DISCLOSURE OF MATERIAL INFORMATION

Dear Sir,

In accordance with the provisions of the Securities Act, 2015 and the relevant provisions of Rule Book of Pakistan Stock Exchange Limited, we hereby convey the following information:

In its first phase, Company has successfully purchased and installed solar panels of 200 KVA capacity. The installation of these solar panels will reduce the electricity bill by 15% appr. In its second phase, Company's management is working to enhance the solar power production to 1 MW. This will further reduce the electricity bill by 50% appr.

In its renewable energy drive, Company has also started using biogas which is 30% less expensive than the conventional sui gas, LPG or LNG.

Company's management is hopeful that these cost optimization efforts will reduce the production cost and improve the overall profitability of the Company.

You may inform the TRE Certificate Holders of the Exchange accordingly.

Sincerely,

Company Secretary
