March 6, 2006

**TAT Technologies awarded New Contract of \$2,000,000 from U.S. Aircraft  
Manufacturer**

Gedera, Israel-March 6, 2006/PRNewswire/ – TAT Technologies limited (NASDAQ/NMS: TATTF, TATWF), which is engaged in the manufacturing, repairs and overhauls of heat transfer equipment and other various accessories, mainly used in aircraft, reported today that the Company, through its wholly owned subsidiary in the United States, Limco-Airepair, has received an order amounting to about \$2,000,000 for cooling systems from a leading aircraft manufacturer in the United States.

The deliveries will be through 2008. The Company expects to receive additional orders after completion of the current order.

TAT, together with its subsidiaries, is principally engaged in the manufacture, repair and overhaul of heat transfer equipment, such as heat exchangers, precoolers and oil/fuel hydraulic coolers used in aircraft, defense systems, electronic equipment and other applications. In addition the company manufactures and overhauls aircraft accessories and systems such as pumps, valves, Power Systems, Turbines, etc.
