Free Text:

In response to publications in the media dated January 11, 2026, the company wishes to update that it received from institutional investors initial and non-binding proposals for the sale of part of the rights as a limited partner in a partnership (without controlling rights) which is wholly (indirectly) owned by the company (the "partnership"), and which holds projects in commercial operation with a fixed tariff for the sale of electricity.

It should be emphasized that as of the date of this report, there is no certainty that such proposals will materialize into a binding transaction (which, if reached, is expected to include conditions precedent to its completion), nor is there any certainty regarding the final terms of such a transaction including, among other things, the value of the partnership and the completion of the transaction.
