) days after the Issuer receives notice or becomes aware of such ineligibility, the Issuer will issue Definitive Registered Notes in exchange for the Global Notes. Upon the occurrence of any of the events set forth in the preceding sentence, the Issuer will execute, and, upon receipt of instructions from an Authorized Officer of the Issuer, the Trustee will complete and authenticate or cause to be completed and authenticated, Definitive Registered Notes, in authorized denominations, in an aggregate principal amount equal to the principal amount of the Global Notes in exchange for such Global Notes.

(iii) The Holder of a Definitive Registered Note may transfer such Note by inscribing the transfer on the back of the Definitive Registered Note and notifying the transfer to the Registrar and providing relevant certifications. The Issuer will bear the cost of preparing, printing, packaging and delivering the Definitive Registered Notes.

(iv) The Trustee or any of its duly authorized agents, as the case may be, is authorized from time to time in accordance with the provisions of this Indenture to authenticate or cause to be authenticated and deliver or cause to be delivered back to the Issuer replacement Definitive Registered Notes in exchange for or in lieu of Definitive Registered Notes of like tenor and of like form which become mutilated, destroyed, defaced, stolen or lost upon payment by the claimant of the expenses incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer and the Trustee may reasonably require, and mutilated or defaced Definitive Registered Notes must be surrendered before replacements will be issued.

(v) Once Definitive Registered Notes have been issued and while they are not listed on the TASE-UP, the special withholding and capital gain tax exemption regime of the ruling from the ITA may not apply.

(vi) To the extent permitted by Applicable Law, the Issuer, the Trustee, any Paying Agent and any Registrar shall be entitled to treat the Holder of any Definitive Registered Notes as the absolute owner thereof and no person will be liable for treating the Holder as such. Ownership of the Definitive Registered Notes will be evidenced through registration from time to time in the books of the Registrar, and such registration is a means of evidencing title to the Notes.

Global Notes also may be exchanged or replaced as provided in Section 2.8 (Replacement Notes) and Section 2.11 (Temporary Notes) hereof. A Global Note may not be exchanged for another Global Note or a Definitive Registered Note other than as provided in this Section 2.7(b). Book-Entry Interests in a Global Note may be transferred and exchanged as provided in Section 2.7(c) (General Provisions Applicable to Transfer and Exchange of Book-Entry Interests in the Global Notes) or Section 2.7(d) (Exchange of Book-Entry Interests for Definitive Registered Notes) hereof.

(c) General Provisions Applicable to Transfer and Exchange of Book-Entry Interests in the Global Notes.

(i) The transfer and exchange of Book-Entry Interests shall be effected in accordance with the provisions of this Indenture and the Applicable Procedures.

(ii) In connection with any transfer or exchange of Definitive Registered Notes, the Registered Holder of such Notes shall present or surrender to the Notes Registrar the Definitive Registered Notes duly endorsed or accompanied by a written instruction of transfer in the form of Exhibit C, duly executed by such Registered Holder or by its attorney, duly authorized in writing.

(iii) Transfers of Book-Entry Interests shall be subject to restrictions on transfer comparable to those set forth herein.

(iv) Book-Entry Interests may be transferred to persons who take delivery thereof in the form of a Book-Entry Interest in accordance with the transfer restrictions set forth in Section 2.7(g) (Transfer Restrictions).

(d) Exchange of Book-Entry Interests for Definitive Registered Notes. Any exchange of a Book-Entry Interest in a Global Note for a Definitive Registered Note shall be effected in accordance with the Applicable Procedures.

(e) Exchange of Definitive Registered Notes for Book-Entry Interests in the Global Notes. Any exchange of a Definitive Registered Note for a Book-Entry Interest in a Global Note shall be effected in accordance with the Applicable Procedures.

(f) Transfer and Exchange of Definitive Registered Notes for Definitive Registered Notes. Any transfer or exchange of a Definitive Registered Note for another Definitive Registered Note shall be effected in accordance with the Applicable Procedures and be subject to Section 2.2(c) (Form and Dating – Definitive Registered Notes) and Section 2.7(c) (General Provisions Applicable to Transfer and Exchange of Book-Entry Interests in the Global Notes) of this Indenture.

If any Holder of a Definitive Registered Note proposes to transfer such Note to another person who takes delivery thereof in the form of a Definitive Registered Note, then, upon receipt by the Notes Registrar of the following documentation,

(1) in the case of a transfer on or before the expiration of the Resale Restriction Termination Date by a Holder of a Definitive Registered Note to a QIB in reliance on Rule 144A, the Notes Registrar shall have received a certificate to the effect set forth in Exhibit E hereto, including the certifications in item (1) thereof; or

(2) in the case of a transfer on or before the expiration of the Resale Restriction Termination Date by a Holder of a Definitive Registered Note in reliance on Regulation S, the Notes Registrar shall have received a certificate to the effect set forth in Exhibit hereto, including the certifications in item (2) thereof,

the Issuer shall replace the Definitive Registered Note of the Holder transferring such Note with new Definitive Registered Notes to reflect the transfer in the amount of Notes represented thereby and register such Definitive Registered Notes in the names of the Holder transferring such Definitive Registered Note and the person who takes delivery thereof in the form of a Definitive Registered Note.

(g) Transfer Restrictions. The following transfer restrictions shall apply to all Global Notes and Definitive Registered Notes issued under this Indenture, unless specifically stated otherwise in the applicable provisions of this Indenture.

Each Holder of a Note, by its acceptance thereof, agrees to offer, sell or otherwise transfer such security, prior to the date (the “Resale Restriction Termination Date”) that is one

year after the later of the date of the original issue and the last date on which the Issuer or any of its Affiliates was the owner of such Notes (or any predecessor thereto), only (a) pursuant to a registration statement that has been declared effective under the Securities Act; (b) for so long as the Notes are eligible for resale pursuant to Rule 144A, to a person such Holder reasonably believes is a QIB that purchases for its own account or for the account of a QIB to whom notice is given that the transfer is being made in reliance on Rule 144A; (c) pursuant to offers and sales that occur outside the United States to non-U.S. persons in offshore transactions and that are either (i) conducted on the TASE-UP or (ii) otherwise in compliance with Regulation S; or (d) pursuant to any other available exemption from the registration requirements of the Securities Act; subject in each of the foregoing cases to any requirement of law that the disposition of its property or the property of such investor account or accounts be at all times within its or their control and to compliance with any applicable state securities laws, and any applicable local laws and regulations.

(h) Cancellation and/or Adjustment of Global Notes. At such time as all Book-Entry Interests in a particular Global Note have been exchanged for Definitive Registered Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note will be returned to or retained and canceled by the Issuer in accordance with Section 2.12 (Cancellation) hereof.

(i) General Provisions Relating to Transfers and Exchanges.

(1) To permit registrations of transfers and exchanges, the Issuer will execute and the Trustee will authenticate Global Notes and Definitive Registered Notes upon receipt of an Authentication Order in accordance with Section 2.3 (Execution and Authentication) hereof.

(2) No service charge will be made by the Issuer or the Notes Registrar to a Holder of a Book-Entry Interest in a Global Note, a Registered Holder of a Global Note or a Holder of a Definitive Registered Note for any registration of transfer or exchange, but the Issuer and the Notes Registrar may require payment of a sum sufficient to cover any transfer taxes, stamp duty, stamp duty reserve, documentary or other similar tax or governmental charge that may be imposed in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Section 2.11 (Temporary Notes) or Article 3 (Redemption of Notes) hereof).

(3) The Notes Registrar will not be required to register the transfer of or exchange of any Note selected for redemption.

(4) All Definitive Registered Notes issued upon any registration of transfer or exchange of Definitive Registered Notes will be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Definitive Registered Notes surrendered upon such registration of transfer or exchange.

(5) All new Global Notes issued pursuant to Section 2.2(b) (Form and Dating – Global Notes) will be the valid obligations of the Issuer, evidencing the same

debt, and entitled to the same benefits under this Indenture, as the Global Notes surrendered upon such issuance.

(6) The Notes Registrar shall not be required to register the transfer into its register kept at its registered office of any Definitive Registered Notes: (A) for a period of 15 days prior to any date fixed for the redemption of the Notes under Section 3.1 or Section 3.2, as applicable; or (B) for a period of 15 days prior to the Regular Record Date with respect to any Interest Payment Date. Any such transfer will be made without charge to the Holder, other than any taxes, duties and governmental charges payable in connection with such transfer.

(7) The Trustee, any Agent and the Issuer may deem and treat the Registered Holders as the absolute owners of the Notes of the relevant Series for the purpose of receiving payment of principal of and interest on such Series of Notes and for all other purposes (it being understood that payments to Holders of Book-Entry Interests shall be made through the Depositary as the Holder of the Global Notes), and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(8) All certifications and certificates required to be submitted to the Issuer, the Trustee or the Notes Registrar pursuant to this Section 2.7 to effect a registration of transfer or exchange may be submitted by electronic message.

(9) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under Applicable Law with respect to any transfer of any interest in any Note (including any transfers between or among Depositary Participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(10) Neither the Trustee nor any Agent shall have any responsibility or liability for any actions taken or not taken by the Depositary.

**Section 2.8. Replacement Notes.** If any mutilated Note is surrendered to the Notes Registrar or the Issuer and the Issuer receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Issuer will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note. An indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee and any Agent from any loss that any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge for their expenses in replacing a Note.

Every replacement Note is an additional obligation of the Issuer and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes of the relevant Series duly issued hereunder.

**Section 2.9. Outstanding Notes.** The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for

cancellation and those described in this Section 2.9 as not outstanding. Except as set forth in Section 2.10 (Treasury Notes) hereof, a Note does not cease to be outstanding because an Affiliate of the Issuer holds the Note; provided, however, that Notes held by the Issuer shall not be deemed to be outstanding for purposes of Article 3 hereof.

(a) If a Note is replaced pursuant to Section 2.8 (Replacement Notes) hereof, it ceases to be outstanding unless the Issuer receives proof satisfactory to it that the replaced Note is held by a “protected purchaser” pursuant to Article 8 of the Uniform Commercial Code of the State of New York.

(b) If the principal amount of any Note is considered paid under Section 5.1(a) (Affirmative Covenants—Payment of Principal of and Interest on Notes) hereof, it ceases to be outstanding and interest on it ceases to accrue.

(c) If a Paying Agent (other than the Issuer or an Affiliate thereof) holds, on a Redemption Date or Stated Maturity, money sufficient to pay the principal of, premium on, if any, interest and Additional Amounts, if any, on Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.10. Treasury Notes. In determining whether the Holders of the required principal amount of Notes of either Series have concurred in any direction, waiver or consent, Notes of such Series owned by any person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuer, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes of such Series that a Responsible Officer of the Trustee actually knows are so owned will be so disregarded.

Section 2.11. Temporary Notes. Until certificates representing Notes are ready for delivery, the Issuer may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Issuer considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer will prepare and the Trustee will authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.12. Cancellation. Without derogating from Section 3.5 (Repurchase Rights), any Notes held by the Issuer shall automatically be cancelled, and the Issuer shall withdraw such Notes from TASECH and deliver to the Notes Registrar a certificate of cancellation detailing all Notes redeemed or purchased by the Issuer. The Issuer may not issue new Notes to replace Notes for which it has paid or that have been cancelled. The Issuer will cause any Notes so purchased and cancelled to be withdrawn from the Depositary. The Issuer undertakes to take the further steps set forth in Section 3.5 in the event that it acquires any Notes.

Section 2.13. Defaulted Interest. If the Issuer defaults in a payment of interest on the Notes of either Series, it will pay the defaulted interest in any lawful manner to the persons who are Holders of such Series on a subsequent date (each such date a “Special Record Date”),

at the rate provided in the relevant Series of Notes and this Indenture. For the avoidance of doubt, such payments shall be made by the Paying Agent in accordance with the procedures specified in Section 2.15 (Payments to be Made by Paying Agent; Deposit of Moneys). The Issuer will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The relevant Special Record Date for payment of such defaulted interest shall be set in accordance with the Applicable Procedures. At least 15 days before a Special Record Date (unless otherwise required by the Applicable Procedures), the Issuer shall provide a notice to Holders in accordance with the Applicable Procedures, pursuant to Section 11.4 (Notices), that states such Special Record Date, the related payment date and the amount of such interest to be paid.

Section 2.14. CUSIP; ISIN. The Issuer in issuing the Notes may use a “CUSIP” number and/or an “ISIN” (or any equivalent thereof issued by the TASE) and, if so, such CUSIP number or ISIN (or any equivalent thereof issued by the TASE) shall be included in notices of redemption or exchange as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP or ISIN (or any equivalent thereof issued by the TASE) printed in the notice or on the Notes, and that reliance may be placed only on the other identification details printed on the Notes, and any such redemption or exchange shall not be affected by any defect in or omission of such numbers.

The Issuer will promptly notify the Trustee in writing of any change in the CUSIP or ISIN (or any equivalent thereof issued by the TASE).

Section 2.15. Payments to be Made by Paying Agent; Deposit of Moneys. (a) With respect to the Notes (other than Definitive Registered Notes), the Issuer, solely in its capacity as Paying Agent shall, prior to 9:30 a.m. Tel Aviv time on each Interest Payment Date or Stated Maturity (or if any such day is not a Business Day, on the next succeeding Business Day), make payments by wire transfer of immediately available funds to the Depositary for further payments on the Global Notes through the TASECH in accordance with the Applicable Procedures and the provisions of this Indenture. The Paying Agent shall promptly notify the Trustee in writing of its failure so to act.

(b) With respect to any Definitive Registered Notes, the Issuer, solely in its capacity as Paying Agent shall make, or cause to have made, payments to Holders of such Definitive Registered Notes by (i) wire transfer of immediately available funds to the accounts of such Holders listed in the register on the Stated Maturity or as notified to the Notes Registrar in writing prior to 9:30 a.m., Tel Aviv time, on the Regular Record Date for each Interest Payment Date or (ii) check mailed to the registered addresses of such Holders listed in the Notes Registrar. The Issuer shall be entitled to rely on information previously supplied to it by the Holder, unless and until such Holder provides the Issuer with written updated information.

(c) In the event that the Issuer no longer serves as Paying Agent, the Issuer shall, prior to 9:30 a.m., Tel Aviv time, one Business Day prior to the date on which payment by the Paying Agent on each Interest Payment Date or Stated Maturity is required pursuant to Section 2.15(a) and Section 2.15(b) (Payments to be Made by Paying Agent; Deposit of Moneys) (or if any such day is not a Business Day, on the immediately preceding Business Day), deposit with the Paying Agent in immediately available funds money sufficient to make cash payments,

if any, due on such Interest Payment Date or Stated Maturity, as the case may be, in a timely manner which permits the Paying Agent to remit payment on such Interest Payment Date or Stated Maturity (or if any such day is not a Business Day, on the immediately preceding Business Day), as the case may be, to (i) in the case of the Notes (other than Definitive Registered Notes), the Depositary and (ii) in the case of any Definitive Registered Notes, to Holders of such Definitive Registered Notes, in each case, in accordance with Section 2.15(a) and Section 2.15(b) (Payments to be Made by Paying Agent; Deposit of Moneys). Subject to actual receipt of such funds as provided by this Section 2.15(c) by the Paying Agent, the Paying Agent shall make payments in accordance with Section 2.15(a) and Section 2.15(b) (Payments to be Made by Paying Agent; Deposit of Moneys).

(d) If and to the extent there shall be a default in the payment of principal, Additional Amounts (if any) and/or interest due with respect to any Note on any Interest Payment Date, such defaulted principal, Additional Amounts (if any) and/or interest shall be paid to the Holder in whose name such Outstanding Note is registered at the close of business on the Special Record Date determined by the Trustee as provided. The Issuer shall pay any administrative costs imposed by banks in connection with the making of payments by wire transfer.

(e) If no due date is specified for the payment of any amount payable by the Issuer hereunder, such amount shall be due and payable not later than 15 days after receipt by the Issuer of a written demand from the Trustee for payment thereof.

Section 2.16. Agents. (a) Actions of Agents. The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several.

(b) Agents of Trustee. The Issuer and the Agents acknowledge and agree that in the event of an Event of Default, the Trustee may, by notice in writing to the Issuer and the Agents, require that the Agents act as agents of, and take instructions exclusively from, the Trustee.

(c) Generally. Any Agent (if not the Issuer) shall (i) be a bank or trust company organized and doing business under the laws of the State of Israel, (ii) be authorized under such laws to act as such Agent as the case may be, (iii) be subject to supervision or examination by federal, state, territorial or State of Israel authority and (iv) either (A) have a combined capital surplus of at least NIS 10,000,000 or (B) have a combined capital surplus of at least NIS 15,000,000 and is a wholly-owned subsidiary of a bank or trust company that has a combined capital surplus of at least NIS 10,000,000. If at any time an Agent shall cease to be eligible in accordance with the provisions of this Section 2.16(c) it shall resign immediately in the manner and with the effect hereinafter specified in this Section 2.16(c).

(i) Any corporation into which any Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which any Agent shall be a party, or any corporation succeeding to all or substantially all of the corporate agency or corporate trust business of any Agent, shall be the successor of such Agent hereunder, provided

such corporation shall be otherwise qualified and eligible under this Section 2.16, without the execution and filing of any instrument or any further act on the part of any of the parties hereto or such Agent or successor corporation.

(ii) Any Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Issuer may, and at the request of the Trustee shall, terminate the agency of any Agent by giving written notice of such termination to such Agent and to the Trustee. Upon the resignation or termination of any Agent or in case at any time any Agent shall cease to be eligible to hold its position under this Section 2.16 (when, in either case, no other Agent performing the functions of such former Agent shall have been appointed), the Issuer shall promptly appoint one or more qualified successor Agents approved by the Trustee to perform the functions of the Agent which has resigned or whose agency has been terminated or who shall have ceased to be eligible under this Section 2.16. The Issuer shall give written notice of any such appointment to all Holders in the manner provided in Section 11.4(b) (Notices). The Issuer may appoint itself as any Agent, without the approval of the Trustee prior to the occurrence of an Event of Default.

### ARTICLE 3

#### REDEMPTION OF NOTES

Section 3.1. Optional Redemption. (a) The Issuer may, in its sole discretion, redeem the outstanding Notes of either Series, in whole but not in part, during the applicable Optional Redemption Period at 100% of their principal amount together with accrued but unpaid interest, if any, on the principal amount of the Notes of such Series to be redeemed to, but excluding, the date fixed for redemption (an “Optional Redemption”). Any optional redemption will be subject, among other things, to the provisions described under Section 3.4 (Notice of Redemption).

Section 3.2. Tax Redemption. (a) If, as a result of

(i) any change in or amendment to the laws, or any regulations, notices or rulings promulgated under the laws of the State of Israel or by a taxing authority of the State of Israel affecting taxation,

(ii) any change in the official position regarding the application or interpretation of the laws, regulations, notices or rulings referred to in (i), which change or amendment becomes effective or, in the case of a change in official position, is announced on or after the Issue Date, or

(iii) involuntary delisting of either Series of Notes from the TASE-UP,

(x) the Issuer would not be entitled to claim a deduction in computing its taxation liabilities in the State of Israel or taxing authority of the State of Israel in respect of any payment to be made on the next Interest Payment Date for either Series of Notes, or the value or amount of such deduction to the Issuer would be reduced, (y) the Issuer is required to pay Additional Amounts in relation to either Series of Notes, or (z) the

applicable tax treatment of either Series of Notes would be materially affected (each such event or change in tax law or regulations, notices or rulings or the official position regarding the application or interpretation thereof, a “Tax Event”), the Issuer may, in its sole discretion, at any time, redeem the Notes of such Series then outstanding, in whole but not in part, at 100% of their principal amount of the Notes of such Series, together with accrued but unpaid interest, if any, on the principal amount of the Notes of such Series to be redeemed to, but excluding, the date fixed for redemption, including, for the avoidance of doubt, any Additional Amounts with respect to the amount to be paid on redemption (a “Tax Redemption”).

(b) Prior to the publication of any notice of redemption due to a Tax Event, the Issuer shall deliver to the Trustee an opinion of independent legal or tax advisers of recognized standing chosen by the Issuer to the effect that a Tax Event has occurred.

(c) Any redemption as a result of a Tax Event will be subject to the provisions described under Section 3.3 (Notice of Redemption) below.

Section 3.3. Notice of Redemption. (a) At least 17 days but not more than 45 days before the Redemption Date, the Issuer will provide a notice of redemption to each Holder whose Notes are to be redeemed. The Issuer shall deliver any such notice to the Trustee and will publish an immediate report on the website (*Magna*) of the ISA and the TASE announcement system (*MAYA*) as soon as practicable after such time.

(b) Any notice of redemption shall fully identify the Notes (including the CUSIP, ISIN (or TASE equivalent thereof)) to which it applies and shall state the following:

- (i) the Redemption Date;
- (ii) the Redemption Price, the amount of accrued interest, if any, and Additional Amounts, if any, to be paid, as well as other information required to be provided under the Applicable Procedures;
- (iii) the address to which the Notes are to be surrendered for redemption;
- (iv) that Definitive Registered Notes called for redemption must be surrendered to the Issuer to collect the Redemption Price, plus accrued and unpaid interest, if any, and Additional Amounts, if any;
- (v) that, unless the Issuer defaults in making such redemption payment, interest, and Additional Amounts, if any, on the Notes called for redemption ceases to accrue on and after the Redemption Date;
- (vi) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(vii) that no representation is made as to the correctness or accuracy of the CUSIP, ISIN (or TASE equivalent thereof) or other identifying code listed in such notice or printed on the Notes.

(c) Notice of redemption of Notes of either Series to be redeemed at the election of the Issuer pursuant to Section 3.1 shall be given by the Issuer or, at the Issuer's written request, by the Trustee in the name and at the expense of the Issuer. Any notice of redemption given in accordance with this Section 3.3 shall be conclusively presumed to have been given whether or not any Holder receives such notice. In any case, failure to have given such notice as herein provided or any defect in the notice given to a Holder of any Note designated for redemption shall not affect the validity of the proceedings for the redemption of any other Note.

To the extent that the TASE bylaws continue to provide that early redemption of the Notes of either Series cannot occur during the period between a record date for the payment of interest on the Notes of such Series and the actual date of payment of such interest, the Redemption Date for any redemption of Notes of such Series pursuant to this Article 3 may not occur on any date occurring between an Interest Payment Date and the applicable Regular Record Date.

(d) The Redemption Price shall be payable to Holders holding the Notes of the relevant Series on the applicable Redemption Date, unless otherwise provided by the Applicable Procedures.

Section 3.4. Notes Payable on Redemption Date. (a) Upon the giving of notice pursuant to Section 3.3 (Notice of Redemption), the Outstanding Notes of the Series called for redemption in such notice shall become due and payable on the Redemption Date and at the Redemption Price specified in such notice, and from and after the Redemption Date (unless the Issuer shall default in the payment of such Notes at the Redemption Price) such Notes shall cease to bear interest. Such Notes shall be paid and redeemed by the Issuer at the Redemption Price therefor; provided, however, that any payment of interest or Additional Amount on any such Note the Interest Payment Date for which is on or prior to the Redemption Date, shall be payable to the Holder of such Note registered as such at the close of business on the relevant Regular Record Date in accordance with the terms of this Indenture and such Note.

(b) With respect to Notes (other than Definitive Registered Notes) of each Series, the Issuer, solely in its capacity as Paying Agent shall, prior to 9:30 a.m. Tel Aviv time, on the Redemption Date (or if any such day is not a Business Day, on the next succeeding Business Day), make payments on all Global Notes to be redeemed on the Redemption Date by wire transfer of immediately available funds to the Depositary for further payments on the Global Notes through TASECH in accordance with the Applicable Procedures and the provisions of this Indenture. The Paying Agent shall promptly notify the Trustee of its failure so to act.

(c) With respect to any Definitive Registered Notes, the Issuer, solely in its capacity as Paying Agent shall make, or cause to be made, payments to Holders of such Definitive Registered Notes on all Definitive Registered Notes to be redeemed on the Redemption Date by (i) wire transfer of immediately available funds to the accounts of such Holders listed in the register or as notified to the Notes Registrar in writing prior to 9:30 a.m.,

Tel Aviv time, at least three Business Days prior to the Redemption Date or (ii) check mailed to the registered addresses of such Holders listed in the Notes Register. The Issuer shall be entitled to rely on information previously supplied to it by the Holder, unless and until such Holder provides the Issuer with written updated information. The Paying Agent shall promptly notify the Trustee of its failure so to act.

(d) In the event that the Issuer or a Subsidiary no longer serves as Paying Agent, the Issuer shall, prior to 9:30 a.m., Tel Aviv time, one Business Day prior to the date on which payment by the Paying Agent on the Redemption Date is required pursuant to Section 3.4(b) and Section 3.4(c) (or if any such day is not a Business Day, on the immediately preceding Business Day), deposit with the Paying Agent in immediately available funds money sufficient to pay the Redemption Price of, and accrued interest and Additional Amounts, if any, on, all Notes of the relevant Series to be redeemed on that date, in a timely manner which permits the Paying Agent to remit payment on such Redemption Date (or if any such day is not a Business Day, on the immediately preceding Business Day), as the case may be, to (i) in the case of the Notes (other than Definitive Registered Notes) of such Series, the Depository and (ii) in the case of any Definitive Registered Notes, to Holders of such Definitive Registered Notes, in each case, in accordance with Section 3.4(b) and Section 3.4(c). Subject to actual receipt of such funds as provided by this Section 3.4(d) by the Paying Agent, the Paying Agent shall make payments in accordance with Section 3.4(b) and Section 3.4(c).

(e) If the Issuer, solely in its capacity as Paying Agent, complies with Section 3.4(b) and Section 3.4(c) or, if the Issuer or a Subsidiary no longer serves as Paying Agent, if the Issuer complies with Section 3.4(d), on and after the Redemption Date, interest will cease to accrue on the Notes of the relevant Series or the portions of Notes of the relevant Series called for redemption. If any Note called for redemption is not so paid upon surrender for redemption because of the failure of the Issuer, solely in its capacity as Paying Agent, to comply with Section 3.4(b) and Section 3.4(c) or, if the Issuer or a Subsidiary no longer serves as Paying Agent, the failure of the Issuer to comply with Section 3.4(d), interest shall be paid on the unpaid principal, from the Redemption Date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the relevant Series of Notes and in Section 5.1(a) hereof.

**Section 3.5. Repurchase Rights.** (a) The Issuer may at any time, either directly or through a Subsidiary, purchase Notes of either Series in any manner and at any price, subject to Applicable Procedures and Applicable Law and they will be cancelled and written off from trading on the TASE-UP and the Issuer will not be entitled to reissue them. The Issuer will publish an immediate report on the website (*Magna*) of the ISA and the TASE announcement system (*MAYA*) following any repurchase of Notes of such Series. Upon purchase, such Notes shall be withdrawn from the TASECH, unless purchased by an entity other than the Issuer.

(b) The Notes of either Series so purchased while held by or on behalf of the Issuer, shall not entitle the Holder to provide consents with respect to the Notes of such Series, and shall not be deemed to be outstanding for the purposes of calculating whether sufficient consents have been obtained in respect of any modification, amendment, supplement, request, demand, authorization, direction, notice, consent, waiver or other action with respect to such Series of Notes. The Issuer shall give notice to the TASECH and shall verify that the clearing

house member has submitted to the TASECH, on the record date, data regarding the quantities held by the Issuer and the identity of the stock exchange members through which the Issuer holds the Notes of such Series, as well as waiver letters regarding the interest payments for these repurchased Notes.

Section 3.6. No Obligation to Redeem upon Delisting. The Issuer shall be under no obligation to redeem the Notes of a Series in the event of a delisting of the Notes of such Series from the TASE-UP.

### RANKING

Section 4.1. Ranking. The Notes of each Series will constitute the Issuer's direct, unsecured and unsubordinated obligations ranking *pari passu* without any preference among themselves and equally with the other Series of Notes and all of the Issuer's other unsecured and unsubordinated obligations from time to time outstanding, save as otherwise provided by law.

## ARTICLE 5

### COVENANTS

Section 5.1. Affirmative Covenants. With respect to each Series of Notes, the Issuer hereby covenants and agrees that, from the date of this Indenture, it shall observe and comply with, and shall cause to be observed and complied with, each and all of the following covenants until all amounts and other obligations due under this Indenture and the Notes of such Series shall have been indefeasibly paid or satisfied in full:

(a) Payment of Principal of and Interest on Notes. The Issuer shall promptly pay, or cause to be paid, the principal of, Additional Amounts (if any) and interest on, and other amounts due in respect of, every Note of such Series issued hereunder according to the terms hereof and thereof.

(b) Maintenance of Office or Agency. The Issuer shall maintain an office or agency where notices and demands in respect of the Notes of such Series and this Indenture may be served. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the address of the Trustee.

(c) Corporate Existence. The Issuer shall at all times preserve and maintain in full force and effect its existence as a limited liability company in good standing under the laws of the State of Israel.

(d) Taxation. The Issuer or the Withholding Agent, as applicable, will make any and all payments of principal, interest and premium (if any) payable by it or its Paying Agent free and clear of, and without withholding or deduction for or on account of, any and all present or future Tax of whatever nature imposed by or on behalf of the State of Israel or taxing

authority of the State of Israel, unless such withholding or deduction is required by Applicable Law or by regulation or governmental policy having the force of law. If any such Taxes in the State of Israel or taxing authority of the State of Israel are so withheld or deducted, the Issuer will pay such additional amounts as will result in receipt by the Holders of the relevant Series of Notes of such amounts as would have been received by them had no such Taxes in the State of Israel or taxing authority of the State of Israel been withheld or deducted (the “Additional Amounts”), except that no Additional Amounts will be payable to a Holder or a beneficial owner in respect of:

(i) any Taxes in the State of Israel or taxing authority of the State of Israel that would not have been imposed, deducted or withheld but for (A) the existence of any present or former connection between the Holder or a beneficial owner and the State of Israel (other than merely the holding of such Notes or receipt of interest, principal or premium in respect thereof or activities (including enforcement) incidental thereto), including, without limitation, such Holder or beneficial owner being or having been a tax resident thereof, being or having been engaged in a trade or business therein, or having or having had a permanent establishment therein or (B) the failure of the Holder or a beneficial owner (x) to comply with any certification, identification, information, documentation (including ITA Form 2402) or other reporting requirement, including requirements by the Withholding Agent or a broker or other intermediary effectuating the transaction or a financial institution through which the relevant Series of Notes are held or (y) to make and to timely deliver any duly completed and executed declaration or similar claim confirming that the holder is not an Israeli tax resident (including a claim for a refund of a Tax withheld with respect to the relevant Series of Notes), in each case of (x) and (y) that is required under Applicable Law, administrative practice or treaty of the State of Israel or taxing authority of the State of Israel as a precondition to exemption from, or the reduction in the rate of, deduction or withholding of such taxes in the State of Israel or taxing authority in the State of Israel;

(ii) any estate, inheritance, gift, sale, transfer, value added, personal property or similar Tax;

(iii) any Tax which is payable otherwise than by withholding or deduction from payments of (or in respect of) principal of, premium (if any) or interest on the relevant Series of Notes;

(iv) Taxes that would not have been imposed but for the presentation of such Note (where presentation is required) for payment more than 30 days after the date payment became due or was provided for, whichever is later, except to the extent that the Holder or a beneficial owner would have been entitled to the Additional Amounts on presenting the Note for payment at the close of that 30 day period;

(v) Taxes that would not have been imposed but for the failure to present the Note (where presentation is required) to a paying agent or a Withholding Agent for payment by or on behalf of a Holder who would have been able to avoid such withholding or deduction by presenting the Note to another paying agent or Withholding Agent in another jurisdiction;

(vi) any Tax imposed pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the “Code”), or current or future U.S. Treasury Regulations or rulings promulgated thereunder (“FATCA”), any intergovernmental agreement between the United States and any other jurisdiction to implement FATCA, any law, regulation or other official guidance enacted or published in any jurisdiction implementing FATCA or an intergovernmental agreement with respect thereto, or any agreement with the U.S. Internal Revenue Service under FATCA;

(vii) to a Holder or beneficial owner that is (i) a “related person” to the Issuer within the meaning of paragraph 3 of the definition of “related person” in Section 88 of the Israeli Income Tax Ordinance of 1961 (the “Israeli Tax Ordinance”); (ii) a “substantial shareholder” of the Issuer as defined in Section 88 of the Israeli Tax Ordinance; or (iii) an employee of the Issuer, service provider to the Issuer, seller of products to the Issuer, or any Holder or beneficial owner that has special relationship with the Issuer within the meaning of Section 9(15d) of the Israeli Tax Ordinance;

(viii) to a non-Israeli resident Holder or a beneficial owner that is not an individual, to the extent Israeli tax residents are (i) “controlling shareholders” (as defined in Section 68A of the Israeli Tax Ordinance) of such Holder or a beneficial owner, or (ii) the beneficiaries of, or entitled to, 25% or more of the income or profits of such Holder or a beneficial owner, in each case directly or indirectly;

(ix) any Taxes imposed with respect to a payment under or with respect to the relevant Series of Notes where, had the beneficial owner of the applicable Note of the relevant Series been the holder of such Note, such beneficial owner would not otherwise have been entitled to payment of such Additional Amounts by reason of any of clauses (i), (ii), (iii), (iv), (v), (vi), (vii), and (viii) above or any combination thereof; and

(x) any combination of clauses (i), (ii), (iii), (iv), (v), (vi), (vii), (viii) and (ix) above.

If any Taxes are imposed on any payments on the relevant Series of Notes, the Issuer or the Withholding Agent will make such withholding or deduction as required by Applicable Law and remit the applicable amount so deducted or withheld to the relevant authority as and when required in accordance with Applicable Law. The Issuer or the Withholding Agent, as applicable, will furnish to the Trustee, within 30 days after the date on which the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer or the Withholding Agent, as applicable, or if such receipts are not obtained, other evidence of payments by the Issuer or the Withholding Agent, as applicable.

The Issuer will promptly pay when due any present or future stamp, or documentary taxes which are imposed by the State of Israel or taxing authority of the State of Israel, in connection with the execution, delivery, registration or enforcement of, or the making of payments in respect of, each Note or any other document or instrument.

Wherever in this Indenture, the Notes or the Description of the Notes there is mentioned, in any context, the payment of principal, purchase prices in connection with a purchase of Notes of a

Series (including any premium), interest, discount or any other amount payable on the Notes of such Series, such reference will be deemed to include payment of Additional Amounts as described under this Section 5.1(d) to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(e) Listing. The Issuer will obtain, and use its reasonable best efforts to maintain, listing of each Series of Notes on the TASE-UP for so long as the Notes of such Series are outstanding and such listing is necessary in order to make payments on the Notes of such Series to non-Israeli investors without withholding or deduction of Israeli taxes (unless such listing becomes unduly burdensome to make or maintain (for the avoidance of doubt, preparation of financial statements in accordance with any accounting standard other than the Public Reporting Directives and guidelines of the Banking Supervision Department and any other standard pursuant to which the Issuer then prepares its financial statements shall be deemed unduly burdensome)). If the Notes of either Series cease to be listed or are expected to cease to be listed on the TASE-UP, the Issuer will use its reasonable best efforts to obtain and maintain the listing of such Series of Notes on another recognized exchange that is regulated by Israel or take other steps that would enable payments on the Notes of such Series to non-Israeli investors to be made without withholding or deduction of Israeli taxes.

(f) Further Assurances. The Issuer shall execute and deliver, from time to time as reasonably requested by the Trustee or as necessary, at the Issuer's expense, such other documents in connection with the rights and remedies of the Trustee and the Holders granted or provided for by this Indenture in order to consummate the transactions contemplated therein.

(g) Statement by Officers as to Default. The Issuer shall deliver to the Trustee, as soon as possible and in any event within five Business Days after the Issuer becomes aware of the occurrence of any Event of Default, an Officers' Certificate setting forth the details of such Event of Default and the action which the Issuer proposes to take with respect thereto.

(h) Statement as to Compliance. The Issuer shall, upon request, furnish to the Trustee a statement as to the Issuer's compliance with all conditions and covenants under the Indenture.

(i) No Limitation on Dividends. For the avoidance of doubt, neither this Indenture nor the Notes contain any restriction on the Issuer's ability to pay dividends or make other distributions to its shareholders or to buyback any of its shares.

Section 5.2. Negative Covenants. With respect to each Series of Notes, the Issuer hereby covenants and agrees that from the date of this Indenture, it shall observe and comply with, and shall cause to be observed and complied with, each and all of the following covenants until all amounts and other obligations due under this Indenture and the Notes of such Series shall have been indefeasibly paid or satisfied in full:

(a) Limitation on Consolidation, Merger or Transfer of Assets. The Issuer will not consolidate with or merge with or into, or convey, transfer or lease all or substantially all of its assets to, any person (other than a direct or indirect subsidiary of the Issuer, where the Issuer is the surviving entity in such transaction), unless:

(i) the resulting, surviving or transferee person (if not the Issuer) will be a person organized and existing under the laws of Israel, the United States of America, any state thereof or the District of Columbia, the United Kingdom, any other country that is a member state of the European Union or of the Organization for Economic Cooperation and Development and such person (if not the Issuer) expressly assumes, by Supplemental Indenture to this Indenture, executed and delivered to the Trustee, all the obligations of the Issuer under the Notes and this Indenture (including paying Additional Amounts, if any);

(ii) the resulting, surviving or transferee person (if not the Issuer), if organized under the laws of a country other than Israel, undertakes, in such Supplemental Indenture, to pay such additional amounts in respect of principal and interest as may be necessary in order that every payment made in respect of the Notes after deduction or withholding for or on account of any present or future tax, duty, assessment or other governmental charge imposed by such other country or any political subdivision or taxing authority thereof or therein will not be less than the amount of principal (and premium, if any) and interest then due and payable on the Notes, subject to the same exceptions set forth under Section 5.1(d) (Taxation) but replacing existing references in such section to Israel with references to such other country;

(iii) immediately prior to such transaction and immediately after giving effect to such transaction, no Event of Default will have occurred and be continuing; and

(iv) the Issuer will have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel from international legal counsel of recognized standing, each stating that such consolidation, merger or transfer and such Supplemental Indenture, if any, comply with this Indenture.

The Trustee shall accept such Officers' Certificates and Opinions of Counsel as sufficient evidence of the satisfaction of the conditions precedent set forth in this Section 5.2(a) in which event it will be conclusive and binding on the Holders.

Upon any consolidation, merger, conveyance, transfer or lease of all or substantially all of the Issuer's assets in accordance with this Section 5.2(a) the successor company will succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture and the Notes with the same effect as if such successor company had been named as the Issuer herein and thereafter the Issuer shall be relieved of all obligations and covenants under this Indenture and the Notes; provided that, in the case of a lease of all or substantially all its assets, the Issuer will not be released from the obligation to pay the principal of and interest on the Notes.

For the purposes of this Section 5.2(a), "substantially all of its assets" means an amount of assets of the Issuer with a total aggregate value in excess of 50% of the Issuer's total assets based on its latest financial statements.

## ARTICLE 6

### EVENTS OF DEFAULT

Section 6.1. Events of Default. An “Event of Default” with respect to the Notes of either Series shall result if:

(a) The Issuer does not pay any principal or interest on the Notes of such Series within seven days from the due date for payment and fails to remedy that breach within 14 days from the due day of payment;

(b) The Issuer breaches a covenant as set forth in Article 5 in relation to such Series of Notes (other than as stated above at (a) with respect to payments when due) and such breach has not been remedied for the period of 45 days following the service by the Trustee on the Issuer of notice certifying that, in its opinion, the breach is materially prejudicial to the interests of the Holders of the Notes of such Series and requiring the same to be remedied;

(c) (i) a liquidator or a temporary or permanent trustee or any other officer with similar powers and authority is appointed in respect of the Issuer, in accordance with the provisions of the Israeli Insolvency and Economic Rehabilitation Law, 5778-2018 (the “**Insolvency Law**”) or if an order to appoint a temporary or permanent liquidator is issued by a court of competent jurisdiction, or if an order or ruling is issued by a court of competent jurisdiction for the liquidation of the Issuer (except for such an appointment, and the actions by such person, or such an order in connection with a transaction that is not prohibited by the covenant described in Section 5.2(a) above, and (ii) such appointment, order or decision is not revoked within 30 days of being issued, *provided* that such cure period shall not apply in the event that (w) a permanent and final liquidation order is issued by the court, (x) a permanent liquidator or trustee is appointed in respect of the Issuer under a permanent and final order, (y) the Issuer adopts a voluntary liquidation resolution and/or (z) in respect of petitions or orders filed or issued, as applicable, by the Issuer or with its consent. For the purposes of this section, the term “trustee” shall have the meaning ascribed thereto in Section 4 of the Insolvency Law;

(d) (i) a temporary and/or permanent receiver is appointed in respect of the Issuer and/or material assets, as defined below, or (ii) an officer with similar powers under the Insolvency Law is appointed by the court and such appointment is not revoked within 30 days, *provided* that such cure period shall not apply if (x) a permanent receiver is appointed or (y) in respect of petitions or orders filed or granted, as applicable, by the Issuer or with its consent;

(e) an attachment is imposed on material assets of the Issuer or if such material assets are foreclosed upon and such attachment is not removed or such foreclosure is not cancelled within 45 days, *provided* that such cure period shall not apply in respect of petitions or orders obtained or granted, as applicable, by the Issuer or with its consent; or

(f) (i) the Issuer files a motion for the stay of proceedings, or a motion has been filed by the Issuer to initiate proceedings under the Insolvency Law, or a stay of proceedings order has been given to the Issuer under the Insolvency Law, or the Issuer files an application to reach an arrangement or settlement with its creditors pursuant to Section 350 of

the Israeli Companies Law, 5759-1999 (the “Companies Law”) and/or the Insolvency Law except, in each case, in connection with (a) a transaction that is not prohibited by the covenant described in Section 5.2(a) above, (b) a reorganization or change in structure of the Issuer and/or the Group, including through a spin-off and/or (c) arrangements between the Issuer and its shareholders that do not affect the Issuer’s ability to repay the Notes of such Series and which are not prohibited under the terms of the Indenture; or (ii) a motion under Section 350 of the Companies Law or a motion pursuant to the provisions of the Insolvency Law is filed against the Issuer (without its consent) and is not denied or rescinded within 45 (forty-five) days of the date of filing.

For the purpose of this Section 6.1, a “material part of its assets” and “material assets of the Issuer” each mean an amount of assets of the Issuer with a total aggregate value in excess of 50% of the Issuer’s total assets based on its latest financial statements. An Event of Default with respect to the Notes of a Series shall not necessarily constitute an Event of Default with respect to the Notes of the other Series. The remedies available to the Trustee and the holders upon an Event of Default with respect to the Notes of a Series shall be exercisable only with respect to the Notes of such Series and shall not constitute a default or event permitting acceleration with respect to the Notes of the other Series.

Section 6.2. Acceleration. If an Event of Default occurs and is continuing, the Holders of at least 50% in outstanding principal amount of the Notes of a Series may, at their discretion, request that the Trustee, within 30 days of receiving the Holders’ request (provided that such period may be shortened at the Trustee’s discretion), declare the Notes of such Series to be due and repayable immediately (and the Notes of such Series shall thereby become due and repayable) at their outstanding principal amount together with accrued but unpaid interest, if any, due on the Notes of such Series. The calling for immediate repayment of the Notes of such Series in accordance with the terms of the Indenture shall not affect or impair any remedy or right of the Holders under any law or under the terms of this Indenture.

If the terms of any of the Events of Default listed above include a cure period during which the Issuer is permitted to remedy its default, the Trustee or the Holders of the Notes of the relevant Series are permitted to call the Notes of such Series for immediate repayment, as stated in the immediately preceding paragraph, only if the aforesaid cure period has elapsed and the default is continuing. Notwithstanding the foregoing, the Trustee is permitted to shorten the applicable cure period if it believes that a delay in the exercise of their call for immediate repayment may materially impair the rights of the Holders.

Without derogating the immediately preceding paragraph, the Trustee’s and the Holders’ ability to declare the Notes of either Series to be due and repayable immediately is subject to the Holders of the Notes of such Series or the Trustee, as applicable, giving seven days’ advance notice to the Issuer of their intention to do so, provided that the Trustee and the Holders shall not be required to provide such notice if there is reasonable concern that giving such notice will prejudice their ability to declare the Notes of such Series due and repayable immediately.

At any time after such a declaration of acceleration with respect to the Notes of either Series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount

of the Notes of such Series then outstanding, by written notice to the Issuer, may rescind and annul such declarations of acceleration and its consequences if:

- (a) all Events of Default with respect to the Notes of such Series have been remedied; and
- (b) without limiting the generality of the foregoing, the Issuer has paid or deposited with the Trustee a sum sufficient to pay:
  - (i) the principal of (and premium, if any, on) Notes of such Series which have become due and payable otherwise than by such declaration of acceleration and any due and payable interest, and overdue interest, if any, thereon at the rate or rates prescribed therefor in Notes of such Series; and
  - (ii) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Section 6.3. Waiver of Past Defaults. The Holders of not less than a majority in aggregate principal amount of the relevant Series of Notes at the time outstanding may, on behalf of the Holders of all the Notes of such Series, waive any past Event of Default or any past default hereunder with respect to the Notes of such Series and its consequences, except a default:

- (i) in the payment of any principal or any installment of interest on any Notes of such Series, or
- (ii) in respect of a covenant or provision hereof that under Article 8 cannot be modified or amended without the consent of the Holders of at least 90% of the aggregate principal amount of the then outstanding Notes of such Series.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 6.4. Trustee's Duties. The Issuer shall deliver written notice to the Trustee as soon as practicable but no later than thirty (30) days of becoming aware of the occurrence of an Event of Default. In case of an Event of Default under this Indenture of which a Responsible Officer of the Trustee shall have received written notice at the corporate trust office of the Trustee, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

If an Event of Default occurs and is continuing with respect to the Notes of either Series, the Trustee will have no obligation to take any action at the direction of any Holders of the Notes of such Series, unless they have offered the Trustee security or indemnity

satisfactory to the Trustee in its sole discretion. The Majority Holders of such Series, through a decision taken by the Holders in accordance with the provisions of Section 7.1 (Acts of Holders), shall have the right to direct the time, method and place of conducting any proceeding in the name of and on the behalf of the Trustee for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to such Series of Notes. However, this direction (a) must not be in conflict with any rule of Applicable Law or this Indenture and (b) must not be unjustly prejudicial to the Holder(s) of such Series of Notes not taking part in the direction, in the case of either (a) or (b) as determined by the Trustee in its sole discretion.

The Trustee will, within ninety (90) days of an Event of Default with respect to the Notes of either Series, give to each affected Holder of such Series of Notes notice of any Event of Default known to the Trustee, unless the Event of Default has been cured or waived.

**Section 6.5. Judicial Proceedings Instituted by Trustee.**

(a) Collection of Indebtedness; Trustee Entitled to Bring Suit. Subject to Section 11.12 (Limitation of Liability), if an Event of Default shall have occurred and be continuing with respect to Notes of either Series, then the Trustee, in its own name and as trustee of an express trust, subject to Section 7.1 (Acts of Holders), shall be entitled and empowered to institute any suits, actions or other proceedings at law and in equity or otherwise for the collection of the sums due and unpaid in respect of the Notes of such Series, and may prosecute such claim or proceeding to judgment or final decree, and may enforce any such judgment or final decree and collect the monies adjudged or decreed to be payable in any manner provided by Applicable Law, whether before or after or during the pendency of any proceedings for the enforcement of any of the Trustee's rights or the rights of the Holders under this Indenture, and such power of the Trustee shall not be affected by any sale hereunder or by the exercise of any other right, power or remedy for the enforcement of the provisions of this Indenture.

(b) Trustee May File Proofs of Claim; Appointment of Trustee as Attorney-in-Fact in Judicial Proceedings.

(i) Subject to Section 11.12 (Limitation of Liability), the Trustee, in its own name, as trustee of an express trust or as attorney-in-fact for the Holders, or in any one or more of such capacities (irrespective of whether the principal of the Notes of either Series shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand for the payment of overdue principal, Additional Amounts (if any), or interest), shall be entitled and empowered to (x) file such proofs of claim and other papers or documents and take any other actions authorized under Applicable Law as necessary or advisable in order to have the claims of the Trustee and of the Holders (whether such claims be based upon the provisions of the Notes or of this Indenture) allowed in any judicial proceeding relating to the Issuer, the creditors of the Issuer or any such obligor, or any other property of the Issuer or such obligor (each such proceeding, for purposes of this clause (b), a "Proceeding") and (y) collect and receive any monies or other property payable or deliverable on any such claims and distribute the same. Any receiver, assignee, trustee or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event the Trustee shall consent to the

making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

(ii) The Trustee is hereby granted the authority to:

(1) make and file in the names of the Holders (subject to deduction from any such claims of the amounts of any claims filed by any of the Holders themselves) any claim, proof of claim or amendment thereof, debt, proof of debt or amendment thereof, petition or other document in any Proceeding, and receive payment of any amounts distributable on account thereof;

(2) execute any and all papers and documents and do and perform any and all acts and things for and on behalf of the Holders as may be necessary or advisable in order to have the respective claims of the Trustee and the Holders against the Issuer or any other property of the Issuer or such obligor allowed in any Proceeding; and

(3) receive payment of or on account of such claims and debt.

(iii) No provision of this Indenture shall be deemed to give the Trustee any right to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, to vote in respect of the claim of any Holder in any Proceeding or to otherwise change or waive in any way the rights of any Holder in any Proceeding; provided, however, that the Trustee may, on behalf of the Holders, vote for the election of a trustee in bankruptcy or similar official and be a member of a creditors' or other similar committee.

(iv) Any monies collected by the Trustee under this clause (b) shall be applied as provided in Section 6.10 (Application of Monies Collected by Trustee).

(c) Trustee Need Not Have Possession of Notes. Subject to Applicable Law, all proofs of claim, rights of action and rights to assert claims under this Indenture or under any of the Notes of either Series may be enforced by the Trustee without the possession of the Notes of such Series or the production thereof at any trial or other proceedings instituted by the Trustee. In any proceedings brought by the Trustee (and any proceedings involving the interpretation of any provision of this Indenture or the Notes of either Series to which the Trustee shall be a party), the Trustee shall be held to represent all of the Holders of such Series of Notes and it shall not be necessary to make any such Holders parties to such proceedings.

(d) Suit to be Brought for the Ratable Benefit of Holders. Subject to the other provisions of this Indenture, any suit, action or other proceeding at law, in equity or otherwise which shall be instituted by the Trustee under any of the provisions of this Indenture or the Notes of either Series shall be for the equal, ratable and common benefit of all of the Holders of such Series of Notes.

(e) Restoration of Rights and Remedies. In case the Trustee shall have instituted any proceeding to enforce any right, power or remedy under this Indenture or the Notes

of either Series by foreclosure, entry or otherwise and such proceedings shall have been determined adversely to the Trustee, then and in every such case the Issuer, the Trustee and any Agent shall be restored to its former positions hereunder, and all rights, powers and remedies of the Trustee, any Agent and the Holders of such Series of Notes shall continue as if no such proceeding had been instituted.

(f) Right to Participate in Defense. Nothing contained herein shall prevent the Trustee from participating in any defense of any claim brought against it, even if defense against such claim is assumed by an indemnifying party.

(g) Exculpation of Trustee in Exercise of Remedies. In the exercise of remedies, if the terms of this Indenture permit the Trustee to sell or liquidate the assets of the trust, the Trustee shall not be liable for any decline in value or loss realized as a result of the sale of the trust assets in accordance with the terms of this Indenture.

Section 6.6. Control by Holders. Subject to Section 10.2(e) (Certain Rights of Trustee), the Majority Holders in respect of a Series of Notes shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; provided that such direction shall not be in conflict with any rule of Applicable Law or with this Indenture, the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction and subject to Section 10.1 (Certain Duties and Responsibilities of Trustee), the Trustee need not follow any such direction if doing so would in its reasonable discretion either involve it in personal liability or be unduly prejudicial to Holders of such Series of Notes not joining in such direction, it being understood that, subject to Section 10.1 (Certain Duties and Responsibilities of Trustee), the Trustee shall have no obligation to make any determination with respect to any such conflict, personal liability or undue prejudice.

Section 6.7. Limitation on Suits by Holders. (a) Subject to the other provisions of this Article 6, no Holder of any Notes of either Series may institute any action or proceeding at law or in equity or in bankruptcy or otherwise upon or under or with respect to this Indenture, or for the appointment of a trustee, receiver, liquidator, custodian or other similar official or for any other remedy under this Indenture (except suits for the enforcement of payment of overdue principal or interest) unless:

(i) such Holder previously shall have given to the Trustee written notice of an Event of Default and continuance thereof; and

(ii) unless the Holders of not less than 50% in aggregate principal amount of Outstanding Notes of such Series shall have made written request upon the Trustee to institute such action or proceedings in its own name as Trustee; and

(iii) shall have offered the Trustee indemnity satisfactory to it, the Trustee shall not have instituted any such action or proceeding within 90 days of its receipt of such notice, request and offer of indemnity; and

(iv) the Trustee shall not have received direction inconsistent with such written request by the Holders of a majority in aggregate principal amount of the Notes of such Series then outstanding.

(b) It is understood and intended that one or more of the Holders shall not have any right in any manner whatsoever hereunder or under Notes of either Series to obtain or seek to obtain priority or preference over any other Holders of such Series or enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all of the Holders of such Series (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

Section 6.8. Undertaking to Pay Court Costs. All parties to this Indenture, and each Holder by its acceptance of either Series of Notes, shall be deemed to have agreed that any court may in its discretion require, in any suit for the enforcement of any right or remedy hereunder, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; provided that the provisions of this Section 6.8 shall not apply, to the extent permitted by Applicable Law, to any suit instituted by the Trustee, any suit instituted by a Holder or group of Holders holding in the aggregate more than ten percent (10%) in principal amount of the Outstanding Notes of the relevant Series or any suit instituted by a Holder pursuant to Section 6.9 (Unconditional Right to Receive Payment) for the enforcement of the payment of the principal of, Additional Amounts (if any) or interest accrued and unpaid on any Notes of either Series on or after the respective due dates expressed in such Series of Notes.

Section 6.9. Unconditional Right to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of the principal of, Additional Amounts (if any) or interest on any Note of either Series on or after the respective due dates expressed in such Series of Notes (or, in the case of redemption, on the Redemption Date fixed for such Series of Notes), or to institute suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.10. Application of Monies Collected by Trustee. Any money collected by the Trustee pursuant to this Article 6 in respect of either Series of Notes, either directly or through any other person acting on behalf of the Trustee, together with any other monies which may then be held by the Trustee under any of the provisions of this Indenture as security for such Series of Notes (other than monies at the time required to be held in a separate account for the payment of specific Notes at their stated maturities or at a time fixed for the redemption thereof pursuant to Article 9) shall be applied in the following order from time to time, on the date or dates fixed by the Trustee and, in the case of a distribution of such monies on account of principal, Additional Amounts (if any), or interest, upon presentation of the Outstanding Notes of such Series, and stamping thereon of payment, if only partially paid, or upon surrender thereof, if fully paid:

FIRST: To the payment of all amounts due to the Trustee or any other Agent, or any of their predecessors under Section 10.7 (Compensation; Reimbursement; Indemnification);

SECOND: In case the unpaid principal amount of the Outstanding Notes of such Series shall not have become due, to the payment of any interest (including any Additional Amounts) in default, together with interest (at the rates specified in the Notes of such Series in respect of overdue payments and to the extent that payment of such interest shall be legally enforceable) on such payments of overdue interest;

THIRD: In case the unpaid principal amount of a portion of the Outstanding Notes of such Series shall have become due, first to the payment of accrued interest (including any Additional Amounts) on all Outstanding Notes of such Series in the order of the due dates of the payments thereof, together with interest (at the rates specified in the respective Notes of such Series in respect of overdue payments and to the extent that payment of such interest shall be legally enforceable) on such payments of overdue interest, and next to the payment of the unpaid principal amount and Additional Amounts (if any) of all Notes of such Series then due;

FOURTH: In case the unpaid principal amount of all the Outstanding Notes of such Series shall have become due, to the payment of the whole amount then due and unpaid upon the Outstanding Notes of such Series for principal, Additional Amounts (if any) and interest, together with interest (at the rates specified in the respective Notes of such Series in respect of overdue payments and to the extent that payment of such interest shall be legally enforceable) on such overdue principal, Additional Amounts (if any) and interest; and

FIFTH: In case the unpaid principal amount of all of the Outstanding Notes of such Series shall have become due, and all of the Outstanding Notes of such Series shall have been indefeasibly paid in full in cash or cash equivalents, any surplus then remaining shall be paid to the Issuer or to whomsoever may be lawfully entitled to receive the same, or as a court of competent jurisdiction may direct;

provided, however, that all payments in respect of the Series of Notes to be made pursuant to priorities “SECOND” through “FOURTH” of this Section 6.10 shall be made ratably to the Holders of Notes of such Series entitled thereto, without discrimination or preference, based upon the ratio of (x) the unpaid principal amount of the Notes of such Series in respect of which such payments are to be made that are held by each such Holder and (y) the unpaid principal amount of all Outstanding Notes of such Series in respect of which such payments are to be made.

Section 6.11. Waiver of Appraisal, Valuation, and Stay. To the full extent it may lawfully do so, the Issuer, for itself and for any other person who may claim through or under it, hereby:

(a) agrees that neither it nor any such person will set up, plead, claim or in any manner whatsoever take advantage of any appraisal, valuation, stay, extension or redemption laws, now or hereafter in force in any jurisdiction which may delay, prevent or otherwise hinder the performance or enforcement of this Indenture or the Notes; and

(b) waives the benefit or advantage of any appraisal, valuation, stay, extension or redemption laws, now or hereafter in force in any jurisdiction.

#### Section 6.12. Remedies Cumulative; Delay or Omission Not Waiver.

(a) Each and every right, power and remedy herein specifically given to the Trustee shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised, from time to time and as often and in such order as may be deemed expedient by the Trustee. No failure or delay on the part of the Trustee in exercising any right, power or privilege hereunder and no course of dealing of the Trustee shall impair any such right, power or privilege or operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder.

(b) No failure or delay on the part of the Issuer in exercising any right, power or privilege hereunder shall impair any such right, power or privilege or operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies expressly provided herein are cumulative and not exclusive of any rights, powers or remedies which the Issuer would otherwise have, all of which may be pursued separately, successively or concurrently by the Issuer.

### ARTICLE 7

#### ACTS OF HOLDERS

Section 7.1. Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture or the Notes to be given or taken by Holders of the relevant Series of Notes (collectively, an “Act” of such Holders, which term also shall refer to the instruments or record evidencing or embodying the same), including any Act for which a specified percentage of the principal amount of the Outstanding Notes of such Series is required, may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such percentage of Holders in person or by an agent duly appointed in writing or, alternatively, may be embodied in and evidenced by the record of Holders of Outstanding Notes of such Series voting in favor thereof, either in person or by proxies duly appointed in writing, at any meeting of Holders duly called and held in accordance with the provisions of this Article 7, or a combination of such instruments and any such record. Except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments of record are delivered to the Trustee and, when specifically required herein or under the Notes, to the Issuer. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and the Notes and conclusive in favor of the Trustee and the Issuer, if made in the manner provided in this Section 7.1. Any record of any meeting of Holders shall be proved in the manner set forth in Section 7.7 (Counting Votes and Recording Action of Meeting).

(b) Subject to the Applicable Procedures, the fact and date of the execution by any person of any such instrument or writing may be proved by the certificate of any public or other officer of any jurisdiction authorized to take acknowledgments of deeds or administer oaths that the person executing such instrument acknowledged to him the execution thereof, or by an affidavit of a witness to such execution sworn to before any such notary or other such officer, and where such execution is by an officer of a corporation, association or partnership, on behalf of such corporation, association or partnership, such certificate or affidavit shall also constitute sufficient proof of such officer's authority. The fact and date of the execution of any such instrument or writing, or the authority of the person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(c) The Trustee may rely on the Notes Register to determine the principal amount and identification details of the Outstanding Notes of either Series held by any person, and the date or dates of holding the same and the Trustee shall not be affected by notice to the contrary.

(d) Any Act by the Holder of any Note of either Series (i) shall bind every future Holder of the same Note of such Series and the Holder of every Note of such Series issued upon the transfer thereof or the exchange therefor or in lieu thereof, whether or not notation of such action is made upon such Note and (ii) shall be valid notwithstanding that such Act is taken in connection with the transfer of such Note to any other person, including the Issuer or any Affiliate thereof.

(e) Until such time as written instruments shall have been delivered with respect to the requisite percentage of principal amount of Outstanding Notes of the relevant Series for the Act contemplated by such instruments, any such instrument executed and delivered by or on behalf of a Holder of Outstanding Notes of such Series may be revoked with respect to any or all of such Notes by written notice by such Holder (or its duly appointed agent) or any subsequent Holder (or its duly appointed agent), proven in the manner in which such instrument was proven unless such instrument is by its terms expressly irrevocable. In determining whether the requisite percentage or a majority in principal amount of Holders of Outstanding Notes of the relevant Series has joined in any Act of Holders, (i) the percentage of Holders of Outstanding Notes of such Series voting and (ii) the manner in which such Holders of Notes of such Series have voted shall be as notified by the Trustee to the Issuer.

(f) Notes authenticated and delivered after any Act of Holders may, and shall if required by the Issuer, bear a notation in form approved by the Trustee as to any action taken by such Act of Holders. If the Issuer shall so determine, new Notes so modified as to conform, in the opinion of the Trustee and the Issuer, to such action, may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Notes, each at no cost to the Holders of such Notes.

(g) The Trustee shall fix a record date for the purpose of determining the Holders entitled to sign any instrument evidencing or embodying an Act of Holders. Promptly after any record date is set pursuant to this clause (g), the Issuer, at its own expense, shall cause notice of such record date to be given to the Trustee in writing and to each Holder of Outstanding Notes of the relevant Series in the manner set forth in Section 11.4(b) (Notices). Only those

persons who were Holders of such Series at such record date (or their duly appointed agents), shall be entitled to sign any such instrument evidencing or embodying an Act of Holders or to revoke any such instrument previously signed, whether or not such persons continue to be Holders after such record date. No such instrument shall be valid or effective if signed more than 90 days after such record date, and may be revoked as provided in clause (e) of this Section 7.1.

Section 7.2. Purposes for Which Holders' Meeting May Be Called. A meeting of Holders of Notes of either Series may be called at any time and from time to time pursuant to this Article 7 for any of the following purposes:

(a) to give any notice to the Issuer or to the Trustee, or to give any directions to the Trustee, or to waive or to consent to the waiving of any default hereunder and its consequences;

(b) to remove the Trustee and appoint a successor Trustee pursuant to Article 10 (The Trustee);

(c) to consent to the execution of an indenture or indentures supplemental hereto pursuant to Article 8 (Supplemental Indentures);

(d) to take any other action authorized to be taken by or on behalf of the Holders of any specified aggregate principal amount of the Outstanding Notes of such Series under any other provision of this Indenture, under the Notes, or under Applicable Law.

Section 7.3. Call of Meetings by Trustee. The Trustee may at any time call a meeting of Holders of Notes of either Series for any of the purposes set forth in Section 7.2 (Purposes for Which Holders' Meeting May Be Called) to be (i) in the Borough of Manhattan, the City of New York, (ii) by means of remote communication, including video conference or other electronic platform enabling participants to hear and communicate with each other simultaneously, or (iii) a combination of physical location and remote communication (a "hybrid meeting"), as the Trustee shall determine. Notice of every meeting of Holders, setting forth the time and place and/or means of remote communication for such meeting and in general terms the action proposed to be taken at such meeting, shall be given by the Trustee, in the manner provided in Section 11.4(b) (Notices), not less than 10 nor more than 180 days prior to the date fixed for the meeting, to the Holders of the Notes of such Series.

Section 7.4. The Issuer May Call Meeting. In case the Issuer shall have requested the Trustee to call a meeting of Holders of Notes of either Series, by written request setting forth in general terms the action proposed to be taken at the meeting, and the Trustee shall not have sent notice of such meeting within ten days after receipt of such request or shall not thereafter proceed to cause the meeting to be held as provided herein, then the Issuer may determine the time and place and/or means of remote communication in accordance with Section 7.3 for such meeting and may call such meeting to take any action authorized in Section 7.2 (Purposes for Which Holders' Meeting May Be Called) by giving notice thereof as provided in Section 11.4(b) (Notices).

Section 7.5. Persons Entitled to Vote at Meeting. To be entitled to vote at any meeting of Holders of either Series, a person shall be (a) a Holder, as of the record date for

participation in the meeting, of one or more Outstanding Notes of such Series with respect to which such meeting is being held or (b) a person appointed by an instrument in writing as proxy for the Holder or Holders of such Notes by a Holder of one or more such Notes on the record date for participation in the meeting. The only persons who shall be entitled to be present or to speak at any meeting of Holders shall be the persons entitled to vote at such meeting and their counsel and any representatives of the Trustee and its counsel and any representatives of the Issuer and its counsel.

Section 7.6. Determination of Voting Rights; Conduct and Adjournment of Meeting. (a) Notwithstanding any other provision of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of either Series, in regard to proof of the holding of Outstanding Notes of such Series and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Section 7.1 (Acts of Holders) or other proof. Except as otherwise permitted or required by any such regulations, the holding of Outstanding Notes of the relevant Series shall be proved in the manner specified in Section 7.1 (Acts of Holders) and the appointment of any proxy shall be proved in the manner specified in said Section 7.1 (Acts of Holders) or by having the signature of the person executing the proxy witnessed or guaranteed by any bank, banker, trust company or firm satisfactory to the Trustee.

(b) The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Issuer or by Holders of either Series as provided in Section 7.4 (The Issuer May Call Meeting), in which case the Issuer or the Holders of such Series calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Majority Holders of such Series represented at the meeting and entitled to vote.

(c) Subject to the provisions of Section 7.10 (Notes Owned by Certain persons Deemed Not Outstanding), at any meeting each Holder of an outstanding Note of either Series that is present or represented by proxy at such meeting shall be entitled to one vote for each \$1,000 principal amount of Outstanding Notes of such Series held or represented by it; provided, however, that no vote shall be cast or counted at any meeting in respect of any Note challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting shall have no right to vote other than by virtue of Outstanding Notes of such Series held by him or instruments in writing as aforesaid duly designating him as the person to vote on behalf of other Holders of Notes of such Series. Any meeting of Holders duly called pursuant to Section 7.3 (Call of Meetings by Trustee) or Section 7.4 (The Issuer May Call Meeting) may be adjourned from time to time, and the meeting may be held as so adjourned without further notice. At any meeting, the presence of persons holding or representing Outstanding Notes of such Series with respect to which such meeting is being held in an aggregate principal amount sufficient to take action upon the business for the transaction of which such meeting was called shall be necessary to constitute a quorum; provided, however, that if less than a quorum shall be present at any meeting, the Majority Holders of such Series

represented at the meeting may adjourn such meeting with the same effect, for all intents and purposes, as though a quorum had been present.

Section 7.7. Counting Votes and Recording Action of Meeting. The vote upon any resolution submitted to any meeting of Holders of Outstanding Notes of either Series shall be by written ballots on which shall be subscribed the signatures of the Holders of Outstanding Notes of such Series or of their representatives by proxy and the identification details and principal amounts of the Outstanding Notes of such Series held or represented by them. Such written ballots may be (i) submitted at the meeting (whether in person or by means of remote communication), or (ii) delivered to the Trustee in advance of the meeting (an “**Advance Ballot**”). Advance Ballots may be delivered to the Trustee by any of the following methods: (A) in the manner provided for delivery of notices to the Trustee under Section 11.4; (B) by such additional methods as shall be specified in the notice of meeting. Advance Ballots must be received by the Trustee no later than 12 hours prior to the time set for the meeting, unless a different deadline is specified in the notice of meeting. The notice of meeting shall include or be accompanied by a form of ballot for use by Holders wishing to submit an Advance Ballot. An Advance Ballot may be revoked by the Holder by written notice delivered to the Trustee prior to the deadline for submission of Advance Ballots, or by attending the meeting and voting directly. The permanent chairman of the meeting shall appoint two (2) inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Holders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken at such meeting and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was given as provided in Section 7.3 (Call of Meetings by Trustee). The record shall show the identification details of the Outstanding Notes voting in favor of or against any resolution. The record shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Issuer and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

Section 7.8. Evidence of Action Taken by Holders. Whenever in this Indenture or the Notes of either Series it is provided that the Holders of a specified percentage or a majority in aggregate principal amount of the Outstanding Notes of such Series may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action) the fact that at the time of taking any such action the Holders of such specified percentage or majority have joined therein may be evidenced (a) by any instrument or any number of instruments of similar tenor executed by Holders in person or by agent or proxy appointed in writing, (b) by the record of the Holders of Outstanding Notes of such Series voting in favor thereof at any meeting of Holders duly called and held in accordance with the provisions of this Article 7, or (c) by a combination of such instrument or instruments and any such record of such a meeting of Holders, and except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments and/or such record are delivered to the Trustee, and where expressly required, to the Issuer.

Section 7.9. Proof of Execution of Instruments and of Holding of Outstanding Notes. Subject to the provisions of Section 10.2 (Certain Rights of Trustee) and Section 7.6 (Determination of Voting Rights; Conduct and Adjournment of Meeting) hereof, proof of the execution of any instrument by a Holder or his agent or proxy and proof of the holding by any person of any of the Outstanding Notes of either Series shall be sufficient if made in the following manner:

(a) Subject to the Applicable Procedures, the fact and date of the execution by any such person of any instrument may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in any State within the United States, as applicable, that the person executing such instrument acknowledged to him the execution thereof, or by an affidavit of a witness to such execution sworn to before any such notary or other such officer. Where such execution is by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such certificate or affidavit shall also constitute sufficient proof of his authority. The fact and date of the execution of any such instrument may also be proved in any other manner which the Trustee may deem sufficient.

(b) The ownership of Notes of either Series may be proved by the Notes Register or by a certificate of the Notes Registrar or, for as long as the Notes of such Series are listed for trading on the TASE-UP, by a proof of ownership issued to the Holder by the respective TASE member through which the Notes of such Holder are held.

(c) If the Issuer shall solicit from the Holders of Outstanding Notes of either Series any request, demand, authorization, direction, notice, consent, waiver or other act, the Issuer shall fix in advance a record date for the determination of Holders of Outstanding Notes of such Series entitled to give such request, demand, authorization, direction, notice, consent, waiver or other act, but the Issuer shall have no obligation to do so. Such request, demand, authorization, direction, notice, consent and waiver or other act may be sought or given before or after the record date, but only the Holders of Outstanding Notes of such Series of record at the close of business on such record date shall be deemed to be the Holders of Notes of such Series for the purpose of determining whether Holders of the requisite proportion of Outstanding Notes of such Series have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other act, and for that purpose the Outstanding Notes of such Series shall be computed as of such record date.

(d) The Trustee may require such additional proof, if any, of any matter referred to in this Section 7.9 hereof as it shall deem necessary.

(e) The record of any Holders' meeting shall be proved as provided in Section 7.7 (Counting Votes and Recording Action of Meeting) hereof.

Section 7.10. Notes Owned by Certain Persons Deemed Not Outstanding. In determining whether the Holders of the requisite aggregate principal amount of Notes of either Series have concurred in any request, demand, authorization, direction, notice, consent, waiver or other act under this Indenture or the Notes of such Series, Notes of such Series which are owned by the Issuer or any of its Affiliates shall be disregarded and deemed not to be outstanding for

the purpose of any such determination except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, consent or waiver, only Notes of such Series for which a Responsible Officer of the Trustee has actually received written notice of such ownership shall be so disregarded. The Issuer shall furnish the Trustee, upon its reasonable request, with an Officers' Certificate listing and identifying all Notes of such Series, if any, known by the Issuer to be owned or held by or for the account of any of the above-described persons, and the Trustee shall be entitled to accept such Officers' Certificate as conclusive evidence of the facts therein set forth and of the fact that the Notes of such Series not listed therein are outstanding for the purpose of any such determination. Notes of either Series so owned which have been pledged in good faith may be regarded as outstanding for the purposes of this Section 7.10 if the pledgee shall establish to the satisfaction of the Trustee that the pledgee has the right to vote such Notes and that the pledgee is not an Affiliate of the Issuer. In case of a dispute as to such right, any decision by the Trustee, taken upon the advice of counsel, shall be full protection to the Trustee.

Section 7.11. Right of Revocation of Action Taken; Acts of Holders Binding. At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 7.1 (Acts of Holders), of the taking of any action by the Holders of the percentage in aggregate principal amount of the Outstanding Notes of either Series specified in this Indenture or the Notes of such Series in connection with such action, any Holder of a Note of such Series the identification details of which is shown by evidence to be included in the Outstanding Notes of such Series the Holders of which have consented to such action may, by filing written notice with the Trustee and upon proof of holding as provided in Section 7.1 (Acts of Holders), revoke such action so far as concerns such Note. Except as aforesaid, any such action taken by the Holder of any outstanding Note of such Series shall be conclusive and binding upon such Holder and upon all future Holders and owners of such Note, and of any Note issued in exchange therefor or in place thereof, irrespective of whether or not any notation in regard thereto is made upon such Note or any Notes issued in exchange therefor or in place thereof. Any action taken by the Holders of the percentage in aggregate principal amount of the Outstanding Notes of either Series specified in this Indenture in connection with such action shall be conclusively binding upon the Issuer, the Trustee and the Holders of all the Notes of such Series affected by such action.

## ARTICLE 8

### SUPPLEMENTAL INDENTURES

Section 8.1. Amendments and Supplements to Indenture Without Consent of Holders. The provisions of the Indenture applicable to the Notes of each Series may be amended or supplemented by the Issuer and the Trustee at any time and from time to time without the consent of the Holders of such Series by a Supplemental Indenture authorized by a resolution of the Board of Directors or similar governing body of the Issuer filed with, and in form satisfactory to, the Trustee, solely for one or more of the following purposes:

- (a) to cure any ambiguity, omission, defect or inconsistency;
- (b) to comply with Section 5.2 (Negative Covenants – Limitation on Consolidation, Merger or Transfer of Assets);

- (c) to add guarantees or collateral with respect to the Notes of such Series;
- (d) to add to the covenants of the Issuer for the benefit of the Holders of Notes of such Series;
- (e) to surrender any right herein conferred upon the Issuer;
- (f) to evidence and provide for the acceptance of an appointment by a successor Trustee;
- (g) to provide for the issuance of Additional Notes of such Series;
- (h) to conform the provisions of this Indenture applicable to the Notes of such Series to the “Description of the Notes” section of the Offering Memorandum of the Issuer, dated January 7, 2026; or
- (i) to make any other change that does not materially and adversely affect the rights of any Holder of such Series.

The Issuer shall provide a written direction certifying compliance with the applicable Indenture provisions for any such amendment or supplement.

**Section 8.2. Amendments and Supplements to Indenture or Notes With Consent of Holders.** Except as specified in Section 8.1 (Amendments and Supplements to Indenture Without Consent of Holders), the Issuer, when authorized by a resolution of the Board of Directors of the Issuer, and the Trustee, together, may amend this Indenture or the Notes of either Series with the consent of the Majority Holders of such Series for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or modifying in any manner the rights of the Holders of such Series under this Indenture or waiving any past default or non-compliance with any provision, provided, without the consent of the Holders of at least 90% of the aggregate principal amount of then outstanding Notes of the relevant Series, an amendment, supplement or waiver may not (with respect to any Notes of such Series held by a non-consenting Holder):

- (a) reduce the rate of or extend the time for payment of interest on such Series of Notes;
- (b) reduce the principal, or extend the Stated Maturity, of such Series of Notes;
- (c) change the Redemption Prices or time of redemption in Article 3 hereof applicable to such Series of Notes in a manner adverse to the Holder;
- (d) change the currency, or place of payment for principal of or interest on any Series of Notes;
- (e) impair the right to institute suit for the enforcement of any payment on or with respect to such Series of Notes;

(f) waive any default in payment of principal of, and interest and premium (if any) on, the Notes of such Series;

(g) reduce the principal amount of such Series of Notes whose Holders must consent to any amendment or waiver; or

(h) modify the provisions of the Indenture with respect to the ranking of such Series of Notes, in any manner adverse to the interests of the Holders thereof.

The Issuer shall mail to Holders of the relevant Series of Notes prior written notice of any amendment proposed to be adopted under this Section 8.2. After an amendment under this Section 8.2 becomes effective, the Issuer shall mail to Holders of the relevant Series of Notes a notice briefly describing such amendment. The failure to give such notice to all such Holders of such Series of Notes, or any defect therein, shall not impair or affect the validity of an amendment under this Section 8.2.

In executing any amendment, waiver or Supplemental Indenture to this Indenture or the Notes of either Series, the Trustee will be entitled to receive an Officers' Certificate and an opinion of international legal counsel of recognized standing, each stating that such amendment, waiver or Supplemental Indenture is authorized or permitted by this Indenture, that it is not inconsistent with the terms of this Indenture, and that it is valid and binding upon the Issuer in accordance with its terms.

It shall not be necessary for the consent of the Holders of the Notes of the relevant Series under this Section 8.2 to approve the particular form of any proposed amendment in respect of such Series of Notes, but it shall be sufficient if such consent approves the substance thereof.

Any change to the payment schedule of principal or the interest rate, the Stated Maturity and the currency of payment of principal or interest in respect of either Series of Notes shall also be subject to the prior approval of the TASE, to the extent required under the Applicable Procedures.

Section 8.3. Trustee Authorized to Join in Amendments and Supplements; Reliance on Counsel. The Trustee is authorized to, and shall, join with the Issuer in the execution and delivery of any Supplemental Indenture or amendment permitted by this Article 8 and in so doing shall receive and shall be fully protected in conclusively relying upon an Officers' Certificate and an Opinion of Counsel, each stating that such amendment, waiver or Supplemental Indenture is authorized or permitted by this Indenture, that it is not inconsistent with the terms of this Indenture, and that it is valid and binding upon the Issuer in accordance with its terms. The Trustee may, but shall not be obligated to, enter into any Supplemental Indenture or amendment which affects the Trustee's own rights, duties or immunities under this Indenture or the Notes. The Trustee's consent shall be obtained if any such Supplemental Indenture or amendment could adversely affect its rights.

Section 8.4. Effect of Supplemental Indentures or Amendments. Upon the execution of any Supplemental Indenture or amendment to the Notes of either Series permitted under this Article 8, this Indenture or such Notes shall be modified in accordance therewith, and

such Supplemental Indenture or amendment shall form a part of this Indenture or such Notes, as the case may be, for all purposes, and every Holder of the relevant Series of Notes therefor or thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.5. Reference in Notes to Supplemental Indentures. Notes of either Series authenticated and delivered after the execution of any Supplemental Indenture pursuant to this Article 8 may, and shall if required by the Issuer or the Trustee, bear a notation in form approved by the Issuer and the Trustee as to any matter provided for in such Supplemental Indenture and, in such case, suitable notation may be made upon Outstanding Notes after proper presentation and demand. If the Issuer or the Trustee shall so determine, new Notes of such Series so modified as to conform, in the opinion of the Issuer and the Trustee, to any such Supplemental Indenture may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Notes of such Series, each at the expense of the Issuer.

## ARTICLE 9

### SATISFACTION AND DISCHARGE

Section 9.1. Satisfaction and Discharge of Indenture. Except as set forth in Section 9.3 (Survival of Obligations), this Indenture shall be discharged and cease to be of further effect as to all Outstanding Notes of either Series and the Trustee, on written demand and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when:

(a) either:

(i) all the existing authenticated and delivered Notes of such Series (except lost, stolen or destroyed Notes of such Series which have been replaced or paid and Notes of such Series for whose payment money has been deposited in trust or segregated and held in trust by the Issuer and repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation; or

(ii) all Notes of such Series that have not been delivered to the Trustee for cancellation have become due and payable, and the Issuer has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders of such Notes of such Series, funds in amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on such Notes of such Series not already cancelled, for principal of, premium, if any, and interest on the Notes of such Series to the date of deposit together with irrevocable instructions from the Issuer directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(b) the Issuer shall have paid or caused to be paid all other sums due and payable by it hereunder in respect of such Series; and

(c) the Issuer shall have, upon its request for written acknowledgment of such satisfaction and discharge of this Indenture in respect of such Series of Notes, delivered to the

Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture in respect of such Series of Notes have been complied with provided that in giving an opinion of international counsel, counsel may rely on any Officers' Certificate as to matters of fact (including as to compliance with the foregoing paragraphs (a) and (b)).

For the avoidance of doubt, the distribution and payments to Holders prior to the maturity or the Redemption Date as set forth above will not include any present value adjustment, break cost or any other premium on such amounts. All funds that remain unclaimed for one year will be paid to the Issuer upon its written request, and thereafter Holders of the Notes of the relevant Series must look to the Issuer for payment as general creditors.

Section 9.2. Reserved.

Section 9.3. Survival of Obligations. Notwithstanding the satisfaction and discharge of this Indenture and the Notes of either Series pursuant to Section 9.1 (Satisfaction and Discharge of Indenture), the obligations of the Issuer and the Trustee under this Article 9 and under Section 2.2 (Form and Dating), Section 2.4 (Notes Registrar and Paying Agent), Section 2.5 (Paying Agent to Hold Money), Section 2.7 (Transfer and Exchange), Section 2.8 (Replacement Notes), Section 6.12 (Remedies Cumulative; Delay or Omission Not Waiver), Section 10.7 (Compensation; Reimbursement; Indemnification), Section 10.9 (Resignation and Removal; Appointment of Successor), Section 11.8 (Governing Law; Submission to Jurisdiction; Currency Indemnity), Section 11.9 (Waiver of Jury Trial), Section 11.10 (Waiver of Immunity) and Section 11.12 (Limitation of Liability) and the obligations of the Trustee under Section 9.4 (Application of Trust Money) shall survive with respect to such Series of Notes.

### THE TRUSTEE

#### Section 10.1. Certain Duties and Responsibilities of Trustee.

(a) Except during the continuance of an Event of Default with respect to the Notes of either Series:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and the Notes of such Series, and no implied covenants or obligations shall be read into this Indenture or the Notes of such Series against the Trustee; and

(ii) in the absence of negligence or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture (including, without limitation, an Officers' Certificate); provided, however, that, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any conclusions, mathematical calculations or other facts stated therein).

(b) Trustee's Duties. In case an Event of Default with respect to the Notes of either Series has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture applicable to such Series of Notes, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(c) No provision of this Indenture or the Notes of either Series shall be construed to relieve the Trustee from liability for its own negligent acts or omissions, or its own negligence or willful misconduct, except that:

(i) this clause (c) shall not be construed to limit the effect of clause (a) of this Section 10.1;

(ii) the Trustee shall not be liable for any error of judgment by one or more Responsible Officers of the Trustee, unless it shall be proved (by a non-appealable, final decision of a court of competent jurisdiction which is binding on the Trustee) that the Trustee was negligent, or engaged in willful misconduct in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Majority Holders of the

relevant Series of Notes pursuant to Section 6.1 (Events of Default), or in the case of any action taken or omitted to be taken by it in good faith in accordance with the direction of Holders of not less than 50% in principal amount of the outstanding Notes of such Series pursuant to Section 6.7 (Limitation on Suits by Holders), or for any loss or damage resulting from its actions or inactions except where such loss or damage is directly attributable to its own negligence or willful misconduct, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture or the Notes of such Series; and

(iv) no provision of this Indenture or the Notes shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have grounds for believing that repayment of such funds or indemnity against such risk or liability is not assured to it.

(d) Whether or not herein or therein expressly so provided, every provision of this Indenture and the Notes relating to the conduct or affecting the liability of or affording protection to the Trustee (and its officers, Affiliates, directors, employees, agents, successors and assigns, and including the Trustee acting in the capacity of an Agent) shall be subject to the provisions of this Section 10.1.

(e) The Trustee shall not be responsible for insuring the Issuer and shall have no responsibility for the financial, physical or other condition of the Issuer.

Section 10.2. Certain Rights of Trustee. (a) The Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, notice, other evidence of Debt or other paper or document (whether in its original or electronic form) believed by it to be genuine and to have been signed or presented by the proper party or parties.

(b) Any request or direction of the Issuer shall be sufficiently evidenced by a written instrument signed by an Authorized Officer of the Issuer, and any resolution of the Board of Directors of the Issuer, shall be sufficiently evidenced by a copy thereof certified by the secretary of the Board of Directors of the Issuer.

(c) Whenever in the administration of this Indenture or the Notes the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting to take any action hereunder or thereunder, the Trustee (unless other evidence is herein or therein specifically prescribed to be relied upon) may, in the absence of negligence or willful misconduct on its part, conclusively rely upon an Officers' Certificate.

(d) The Trustee may consult with counsel and third party advisors of its selection, at the expense of the Issuer, provided that such consultation is required at the Trustee's sole discretion, and that the expenses are reasonable, and the advice of such counsel or third party advisors or any Opinion of Counsel shall be full and complete authorization and protection

in respect of any action taken, suffered or omitted by it hereunder or under the Notes in good faith and in reliance thereon. The Trustee shall have no responsibility for the contents of any Opinion of Counsel or other opinions delivered to it. Any such advice, opinion or information may be sent or obtained by letter, email or electronic communication and the Trustee shall not be liable for acting in good faith on any advice, opinion or information purporting to be conveyed by such means even if it contains an error or is not authentic.

(e) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity (reasonably satisfactory to the Trustee) against the costs, expenses (including reasonable attorney's fees) and liabilities which might be incurred by it in compliance with such request or direction.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, notice, other evidence of Debt or other paper or document made in connection with this Indenture.

(g) The Trustee may execute any of the trusts or powers hereunder or under the Notes or perform any duties hereunder either directly or by agents or attorneys or receivers and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed in good faith by it hereunder.

(h) The Trustee shall be under no obligation to take any action which it reasonably deems discretionary under this Indenture or the Notes.

(i) The Trustee shall not incur any liability for its own action or inaction except for negligence and willful misconduct. The Trustee shall not incur any liability arising from loss of insurance, custody of assets, or from breach of obligations by the Issuer or any other Person.

(j) Unless required by Applicable Law or the express terms of this Indenture, Holders shall not have the right to compel disclosure of information made available to the Trustee in connection with this Indenture.

(k) No knowledge shall be imputed to the Trustee unless a Responsible Officer within its corporate trust department has actual knowledge or has received written notice thereof.

(l) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(m) The Trustee may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(n) Any liability of the Trustee arising under the Transaction Documents (as defined in Section 11.22) shall be limited to the amount of actual loss suffered (such loss shall be determined as of the date of default of the Trustee or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Trustee at the time of entering into the Transaction Documents, or at the time of accepting any relevant instructions, which increase the amount of the loss.

(o) The Trustee powers set forth herein shall be additional to any powers the Trustee may exercise under Applicable Law.

(p) The Trustee shall be under no obligation to monitor or supervise any other Person.

(q) The Issuer shall notify the Trustee of any claims which would implicate rights or duties of the Trustee hereunder and, upon request by the Trustee, provide the Trustee with status updates pertaining to any claims.

(r) The Trustee shall have no obligation whatsoever under this Indenture to post data or documents on its website.

(s) The Trustee should be entitled to take any action or refuse to take any action which the Trustee regards as necessary for the Trustee to comply with any Applicable Law, regulation or fiscal requirement, court order, or the rules, operating procedures or market practice of any relevant stock exchange or other market or clearing system.

(t) The Trustee shall not be liable for any action it takes or omits to take which it believes to be authorized or within its rights or powers under or in connection with this Indenture.

(u) Notwithstanding the provisions of this Indenture, the Trustee shall not be liable for any losses and/or damages suffered by any Holder caused as a result of the Trustee exercising his discretion in accordance with this Indenture unless the Trustee acted with gross negligence. In the event of a conflict between the provision of this section and another provision in this Indenture, the provision of this section shall prevail.

Section 10.3. Notice of Events of Default. (a) Within 90 days after the occurrence of any Event of Default in respect of a given Series of Notes of which a Responsible Officer of the Trustee has actual knowledge, the Trustee shall give to all Holders of such Series of Notes, in the manner provided for in Section 11.4(b) (Notices), notice of such Event of Default, unless such Event of Default shall have been cured or waived. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements herein, or of any other documents executed in connection with the Notes, or as to the existence of an Event of Default thereunder, and shall not be deemed to have notice of an Event of Default unless and until a Responsible Officer of the Trustee shall have been notified in writing in accordance with the terms hereof. The occurrence of the preceding clause shall constitute for purposes of this Indenture “actual knowledge” on behalf of the Trustee.

(b) If (i) an Event of Default in respect of either Series of Notes occurs and is continuing, (ii) the Trustee has received written notice thereof in accordance with this Section 10.3 and (iii) the Notes of such Series are admitted to trading on the TASE-UP and the Trustee has received written notice thereof, the Trustee will post or deliver to the Issuer and the TASE for the purpose of posting notice of such Event of Default on the official website of the TASE (<http://maya.tase.co.il> or any successor website thereto) within 90 days after receipt of such notice, and the Issuer undertakes to post such notice of the Trustee should the Trustee not be able to do so.

Section 10.4. Not Responsible for Recitals or Issuance of Notes. The Trustee assumes no responsibility for the correctness of the recitals, representations, warranties, and other statements contained herein and in the Notes, except the Trustee's certificate of authentication. The Trustee makes no representations and shall have no liability as to the validity, enforceability or sufficiency of this Indenture, the financial condition of the Issuer or of the Notes. The Trustee shall not be accountable for the use or application by the Issuer of the Notes or the proceeds of the issuance and sale thereof, and shall not be responsible for any statement of the Issuer in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes.

Section 10.5. May Hold Notes. The Trustee or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Notes of either Series and may deal with the Issuer, and the Issuer may deal with the Trustee, with the same rights it would have if it were not Trustee or such other agent.

Section 10.6. Monies Held in Trust. Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by Applicable Law. The Trustee shall be under no liability for interest on any money or the management of money received by it hereunder except as otherwise agreed in writing with the Issuer.

Section 10.7. Compensation; Reimbursement; Indemnification. (a) The Issuer hereby agrees:

(i) to pay to the Trustee as agreed upon from time to time in writing compensation for all services rendered by it hereunder or in connection with the Notes (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable and documented expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture or in connection with the Notes (including the reasonable compensation and the reasonable expenses and disbursements of its agents, independent consultants and counsel), except any such expense, disbursement or advance as may be attributable to the negligence or willful misconduct of the Trustee; and

(iii) to indemnify each of the Trustee and any predecessor Trustee for, and to hold them harmless against, any and all loss, liability, claim (whether asserted by

the Issuer, a Holder or any other Person), damage, or reasonable expense (including Taxes, other than Taxes based on the income of the Trustee, and the reasonable compensation and the reasonable expenses and disbursements of the Trustee's agents, independent consultants and counsel including counsel's costs of defending itself) incurred without negligence or willful misconduct on its part, as determined by a court of competent jurisdiction by a final and non-appealable judgment, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder, or the costs and expenses of enforcing this Indenture (including the indemnification obligation of the Issuer).

(b) The obligations of the Issuer under this Section 10.7 shall survive the termination of this Indenture and the resignation or removal of the Trustee.

(c) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to and shall be enforceable by, the Trustee in each of its capacities hereunder (including as any Agent if acting in such capacity) and to each agent, custodian and other Person employed to act hereunder. All indemnifications and releases from liability granted hereunder to the Trustee shall extend to its officers, directors, employees, agents, successors and permitted assigns.

Section 10.8. Eligibility. (a) There shall at all times be a Trustee hereunder which shall (a) be a bank or trust company organized and doing business under the laws of the State of Israel, (b) be authorized under such laws to exercise corporate trust powers, (c) maintain insurance up to at the least the amount of NIS 20 million; and (d) have a corporate trust office in the State of Israel, to the extent there is such an institution eligible and willing to serve. If such corporation publishes reports of condition at least annually, pursuant to Applicable Law or to the requirements of said supervising or examining authority, then for purposes of this the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 10.8 it shall resign immediately in the manner and with the effect hereinafter specified in this Article 10. None of the Issuer, any other obligor upon the Notes of either Series or any Affiliate of any entity controlled by the Issuer or any of the foregoing shall serve as Trustee hereunder.

Section 10.9. Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article 10 shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 10.10 (Acceptance of Appointment by Successor Trustee).

(b) The Trustee may resign at any time and for any reason by giving written notice thereof to the Issuer. If the instrument of acceptance by a successor Trustee required by Section 10.10 (Acceptance of Appointment by Successor Trustee) shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee

may petition, at the expense of the Issuer, any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed at any time by Act of the Majority Holders of both Series of Notes, upon notice delivered to the Trustee and the Issuer. If the instrument of acceptance by a successor Trustee required by Section 10.10 (Acceptance of Appointment by Successor Trustee) shall not have been delivered to the Trustee within 30 days after such removal, the removed Trustee may petition, at the expense of the Issuer, any court of competent jurisdiction for the appointment of a successor Trustee.

(d) If at any time any of the following shall occur:

(i) the Trustee shall cease to be eligible under Section 10.8 (Eligibility) and shall fail to resign after written request therefor by the Issuer or by any Holder of a Note;

(ii) the Trustee shall be adjudged bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation; or

(iii) the Trustee have failed to eliminate a conflicting interest or to resign as required by Section 10.13;

then, in any such case, (A) the Issuer by a resolution of its Board of Directors may remove the Trustee, or (B) any Holder who has been a bona fide Holder of a Note for at least six Months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of action, or if a vacancy shall occur in the office of Trustee for any reason, the Issuer, by a resolution of its Board of Directors, shall promptly appoint a successor Trustee and shall comply with the applicable requirements of Section 10.10 (Acceptance of Appointment by Successor Trustee). If, within 30 days after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee is appointed by Act of the Majority Holders of both Series of Notes delivered to the Issuer and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 10.10 (Acceptance of Appointment by Successor Trustee), become the successor Trustee with respect to the Notes and to that extent supersede the successor Trustee appointed by the Issuer. If no successor Trustee shall have been so appointed by the Issuer or the Holders and have accepted appointment in the manner required by Section 10.10 (Acceptance of Appointment by Successor Trustee), any Holder who has been a bona fide Holder of a Note for at least six months may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Issuer shall, at its own expense, give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to all Holders in the manner provided in Section 11.4(b) (Notices). Each notice required to be given pursuant to this

Section 10.9(f) shall include the name of the successor Trustee and the address of its principal corporate trust office.

(g) The successor Trustee will post or deliver to the Issuer and the TASE for the purpose of posting a notice of its succession on the official website of the TASE (<http://maya.tase.co.il> or any successor website thereto), and the Issuer undertakes to post such notice of the successor Trustee should the successor Trustee not be able to do so.

Section 10.10. Acceptance of Appointment by Successor Trustee. (a) In case of the appointment hereunder of a successor Trustee, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Issuer and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; provided that, on the request of the Issuer or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder or under the Notes.

(b) Upon request of the Issuer, any successor Trustee shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts under this Indenture to which the Trustee is a party.

(c) Upon request of any successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in clause (a) of this Section 10.10.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article 10,

Section 10.11. Merger, Conversion, Consolidation or Succession to Business. Any Person into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any Person succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such Person shall be otherwise qualified and eligible under this Article 10, without the execution and filing of any instrument or any further act on the part of any of the parties hereto. In case any Notes shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 10.12. Authorization to Enter into Indenture. The Trustee is hereby authorized to execute, deliver and perform on behalf of the Holders this Indenture, and each Holder agrees to be bound by all of the agreements of the Trustee contained therein.

Section 10.13. Disqualification; Conflicting Interests. If the Trustee has or shall acquire a conflicting interest within any Applicable Law, the Trustee shall (i) either eliminate such interest or resign, to the extent, within the time periods, and in the manner provided by, and subject to the provisions of, any Applicable Law and this Indenture and (ii) provide notice of such conflicting interest to the Issuer.

Section 10.14. Trustee's Application for Instructions from the Issuer. Any application by the Trustee for written instructions from the Issuer may, at the option of the Trustee, set forth in writing any action proposed to be taken or omitted by the Trustee under this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective. The Trustee shall not be liable for any action taken by, or omission of, the Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than five Business Days after the date any officer of the Issuer actually receives such application, unless any such officer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Trustee shall have received written instructions in response to such application specifying the action to be taken or omitted.

Section 10.15. Reports to the Trustee. Any report that is published on ISA's website (*Magna*) and the TASE announcement system (*MAYA*) will be considered as if reported to the Trustee and upon publication of such report, the Issuer shall be deemed to have complied with the reporting obligation to the Trustee.

Section 10.16. Confidentiality. Subject to the provisions of any law and as stated in this Indenture, the Trustee undertakes, to keep confidential any information provided to the Trustee by the Issuer, not to disclose or make any use of any information unless the disclosure is required to protect the rights of the Holders of the Notes, the performance of the Trustee's duties and enforcing the Issuer's undertakings under this Indenture.

(b) Each of the parties hereto hereby irrevocably submits to the jurisdiction of any New York state or U.S. federal court sitting in the Borough of Manhattan in The City of New York or the competent courts of its corporate domicile with respect to actions brought against it as a defendant in respect of any suit, action or proceeding or arbitral award arising out of or relating to this Indenture or the Notes of each Series or any transaction contemplated hereby or thereby, and irrevocably accepts for itself and in respect of its property, generally and unconditionally, the jurisdiction of the aforesaid courts. The Issuer agrees that a judgment in any such action or proceeding shall be conclusive and binding upon the Issuer, and may be enforced in any other jurisdiction, by a suit upon such judgment, a certified copy of which shall be conclusive evidence of the judgment. The Issuer hereby irrevocably designates, appoints and empowers Bank Hapoalim New York branch, as its designee, appointee and agent to receive, accept and acknowledge by certified mail for and on its behalf, and in respect of its property, service of any and all legal process, summons, notice and documents which may be served in any such action or proceeding. If for any reason such designee, appointee and agent shall cease to be available to act as such agent, the Issuer agrees to designate a new designee, appointee and agent on the terms and for the purposes of this provision satisfactory to the Trustee. The Issuer further irrevocably consents to the service of process out of any of the aforementioned courts in any such action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to the Issuer, at its address referred to in Section 11.4(b) (Notices), such service to become effective 30 days after such mailing. Nothing herein shall affect the right of the Trustee or any other Person to serve process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against the Issuer in any other jurisdiction.

(c) To the extent permitted by Applicable Law, the Issuer hereby irrevocably waives any objection which it may now or hereafter have to the laying of venue of any of the aforesaid actions or proceedings arising out of or in connection with this Indenture in the courts referred to in clause (b) above and hereby further irrevocably waives and agrees not to plead or claim in any such court that any such action or proceeding brought in any such court has been brought in an inconvenient forum.

(d) The Issuer agrees that, if a judgment or order given or made by any court for the payment of any amount in respect of any Note is expressed in a currency (the “judgment currency”) other than the currency (the “denomination currency”) in which such Note is denominated or in which such amount is payable, it will indemnify the relevant Holder of such Note against any deficiency arising or resulting from any variation in rates of exchange between

the date as of which the amount in the denomination currency is notionally converted into the amount in the judgment currency for the purposes of such judgment or order and the date of actual payment thereof. This indemnity will constitute a separate and independent obligation from the other obligations contained in this Indenture, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted from time to time and will continue in full force and effect notwithstanding any judgment or order for a liquidated sum or sums in respect of amounts due in respect of the relevant Note or under any such judgment or order.

(e) In the event that as a result of a decision of a court of competent jurisdiction the provisions of this Indenture shall be amended in a manner that contradicts the bylaws of the TASE that apply to the Notes of either Series that are listed on TASE-UP, the Issuer shall pursue the delisting of the Notes of such Series from TASE-UP, to the extent such delisting is required under the Applicable Procedures.

Section 11.9. WAIVER OF JURY TRIAL. EACH OF THE ISSUER AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE SECURITIES OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH OF THE ISSUER AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE MAXIMUM EXTENT PERMITTED BY LAW, PERSONAL SERVICE OF ANY SUMMONS, COMPLAINT OR OTHER PROCESS, AND AGREES THAT SERVICE THEREOF MAY BE MADE BY CERTIFIED OR REGISTERED MAIL DIRECTED TO SUCH PERSON AT SUCH PERSON'S ADDRESS FOR PURPOSES OF NOTICE HEREUNDER.

Section 11.10. Waiver of Immunity. To the extent that the Issuer has or hereafter may acquire any immunity from the jurisdiction of any court or from any legal process (whether through service or notice, attached prior to judgment, attachment in aid of execution, or otherwise) with respect to itself or its property, the Issuer hereby irrevocably waives, to the fullest extent permitted by Applicable Law, such immunity in respect of its obligations under this Indenture and, without limiting the generality of the foregoing, agrees that the waivers set forth in this Section 11.10 shall have the fullest scope permitted under the Foreign Sovereign Immunities Act of 1976 of the United States and are intended to be irrevocable for the purposes of such Act.

Section 11.11. Legal Holidays. If any date for the payment of principal of Additional Amounts (if any) or interest on the Notes is not a Business Day, such payment shall be due on the first Business Day thereafter.

Section 11.12. Limitation of Liability. (a) The obligations of the Issuer under this Indenture and the Notes are solely the obligations of the Issuer and no recourse shall be had against any employee, officer, director, Affiliate, agent or servant of the Issuer with respect to the Notes or this Indenture, any of the obligations of the Issuer hereunder or thereunder or any obligation of the Issuer for the payment of any amount payable hereunder or thereunder for any claim based on, arising out of or relating to the Notes or this Indenture.

(b) Anything in this Indenture to the contrary notwithstanding, in no event shall the Trustee or any Agent (or their respective officers, directors, employees, agents, successors and permitted assigns) be liable under or in connection with this Indenture for any special, punitive, indirect or consequential loss or damage of any kind whatsoever, including lost profits, loss of goodwill, reputation, business opportunity, or anticipated saving whether or not the likelihood of such loss or damage was known to the Trustee or any Agent and regardless of the form of action.

Section 11.14. Entire Agreement. This Indenture, together with any other agreements executed in connection herewith, is intended by the parties hereto as a final expression of their agreement as to the matters covered hereby and is intended as a complete and exclusive statement of the terms and conditions hereof.

Section 11.15. Survival. The representations and warranties of the Issuer contained herein shall survive the execution and delivery of this Indenture.

Section 11.16. Officers' Certificates and Opinions of Counsel. (a) Except as otherwise expressly provided in this Indenture, upon any application or request by the Issuer to the Trustee that the Trustee take any action under any provision of this Indenture, the Issuer shall furnish to the Trustee an Officers' Certificate of the Issuer (and the Trustee may conclusively rely on such Officers' Certificate) stating that all conditions precedent (if any) provided for in this Indenture relating to the proposed action have been complied with, and an Opinion of Counsel stating that in the opinion of such counsel all such conditions precedent (if any) have been complied with; provided, however, that, in the case of any particular application or request as to which the furnishing of documents, certificates or opinions is specifically required by any provision of this Indenture relating to such particular application or request, no additional certificate or opinion need be furnished. The Trustee shall not be liable for any such action it takes or omits to take (i) in reliance on such Officers' Certificate or Opinion of Counsel, or (ii) as a result of not having received such Officers' Certificate or Opinion of Counsel as of the time of its action or omission.

(b) Every certificate with respect to compliance with a condition or covenant provided for in this Indenture shall include:

individual to express an informed opinion as to whether such covenant or condition has been complied with; and

(iv) a statement as to whether, in the opinion of each such Authorized Officer, such condition or covenant has been complied with.

Section 11.17. Form of Certificates and Opinions Delivered to Trustee. (a) In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons may certify or give an opinion as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents. Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but shall not be required to, be consolidated and form one instrument.

(b) Any Officers' Certificate or opinion of an Authorized Officer of any Person may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows or has reason to believe that the certificate or opinion of or representations by such counsel with respect to the matters upon which such Officers' Certificate or opinion of such officer is based are erroneous.

(c) Any certificate of counsel or Opinion of Counsel may be based, insofar as it relates to factual matters or information which is in the possession of any Person, upon a certificate or opinion of, or representations by, an Authorized Officer of such Person. Any Opinion of Counsel stated to be based on another Opinion of Counsel shall be accompanied by such other Opinion of Counsel.

Patriot Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each Person or legal entity that establishes a relationship or opens an account with the Trustee.
