An affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting thereon, is required to approve the election of the nominees for director and each of the proposals, except as otherwise stated in the proposal.

ELECTION OF DIRECTORS (ITEM 1 ON THE PROXY CARD)

Our articles of association provide for a Board of Directors consisting of no less than two and no more than eleven members. Our Board of Directors is currently composed of six directors, including two outside directors appointed in accordance with the Israeli Companies Law (see Item 2 below regarding outside directors). Our directors, other than our outside directors, are elected at each annual meeting of shareholders. All the members of our Board of Directors (except the outside directors) may be reelected upon completion of their term of office.

In January 2008, following a change in the control of our company in December 2007 eight new directors were elected by our Board of Directors, including Mr. Giora Inbar, who was appointed as the Chairman of our Board of Directors. At such time, the former Chairman of our Board of Directors, Mr. Shlomo Ostersetzer, the former Vice Chairman of our Board of Directors and Chief Executive Officer, Mr. Dov Zeelim, and five other directors resigned from our Board of Directors. In June 2008, our Board of Directors determined to streamline composition of our Board of Directors, and Messrs. Mordechai Bones, Shimon Barkama, Meir Dvir, Amiram Eliasaf and Golan Kashi resigned from our Board effective as of July 1, 2008.

At the Meeting, shareholders are being asked to elect the following current directors, Messrs. Giora Inbar, Avraham Ortal and Eran Saar and Ms. Daniela Yaron-Zoller, to hold office until our 2009 Annual General Meeting of Shareholders and until their successors are elected and qualified. All of the directors standing for election at the Meeting were elected to serve in such capacity by our Board of Directors in January 2008.

Under the Israeli Companies Law the board of directors of a public company is required to determine the minimum number of directors with ``accounting and financial expertise'' who will serve on the board. Our Board of Directors determined that at least two directors must have ``accounting and financial expertise,'' as such term is defined by regulations promulgated under the Israeli Companies Law.

<PAGE>

We are a "controlled company" within the meaning of the NASDAQ Marketplace Rules, since TAT Industries Ltd., or TAT Industries, holds more than 50% of our voting power. As such, we are exempt from the NASDAQ Marketplace Rules requirement that a majority of a company's Board of Directors must qualify as independent directors within the meaning of the NASDAQ Marketplace Rules. We are also exempt from the NASDAQ Marketplace Rules requirement regarding the process for the nomination of directors; instead, we follow Israeli law and practice in accordance with which directors are proposed by the Board of Directors and elected by the shareholders, unless otherwise provided in a company's articles of association. Our articles of association do not provide otherwise. Our practice has been that our director nominees are presented in our proxy statement for election at our annual meetings of shareholders.

Under the Israeli Companies Law, the affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting thereon, is required to elect each of the nominees named above. The vote for each of the nominees for director will be separate.

Set forth below is information about each nominee, including age, position(s) held with the company, principal occupation, business history and other directorships held. There was no change in the information below with respect to the four directors, from the information provided in our Annual Report on Form 20-F filed with the Securities and Exchange Commission on June 30, 2008.

RELATED PARTY TRANSACTIONS

MANAGEMENT AND SERVICES AGREEMENT

In February 2000, we entered into an agreement with TAT Industries, our controlling shareholder, to purchase its operations relating to the manufacture of aviation accessories and for the lease of certain real estate and buildings. Pursuant to the terms of this agreement, all of the employees of TAT Industries were transferred to us effective January 1, 2000, without any change in the conditions of their employment. TAT Industries pays us \$50,000 per year for administrative and accounting personnel and secretarial staff, who served as employees of TAT Industries before they were transferred to us and who continue to provide such services.

In addition, pursuant to the terms of the agreement, we entered into a lease agreement, pursuant to which we lease from TAT Industries, effective as of January 1, 2000, an area of approximately 329,000 square feet, including 90,000 square feet of manufacturing, office and storage space, for a period of 24 years and eleven months. In consideration for the lease agreement, we agreed to pay TAT Industries an annual rental fee of \$300,000, with an additional incremental payment of 2% per year, such rental fee is subject to revaluation every fifth year. In 2006, the rental fee was revaluated by a real estate appraiser, and as a result the base fee was increased to \$316,200 per year. The rental fee will be revaluated again in 2010.

ELECTION OF OUTSIDE DIRECTOR (ITEM 2 ON THE PROXY CARD)

Under the Israeli Companies Law, companies incorporated under the laws of the State of Israel whose shares have been offered to the public are required to appoint at least two outside directors. The Israeli Companies Law provides that a person may not be appointed as an outside director if the person, or the person's relative, partner, employer or an entity under that person's control, has or had during the two years preceding the date of appointment any affiliation with the company, or any entity controlling, controlled by or under common control with the company. The term "relative" means a spouse, sibling, parent, grandparent, child or child of spouse or spouse of any of the above. The term affiliation includes an employment relationship; a business or professional relationship maintained on a regular basis; control; and service as an officer holder, (excluding service as an outside director of a company that is offering its shares to the public for the first time).

In addition, no person may serve as an outside director if the person's position or other activities create, or may create, a conflict of interest with the person's responsibilities as director or may otherwise interfere with the person's ability to serve as director. If, at the time an outside director is appointed all members of the board of directors are of the same gender, then that outside director must be of the other gender. A director of one company may not be appointed as an outside director of another company if a director of the other company is acting as an outside director of the first company at such time.

At least one of the outside directors elected must have "accounting and financial expertise" and any other outside director must have "accounting and financial expertise" or "professional qualification," as such terms are defined by regulations promulgated under the Israeli Companies Law.

<PAGE>

Any committee of the board of directors must include at least one outside director and the audit committee must include all of the outside directors. An outside director is entitled to compensation as provided in regulations adopted under the Israeli Companies Law and is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with such service.

Outside directors are elected by shareholders by a special majority. In general, outside directors serve for a three-year term, which may be renewed for only one additional three-year term. Outside directors can be removed from office only by the same special percentage of shareholders as can elect them, or by a court, and then only if the outside directors cease to meet the statutory qualifications with respect to their appointment or if they violate their duty of loyalty to the company.

Messrs. Michael Shevi and Rami Daniel were reelected to serve as outside directors of our company at our 2007 annual general meeting of shareholders for a second three-year term expiring at 2010 annual general meeting of shareholders, following which the service of Messrs. Shevi and Daniel as outside directors may not be extended. On July 1, 2008, Mr. Shevi informed us that effective as of the election of his successor he will resign as our outside director due to other commitments.

Accordingly, at the Meeting, shareholders will be asked to elect Mr. Avi Shani as an outside director of our company for an initial three-year term expiring at our 2011 annual general meeting of shareholders.

MR. SHANI (60) has served as Senior Vice President of Business Development and Chief Economist of IDB Development Corporation from July 2000 to October 2004. From February 2005 until February 2008, Mr. Shani served as the Chief Executive Officer of TCM Mobile. Mr. Shani serves as a member of the Board of Directors of Pesagot-Gadish Provident Fund, Calanit - Carmon Ltd. and Clal Finance Hedge Funds. Mr. Shani holds a B.A. degree in Economics and an M.B.A. from the Tel-Aviv University.

Our Board of Directors has determined that Messrs. Daniel and Shani each qualifies as an outside director within the meaning of the Israeli Companies Law. Our Board of Directors has further determined that Mr. Daniel and Mr. Shani have accounting and financial expertise, as such terms are defined by regulations promulgated under the Israeli Companies Law.

The election of the nominee for outside director requires the affirmative vote of a majority of ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting on the matter, provided that either (i) the shares voting in favor of such resolution include at least one-third of the shares of non-controlling shareholders who vote on the matter (excluding the vote of abstaining shareholders), or (ii) the total shareholdings of the non-controlling shareholders who vote against such proposal do not represent more than 1% of the voting rights in our company.

We are not aware of any reason why the nominee, if elected, would be unable or unwilling to serve as an outside director. In the event that the named nominee for outside director would be unable to serve, the proxies will be voted for the election of such other person as shall be nominated by our Board of Directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF THE NOMINEE FOR OUTSIDE DIRECTOR.

APPROVAL OF AN AGREEMENT WITH TAT INDUSTRIES OUR CONTROLLING SHAREHOLDER,
FOR THE PURCHASE OF SHARES OF BENTAL INDUSTRIES LTD.
(ITEM 3 ON THE PROXY CARD)

Under the Israeli Companies Law, the terms of an extraordinary transaction with a controlling shareholder must be approved by the audit committee, board of directors and the general meeting of shareholders.

On March 27, 2008, we entered into an agreement with Bental Investments Cooperative Agricultural Society Ltd., or Bental Investments, to purchase from it 27% of the outstanding shares of Bental Industries Ltd., or Bental Industries, an Israeli company that specializes in innovative motion technologies for military and aviation and a leading supplier in its field to Israel's defense industries. In consideration for such ownership interest, we agreed to pay \$3,375,000 upon consummation of the transaction. In addition, Bental Investments agreed to grant us a call option to purchase an additional 18% of the outstanding shares of Bental Industries held by it, in up to four installments, in consideration of \$2,250,000. The consideration for the option shares will bear interest of 2% per annum. The call option will be valid for a period of four years commencing as of January 1, 2009. We agreed to grant to Bental Investments a put option in the amount of \$2,137,500, valid for a period of two years as of January 1, 2011. We agreed that for the foregoing amounts, the exchange rate of the U.S. dollar to the NIS will range between \$1=NIS 3.70-3.95. If the exchange rate is less than NIS 3.70, then the foregoing amounts will be increased proportionately, if the rate is more than NIS 3.95 then the amounts will be decreased proportionately and if the exchange rate is within the above range, the amounts will remain intact. In the event that during the three year period following the closing of the transaction we consummate an "exit," as such term is defined in the agreement, Bental Investments will be entitled to additional consideration for the shares and call option shares (if purchased) equal to a certain percentage of the difference between the price per share that we paid for such shares and the price per share paid in the exit transaction (30% if the exit is within one year of the closing, 20% if the exit is within two years of the closing and 10% if the exit is within three years of the closing). On April 15, 2008, we entered into an agreement to purchase an additional 10% of the outstanding shares of Bental Industries from Mivtach Shamir Investments (1993) Ltd., or Mivtach, in consideration for \$1,225,000. We agreed that the exchange rate of the dollar to the NIS will range between \$1=NIS 3.70-3.95, as described above.

The foregoing transactions with Bental Investments and Mivtach were consummated on May 21, 2008, as a result of which we currently hold 37% of the outstanding shares of Bental Industries and a call option to purchase an additional 18% of the outstanding shares of Bental Industries.

Our Audit Committee and Board of Directors have approved, subject to shareholder approval, our entering into an agreement with TAT Industries, our parent company, for the purchase of 15% of the outstanding ordinary shares of Bental Industries, which are held by it, in consideration for \$1,837,500. The price per share and the exchange rate of the dollar to the NIS are the same as the price per share and the exchange rate in the third party transactions we entered into with the unrelated parties as described above.

Our Audit Committee and Board of Directors believe that the terms of the agreement with TAT Industries are comparable to terms of the share purchase agreements we have entered into with the unrelated parties as described above and are at arm's length, and that entering into such agreement is in our best interest.

It is therefore proposed that at the Meeting the shareholders adopt the following resolution:

"RESOLVED, to approve the agreement with TAT Industries for the purchase of 15% of the outstanding ordinary shares of Bental Industries, held by it in consideration for \$1,837,500."

Pursuant to the Israeli Companies Law, the affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting thereon, is required to approve the foregoing resolution, provided that either (i) the shares voting in favor of such resolution (excluding the vote of abstaining shareholders) include at least one-third of the non-interested shareholders with respect to such proposal represented and voting on the matter, or (ii) the total shareholdings of the non-interested shareholders with respect to such proposal who vote against the resolution (excluding the vote of abstaining shareholders) must not represent more than 1% of the voting rights in our company. Under the Israeli Companies Law, a "personal interest" (i) includes the personal interest of a relative of the shareholder (including spouse thereof); (ii) includes the personal interest of a corporation in which the shareholder or relative (including spouse thereof) serves as a director or the chief executive officer, owns at least 5% of the shares, or has the right to appoint a director or the chief executive officer; and (iii) excludes an interest arising solely from the ownership of the company's ordinary shares. In the proxy card attached to this proxy statement you will be asked to indicate whether you have a personal interest in this transaction.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE FOREGOING RESOLUTION.

APPOINTMENT OF AUDITORS
(ITEM 4 ON THE PROXY CARD)

We first appointed Baker Tilly Oren Horowitz & Co., C.P.A., members of Baker Tilly International, as our independent auditors in 2006. Baker Tilly Oren Horowitz & Co., C.P.A. has no relationship with us or any of our affiliates except as auditors.

At the Meeting, shareholders will be asked to ratify and approve the re-appointment of Baker Tilly Oren Horowitz & Co., C.P.A. as our independent registered public accountants for the fiscal year ending 2008, pursuant to the recommendation of our Audit Committee and Board of Directors. As a result of Baker Tilly Oren Horowitz & Co., C.P.A. familiarity with our operations and its reputation in the auditing field, our Audit Committee and Board of Directors believe that Baker Tilly Oren Horowitz & Co., C.P.A. has the necessary personnel, professional qualifications and independence to act as our independent registered public accountants.

At the Meeting, shareholders will also be asked to authorize our Board of Directors to delegate to our Audit Committee the authority to determine the remuneration of our independent auditors according to the volume and nature of their services. With respect to fiscal year 2007, we paid Baker Tilly Oren Horowitz & Co., C.P.A., approximately \$437,389 for audit services, \$52,000 for audit-related services and \$12,500 for tax-related services.

"RESOLVED, that the appointment of Baker Tilly Oren Horowitz & Co., C.P.A., members of Baker Tilly International, as the independent public accountants of the Company to conduct the annual audit of our financial statements for the year ending December 31, 2008, be and hereby is ratified and approved, and it is further resolved, that the Board of Directors be, and it hereby is, authorized to delegate to the Audit Committee of the Board if Directors the authority to determine the remuneration of such auditors in accordance with the volume and nature of their services."

The affirmative vote of the holders of a majority of the ordinary shares, represented at the Meeting in person or by proxy, entitled to vote and voting thereon, is required to approve the foregoing resolution.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE FOREGOING RESOLUTION.

AUDIT COMMITTEE PRE-APPROVAL POLICIES AND PROCEDURES

Our Audit Committee has adopted a policy and procedures for the pre-approval of audit and non-audit services rendered by our independent public accountants. Pre-approval of an audit or non-audit service may be given as a general pre-approval, as part of the audit committee's approval of the scope of the engagement of our independent auditor, or on an individual basis. The policy prohibits retention of the independent public accountants to perform the prohibited non-audit functions defined in Section 201 of the Sarbanes-Oxley Act and the rules of the Securities and Exchange Commission, and also requires the audit committee to consider whether proposed services are compatible with the independence of the public accountants.
