FOR IMMEDIATE RELEASE

**TAT Technologies Reports Cumulative Defense Sector
Contracts of TAT Israel with Expected Revenues of
Approximately \$22 million Year to Date**

CHARLOTTE, N.C. and Netanya, Israel, July 28, 2025 – TAT Technologies Ltd. (NASDAQ: TATT, TASE: TAT Tech), a leading supplier of products and services for the commercial and military aviation industries and the ground defense industries, today announced the signing of a new \$10 million contract with a leading Israeli defense integrator for the supply of OEM (Original Equipment Manufacturer) components.

This latest agreement brings the cumulative expected revenues from contracts secured with defense sector customers of TAT Israel to \$22 million year-to-date. These contracts include a mix of OEM and MRO services and highlight TAT's strategic role as a trusted supplier to the Israeli Air Force and OEM for defense integrators.

"The contracts supporting the Israeli Air Force and global defense leaders underscore TAT's strategic role as a supplier of components and a provider of critical maintenance services across multiple aerial platforms," commented Igal Zamir, President and Chief Executive Officer of TAT. "In light of recent geopolitical developments and the resulting increase in Israel's defense budget, TAT is taking proactive steps to ensure it is well positioned to meet the growing demand."
