Dear Sir and Madam,

Re: **Immediate Report**

In reference to the Company's Presentation [Company's immediate report dated July 29, 2024, as filed with the Magna distribution system, reference No. 2024-01-080626, and which is included herein by reference], the Company wishes to update, that it will hold this coming Wednesday, July 31, 2024, at 10:00 AM an update call (based on the Presentation), to be conducted in the format of a Webinar with the participation of the Company's management.

You can join the Webinar at the link below - <https://us02web.zoom.us/j/81990893383>.

A recording of the Webinar will be available on the Company's website at: <https://savoreat.com/ir/>.

It should be clarified that the update call does not replace the need to review the Company's immediate and periodic reports (which also include "forward-looking statements" in accordance with Section 32A of the Israeli Securities Law, 5778 – 1968.

**About SavorEat Ltd.**

SavorEat is developing a technological platform that enables the manufacturing of various types of food products through advanced digital production and cooking, the purpose of which is to provide the consumer with a unique and personalized eating experience for his preferences on-site at the catering place.

**About the 'Robot-Chef' (Type 2:0)**

The 'Robot-Chef' System is a hi-tech integrated unit for advanced digital production (with 3D printing capabilities) and for cooking (including roasting) food products, using an integral heating unit. The System enables the autonomous simultaneous systematic and automatic on-site production of food products, without human interfering, at the catering point (the place where the unit is placed).

**About the Company's Food Products**

The Company has completed the development of a series of plant-based meat substitutes food products, such as beef hamburger, turkey patty and ham (pork) sausage. The Company is examining the development of additional food products, which are not in the category of meat substitutes, and the development of food products that are not necessarily plant-based and that may include components of animal origin.

Respectfully,  
SavorEat Ltd.
