Explanations:

1. If the change affects more than one security, the impact of the change must be detailed in a separate line for each security.
2. Date of the change – all changes of the same type, in the same security, carried out on the same day, will be summarized in one line. For this matter – changes carried out via the stock exchange clearing house must be separated from changes carried out directly in the company’s books.
3. The change – for a decrease, the sign “-” must be added.
4. In all quantity fields, the quantity of securities must be filled in and not NIS par value.

There was a change only in the register of the corporation’s security holders (**without a change in the quantity of the corporation’s securities**) as a result of:

Description of the nature of the change _____

Explanation: The full details of the transaction or action that caused a change in the register must be described.
