Explanation for the data attached in the file: _____

Note:

The attached report is not submitted under the Securities Law. The report is submitted voluntarily by the corporation as part of its participation in the process promoted by the Israel Securities Authority for the implementation of iXBRL reporting in Israel, in which the corporation experiments with iXBRL reporting alongside the regular reporting.

The attached reports are based on the corporation’s reports published on 26/11/2025, reference number [2025-01-092910](#). These reports include additional information on tagging of certain data from the periodic and/or quarterly reports as instructed by the authority or chosen by the corporation at its discretion. It is emphasized that the choice of such data does not constitute any view regarding their materiality compared to other data in the periodic or quarterly reports that were not required to be tagged. The Israel Securities Authority or the corporation is not responsible in any way for their content, reliability, accuracy, or completeness of the said tags, and the sole responsibility for their use lies with the user only.

The reporting and presentation method presented herein (originating from the iXBRL format) may differ from the reporting and presentation as provided in the periodic and/or quarterly reports submitted by the reporting corporation (whose source is in PDF format, which differs from the iXBRL format).

In any case of discrepancy between the information presented herein and the information in the periodic or quarterly reports submitted by the reporting corporation (in reporting form T930 on MAGNA), the binding data is that presented in the periodic or quarterly reports.
