ELECTION OF DIRECTORS

(Item 1 on the Proxy Card)

Our articles of association provide for a Board of Directors consisting of no less than two and no more than eleven members. Our Board of Directors is currently composed of six directors, including two outside directors appointed in accordance with the Israeli Companies Law. Our directors, other than our outside directors, are elected at each annual meeting of shareholders. All the members of our Board of Directors (except the outside directors) may be reelected upon completion of their term of office. The two outside directors of the Company shall continue to serve in their office in accordance with the Israeli Companies Law.

At the Meeting, shareholders are being asked to reelect the following current directors, Messrs. Giora Inbar, Eran Saar and Jan H. Loeb and Ms. Daniela Yaron-Zoller, to hold office until our 2010 Annual General Meeting of Shareholders and until their successors are elected and qualified.

Under the Israeli Companies Law the board of directors of a public company is required to determine the minimum number of directors with "accounting and financial expertise" who will serve on the board. Our Board of Directors determined that at least two directors must have "accounting and financial expertise," as such term is defined by regulations promulgated under the Israeli Companies Law. The Board of Directors determined that Messrs. Eran Saar, Jan H. Loeb and Ms. Daniela Yaron-Zoller, and the two outside directors have "accounting and financial expertise". Furthermore, our Board of Directors determined that Mr. Jan H. Loeb is an "independent" director within the meaning of this term under the Israeli Companies Law, (1999), in addition to the two outside directors.

We are a “controlled company” within the meaning of the NASDAQ Marketplace Rules. As such, we are exempt from the NASDAQ Marketplace Rules requirement that a majority of a company’s Board of Directors must qualify as independent directors within the meaning of the NASDAQ Marketplace Rules. We are also exempt from the NASDAQ Marketplace Rules requirement regarding the process for the nomination of directors; instead, we follow Israeli law and practice in accordance with which directors are proposed by the Board of Directors and elected by the shareholders, unless otherwise provided in a company’s articles of association. Our articles of association do not provide otherwise. Our practice has been that our director nominees are presented in our proxy statement for election at our annual meetings of shareholders.

Under the Israeli Companies Law, the affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting thereon, is required to reelect each of the nominees named above. The vote for each of the nominees for director will be separate.
