Explanatory Note

The report on Form 6-K originally filed by SaverOne 2014 Ltd. (the “Company”) on February 18, 2025 (the “Original 6-K Report”) is hereby being amended (the “Amended 6-K”) *solely* to more accurately reflect the operative effect of the change in ratio of American Depositary Shares (“ADS”) in terms of a reverse stock split of the ADSs. The change in the ADS ratio will have the same effect as a 1-for-13.333333 reverse stock split, as compared to the 1-for-13.33 as reported in the Original 6-K Report. Except as hereby modified no other revisions have been made to the Original 6-K Report. The full text of the Original 6-K Report, as hereby amended, is set forth below in this Amended 6-K.

CONTENTS

SaverOne 2014 Ltd. (the “Company” or the “Registrant”) is planning to effect a change in the ratio of its American Depositary Shares (“ADSs”) from the current ADS ratio of one (1) ADS representing ninety (90) ordinary shares to one (1) ADS representing one thousand (1,200) ordinary shares. The primary purpose of the change of the ADS ratio is for the Company to regain compliance with a minimum bid price of \$1.00 per share for continued listing on the Nasdaq Capital Market (“Nasdaq”), as set forth in Nasdaq Listing Rule 5550(a)(2) (the “Minimum Bid Requirement”). The change in ADS ratio will have the same effect as a 1-for-13.333333 reverse stock split of the ADSs.

The Company is expected to begin trading on the new ADS ratio upon the opening of the market on February 21, 2025 (the “Effective Date”). The exchange of every 13.333333 then-held (existing) ADSs for one (1) new ADS will occur automatically on the Effective Date, with the then-held ADSs being canceled and new ADSs being issued by the BNY Mellon, the depositary bank (the “Depository”).

The Company’s ADSs will continue to trade on Nasdaq under the same trading symbol “SVRE,” but with a new CUSIP number. The Company’s ordinary shares, which are not affected by the change, will continue to trade on the Tel Aviv Stock Exchange.

Proportionate adjustments will be made to the exercise prices and the number of ordinary shares represented by ADS underlying the Company's outstanding equity awards, convertible notes, and warrants, as applicable. The ordinary shares of the Company will not be affected by this change in the ADS ratio; no Shares will be issued or canceled in connection with the changes of the ADS ratio and holders of the Company's Shares will be unaffected by the new exchange ratio for ADSs.

No fractional new ADSs will be issued in connection with the change of the ADS ratio. Instead, fractional entitlements to new ADSs will be aggregated and sold by the Depositary and the net cash proceeds from the sale of the fractional ADS entitlements (after deduction of fees, taxes and expenses) will be distributed to the applicable ADS holders by the Depositary. As a result of the change of the ADS ratio, the Company's ADS trading price is expected to increase proportionally, enhancing the suitability of the ADSs for trading on the Nasdaq, although the Company can give no assurance that the ADS trading price after the change of the ADS ratio will be equal to or greater than eighteen times the ADS trading price before the change.

Forward-Looking Statements

Certain statements in this current report are forward-looking within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements include, but are not limited to, statements regarding our ability to regain compliance with the Minimum Bid Requirement for continued listing on Nasdaq and other statements that are not statements of historical fact, and may be identified by words such as "believe," "contemplate," "could," "estimate," "expect," "intend," "seek," "may," "might," "plan," "potential," "predict," "project," "target," "aim," "should," "will" "would," or the negative of these words or other similar expressions, although not all forward-looking statements contain these words. Forward-looking statements are based on the Company's current expectations and are subject to inherent uncertainties, risks and assumptions that are difficult to predict. Further, certain forward-looking statements are based on assumptions as to future events that may not prove to be accurate. Factors that could cause actual results to differ materially from those expressed or implied in such forward-looking statements include but are not limited to, the risks detailed in the Company's Annual Report on Form 20-F filed with the U.S. Securities and Exchange Commission (the "SEC") on March 25, 2024 and in subsequent filings with the SEC. Forward-looking statements contained in this current report are made as of this date, and the Company undertakes no duty to update such information except as required under applicable law.

Incorporation by Reference
