TAT Technologies announces payment of cash dividend

Gedera, Israel-September 5, 2007/PRNewswire/ – TAT Technologies limited (NASDAQ/NMS: TATTF) announced today that it will pay a cash dividend to each of its shareholders of record on October 16, 2007. Each shareholder will be entitled to receive \$0.40 per share, pre-withholding tax of 20% which will be paid on approximately November 5, 2007. The Company believes that its capital resources are sufficient to continue to expand and grow its business after the payment of this dividend to its shareholders, which will total approximately \$ 2,617,000.

TAT, together with its subsidiaries, is principally engaged in the manufacture, repair and overhaul of heat transfer equipment, such as heat exchangers, precoolers and oil/fuel hydraulic coolers used in aircraft, defense systems, electronic equipment and other applications. In addition the company manufactures and overhauls aircraft accessories and systems such as pumps, valves, power systems, turbines, etc.
