TASE Index Manager Decisions

Special Factor for Rimon and Epitomee Medical

1. Rimon shares (IL0011787228): A 50% factor from its original factor as of March 3rd, 2022 will be set in the following Indices: TA-SME60, TA-RealEstate and TA-Construction Index.

Reasoning: Coverage-Availability number of days significantly exceeds 30 average trading days, therefore, a gradual factor increase is required.

2. Epitomee Medical shares (IL0011825911): A gradual addition to TASE Indices TA-Growth and TA-Biomed will be implemented as follows:
 - March 2022 Rebalance – 40% of calculated factor
 - April 2022 Rebalance – 70% calculated factor
 - May 2022 Rebalance – 100% calculated factor

Reasoning: Coverage-Availability number of days significantly exceeds 30 average trading days, therefore, a gradual factor increase is required.

Kind Regards,

(-)
