(Incorporated in Malaysia)

FOR IMMEDIATE RELEASE

HEXTAR CAPITAL BERHAD'S SUBSIDIARY SECURES RM60.4 MILLION SUBCONTRACT FOR "MENAIKTARAF EMPANGAN TIMAH TASOH FASA 3: PEMBINAAN BAN PERLINDUNGAN L5, L6 DAN L7 SERTA KERJA-KERJA BERKAITAN (PAKEJ 3)" PROJECT ("THE TIMAH TASOH PROJECT")

Shah Alam, 8 June 2026 – Hextar Capital Berhad ("**HCB**" or "**the Company**") is pleased to announce that its subsidiary, Legacy Core Sdn Bhd (formerly known as Civispace Sdn Bhd) ("**Legacy Core**"), has been awarded a subcontract for the Timah Tasoh project in Perlis with a contract value of RM60.4 million.

Jati Segera Sdn Bhd ("**Jati Segera**"), via a Letter of Award dated 8 June 2026, appointed Legacy Core to undertake the balance upgrading works of the Timah Tasoh dam in Perlis, environmental protection and enhancement, piling and construction of protection bunds L5, L6 and L7 and related construction work for the Timah Tasoh project. The project is scheduled to commence on 9 June 2026 and is expected to be completed by 15 June 2027, with a total contract duration of about 12 months.

The contract is expected to contribute positively to the Group's earnings for the financial year ending 31 December 2026 and throughout the duration of the project.

Johnson Chang, Managing Director of HCB said that the award, reflecting HCB's commitment in delivering excellent and reliable construction services, marks yet another significant milestone for the Company and a recognition of Legacy Core's capability and growing presence in the construction industry:

"We are indeed honoured to have been appointed by Jati Segera and we are confident in the efficient and quality delivery of the project. Whilst we are dedicated to contribute to the country's infrastructure development, we look forward to work closely with the project stakeholders to achieve the successful completion of the project." he said, "HCB, via Legacy Core, shall continue to focus on building its order book and pursuing strategic opportunities, enhancing value for its stakeholders."

About HCB

HCB was incorporated in Malaysia in November 1994 as a private limited company and was listed on the MESDAQ Market of Bursa Malaysia Securities Berhad in December 2003. Today, HCB is a diversified company with operations spanning manufacturing, engineering services and trading, telecommunication network infrastructure solutions, power generation and transmission, construction and project management as well as money lending. Through its subsidiaries and associates, HCB plays a pivotal role in driving advancements in digital connectivity and energy solutions. The Company is dedicated to delivering innovative and sustainable solutions across its business segments, creating value for stakeholders while contributing to Malaysia's infrastructure and economic growth.
