TAT Technologies Ltd. shares to be Dual Listed on TASE

GEDERA, Israel, August 11, 2005/PRNewswire-FirstCall/- TAT Technologies Limited (NASDAQ: TATTF-News) today announced that the Tel-Aviv Stock Exchange has approved its request to dual-list its shares on the Tel Aviv Stock Exchange (TASE). The Company shares will begin trading on the TASE on Tuesday, August 16, 2005.

"By listing on the TASE, our shares will become accessible to Israeli institutions and individuals who currently do not trade shares in the U.S. because of various restrictions, costs or time differences. Another advantage of a dual listing is a longer trading day. We believe this will expand our trading volume significantly, increasing the liquidity of our shares," said Mr. Israel Ofen, TAT Technologies' CFO.

TAT Technologies Ltd. together with its subsidiaries, is principally engaged in the manufacture, repair and overhaul of heat transfer equipment, such as heat exchangers, precoolers and oil/fuel hydraulic coolers used in aircraft, defense systems, electronic equipment and other applications. In addition the Company manufactures and overhauls aircraft accessories and systems such as APU's, Landing Gears, Propellers, Pumps, Valves, Power Systems, Turbines, etc.
