Number of shares of non-controlling shareholders voted in favor of the resolution – 651,747.

The percentage of non- controlling shares who voted in favor of the resolution out of all the non-controlling shares voted on the matter was approximately 98.27% .

In counting the votes cast with respect to the matters in sections 7-10 above, the Company did not consider votes of shareholders who did not indicate whether they had personal interest in the transaction or not. In addition, in some circumstances the Company could not determine whether shareholders who indicated they had a personal interest voted against or for the transaction. In these circumstances the Company assumed that all of the shareholders who voted against the resolution indicated whether they had personal interest in the transactions or not. In addition the Company assumed that those shareholders who indicated they had a personal interest in the transactions voted in favor of the resolution.
