DIRECTORS' REPORT TO THE SHAREHOLDERS

On behalf of the Board of Directors of Chakwal Spinning Mills Limited, we are pleased to submit Annual report of your Company together with audited financial statements and auditors' report thereon for the year ended 30th June 2022.

Financial Performance:

The operations of the company have been suspended due to continued business losses sustained by the company which marred its working capital strength and put cash flow and liquidity constraints. The Company during the period incurred a net loss after tax for the year of Rs. 43 million as compares to loss of Rs. 48 million during the last year. However, the company did not incur any cash loss since the loss incurred is approximately equal to depreciation cost for the year. The directors of the Company always stand with the company in difficult period and are continuously pursuing the way to resume operational activity. The directors like in past provided funds to meet the liabilities and expenses for running the affairs of the company. The directors are committed that if future economic environment seems positive they shall put their best efforts to revive the Company's business operation in the up-coming period.

Financial Statements Audit

The auditors of the company have given adverse opinion on company's ability as going concern. The management has prepared accounts of the company on going concern as it is mitigating the uncertainties through its plans which are expected to be mature in future to have sustainable business operational activities.

Similarly, the auditors of the company have given modified opinion on certain other matters including verification of bank outstanding balance confirmation. The company has limitation in this respect as the company is in litigation with banks. However, the Company has accounted for all due liabilities of the Banks which correspond with the amount provided in the suits filed by the banks.

Similarly, the management is also committed to address other matters giving rise to the modification of auditor opinion to get it rectified to the satisfaction of auditors.

Future Outlook:

The management of the company is very serious to have a workable solution to commence the halted operations. Although the recent slump and slowdown in textile industry has its impact on the resumption of business operations. The country is facing acute inflation with restriction on imports which has manifold the cost to do business. The devastating flood has made the thing more worse. The cotton crop has been badly damaged by recent flood and

spinners have no option to import at high cost. Everyone at the helm of affairs must understand that textile is leading foreign exchange earner with huge export and it should be remained competitive by providing of subsidized energy. The industry gets bloomed in previous period with incentive in both power and gas. The Government is not looking inclined toward giving relief to textile industry which have resulted closure a no of industrial units. The Government should recognize that the global economic meltdown has slowed down the demand of textile and the Government should give its support for survival of industry which is in mutual interest of all the stake holders.

The management of the company is confident to get a solution toward the revival of the company which shall be a healthier indication.

شیر ہولڈرز کو ڈائریکٹرز کی رپورٹ

یکوال سینک مڈیلڈ کے بورڈ آف ڈائریکٹرز کی جانب سے، ہم انتہائی مسرت کے ساتھ آپ کی کمپنی کی سالانہ رپورٹ مورخہ 30 جون 2022 کو ختم ہونے والے سال کے لیے آڈٹ شدہ مالیاتی رٹائرڈ اور اس پر آڈیٹر کی رپورٹ کے ساتھ فکس کر کے جمع کر رہے ہیں۔

کمپنی کی طرف سے مسلسل کاروباری اقدار کی وجہ سے کمپنی کے کام کو مضطر کر دیا گیا ہے جس نے اس کے ورکنگ کپیٹل کی ماحقت کو متاثر کیا اور نقد کیش فلو اور قابل استعمال رقم کی رکاوٹیں ڈال دیں۔ کمپنی کو اس مدت کے دوران سرمایہ کاری کے سال کے لیے 48 ملین روپے ٹیکس کے نقصان کے بعد کافی نقصان ہوا۔ پچھلے سال کے دوران 50 ملین کا نقصان ہوا۔ تاہم، کمپنی کو نقدی کا کافی نقصان نہیں ہوا کیونکہ ہونے والا نقصان تقریباً سال کی فرواد کی ایک تہ کے برابر ہے۔ کمپنی کے ڈائریکٹرز ہمیشہ مضطر وقت میں کمپنی کے ساتھ کھڑے ہوتے ہیں اور ایک پائیدار آپریشنل سرکری کے لیے مسلسل کوشش کر رہے ہیں۔ ماضی کی طرح ڈائریکٹرز کمپنی کے معاملات چلانے کے لیے واجبات اور اخراجات کو پورا کرنے کے لیے فنڈز فراہم کرتے تھے۔ ڈائریکٹرز ہر عزم ہیں کہ اگر مستقبل میں معیشت گہری تودہ آنے والے مستقبل قریب میں کمپنی کے کاروباری آپریشن کو بحال کرنے کی پوری کوشش کریں گے۔

مالیاتی بیانات کا آڈٹ

کمپنی کے آڈیٹر نے کمپنی کی قابلیت پر ایک توثیق لکھ کر انگریزی کے طور پر مثنیٰ دے دی ہے۔ انتظامیہ نے توثیق سے متعلق کمپنی کے اکاؤنٹس تیار کیے ہیں کیونکہ وہ اپنے منصوبوں کے ذریعے غیر یقینی صورتحال کو کم کر رہی ہے جن کے مستقبل میں پائیدار کاروباری آپریشنل سرکریوں کے لیے پختہ ہونے کی امید ہے۔

اسی طرح، کمپنی کے آڈیٹر نے بینک کے بتایا پیلیس کی تصدیق سمیت بعض دیگر معاملات پر ایک تہم شدہ رائے دی ہے۔ اس سلسلے میں کمپنی کی حدود میں کیونکہ کمپنی بینکوں کے ساتھ مالیاتی چارہ جاتی میں ہے۔ تاہم، کمپنی نے بینکوں کی قائم واجب الادا ذمہ داریوں کا حساب دیا ہے جو بینکوں کے دائرہ مودت میں فراہم کردہ رقم کے مطابق ہے۔

اسی طرح، انتظامیہ دوسرے معاملات کو حل کرنے کے لیے بھی ہر عزم ہے جس سے آڈیٹر کی رائے میں تہم کی جانے والی آڈیٹرز کے اطمینان کے لیے اسے درست کیا جاسکے۔

مستقبل کا آؤٹ لک:

کمپنی کی انتظامیہ رے کے ہونے آپریٹرز کو شروع کرنے کے لیے قابل عمل حل کے لیے بہت عجیبہ ہے۔ اگرچہ بینکوں کی صنعت میں حالیہ مندی اور سب سے زیادہ روٹی کا اثر کاروبار کے دوبارہ شروع ہونے پر پڑا ہے۔ درآمدات پر پابندیوں کے باعث ملک کو ناقابل تصور منگائی کا سامنا ہے جو کئی گناڑھ چکی ہے۔

تباہ کن سیلاب نے حالات کو مزید خراب کر دیا ہے۔ حالیہ سیلاب سے کہاں کی فصل کی طرح تباہ ہوئی ہے اور اسپر ز کے اس زیادہ قیمت پر درآمد کرنے کے علاوہ کوئی چارہ نہیں ہے۔ ہر کوئی اس بات کو سمجھتا ہے کہ کیناٹل برآمدات کے ساتھ غیر ملکی زر مبادلہ کا نالے والا سب سے بڑا شعبہ ہے اور اسے سہولتی والے توانائی کے بلاں کے ذریعے مسابقتی رہنما چاہیے۔ بجلی اور کپاس دونوں میں مراعات کے ساتھ خوشہ ادا میں صنعت پر وال ہوجی ہے۔ حکومت کیناٹل انڈسٹری کو در پیف دینے کی طرف مائل نظر نہیں آ رہی ہے جس کے نتیجے میں بے شمار یوسف بند ہو گئے ہیں۔ حکومت کو یہ تسلیم کرنا چاہیے کہ مالی اقتصادی بحران نے کیناٹل کی طلب کو سبست کر دیا ہے اور حکومت کو چاہیے کہ وہ اس صنعت کی جگہ کے لیے اس کا ندمادے جو تمام اسٹیک ہولڈرز کے باہمی منافع میں ہے۔

کینٹی کی انتظامیہ و بھرتیں ہے کہ وہ کینٹی کی بجالی کے لیے ایک مل تلاش کرے کی جو کینٹی کے لیے مفید قدم ہو گا۔

بنیادی سرکاری

کینٹی کی بنیادی سرکاری دھاکے کی تیاری اور فروخت ہے۔

بنیادی خطرات اور غیر قیمتی صورت حال

بورڈ آف ڈائریکٹرز کینٹی کے کاموں کی نگرانی کرنے اور خطرات کے کسی بھی ممکنہ متنی اثرات کو کم کرنے کے لیے ایک موثر حکمت عملی وضع کرنے کا ذمہ دار ہے۔

کینٹی کی اصل مالی ذمہ داریوں میں طویل المدتی مالیاتی کوٹھارے، تجارت اور دیگر قابل ادا ملکی اور مختصر مدت کے قرضے شامل ہیں۔ کینٹی کے اصل مالیاتی اطلاقے تجارتی قرضوں، ایڈوانسز، قلیل مدتی ڈپازٹس، دیگر قابل وصول نقد اور بینک بینس پر مشتمل ہیں جو براہ راست اس کے عملیاتی سرکاریوں سے پیدا ہوتے ہیں۔

کینٹی کی سرکاریوں اسے متعدد مالیاتی خطرات سے دوچار کرتی ہیں: نام کیسٹ کا خطرہ (بجول کر کسی کا خطرہ، شرح سود کا خطرہ اور قیمت کا خطرہ) کریڈٹ ریسک اور ٹیکہ لینڈ ریسک۔

کینٹی کا مجموعی ریسک منجھٹ پر وکراس مالیاتی منڈیوں کی غیر متوقع صلاحیت پر توجہ مرکوز کرنا ہے اور مالی کارکردگی پر ممکنہ متنی اثرات کو کم کرنے کی کوشش کرنا ہے۔ کینٹی نے مالی بیانات میں تمام قانونی چارہ جوئی اور ان کے متوقع نتائج کا مناسب طور پر انکشاف کیا ہے۔

کارپوریٹ سماجی ذمہ داری

کینٹی اپنے کاروبار میں کارپوریٹ سماجی ذمہ داری کے انضمام پر پختہ یقین رکھتی ہے، اور ان کیہ خیرو کی بھرتی کے لیے مستقل مزاجی سے کوششیں کرتی ہے جو براہ راست یا لاواطہ عمار سے کاروبار سے متاثر ہیں۔

کمپنی ملازمین اور عوام کی صحت کو اسی طرح سے بچانے کے لیے محفوظ اقدامات کی بنیادوں کو برقرار رکھتی ہے۔ انتظامیہ نے سال بھر میں اپنے تمام آپریٹرز میں محفوظ اور صحت مندانہ ماحول کو برقرار رکھا ہے اور انتظامیہ نے اپنی حفاظت اور رہائش سے متعلقہ سہولیات کو مسلسل اپ گریڈ کیا ہے۔

مشینری کے ساتھ ساتھ پائپٹ میں کام کرنے والے ملازمین کے لیے بھی حفاظت کا مسئلہ ہے۔ آگ بجھانے کے آلات اور آگ سے حفاظت کے دیگر آلات مائش کے ساتھ ساتھ رجسٹرڈ اور کمپنی کے ہیڈ آفس پر سرکے گئے ہیں۔ فائر سیفٹی آلات کی کارکردگی کو یقینی بنانے کے لیے باقاعدہ مشین کی جاتی ہیں۔

دافنی لائیو کنٹروول

بورڈ آف ڈائریکٹرز کے ذریعے کمپنی کی تمام سطحوں پر مربوط اندرونی کنٹرول کا نظام قائم اور نافذ کیا جاتا ہے۔ اندرونی کنٹرول کا نظام کمپنی کے مقاصد کے حصول اور سرکاریوں کی تاثیر اور کارکردگی قابل اعتماد لائیو پورٹنگ اور قوانین، ضوابط اور پالیسیوں کی تعمیل کو یقینی بنانے کے لیے ڈیزائن میں آئی ہے۔

متعلقہ جماعتیں

30 جون 2022 کو ختم ہونے والے مالی سال کے دوران تمام متعلقہ فریقین کے لیڈرین کا آؤٹ کمپنی نے جائزہ دیا اور بورڈ آف ڈائریکٹرز نے ان کی منظوری دی۔

کوڈ آف کارپوریٹ گورننس کی تعمیل:

پاکستان اسٹاک ایکسچینج کی طرف سے اس کے رکننگ ریگولیشنز و شیڈولڈ خاندانہ کارپوریٹ گورننس کے تقاضوں کو کمپنی نے اپنایا ہے اور ان کی مناسبت تعمیل کی گئی ہے۔ اس سلسلے میں ایک بیان رپورٹ کے ساتھ منسلک ہے۔ تاہم، آڈیٹرز نے اپنی جائزہ پورٹ میں اس بات پر روشنی ڈالی ہے کہ بورڈ نے موثر اندرونی آؤٹ کنٹرول قائم نہیں کیا ہے۔

چار ڈائریکٹرز، ڈائریکٹرز ٹرینٹنگ پروگرام سے مستثنیٰ ہیں، تاہم، بورڈ اس بات کو یقینی بناتا ہے کہ دیگر ڈائریکٹرز، ڈائریکٹرز ٹرینٹنگ پروگرام کے حوالے سے کوڈ آف کارپوریٹ گورننس کے تقاضوں کی تعمیل کریں گے۔ کمپنی کے ڈائریکٹرز سرکاریوں کے دوبارہ شروع ہونے کے ساتھ ہی اندرونی آؤٹ کے کام کو جلد از جلد دوبارہ شروع کرنے کے لیے پر عزم ہیں۔ بورڈ نے بورڈ آؤٹ کمپنی کو یہ ذمہ داری سونپی ہے کہ وہ آؤٹ کی ضروریات کو پورا کرنے کے لیے متحرک اور جامع طریقے سے کام کرے۔

کاروباری سرگرمیاں بڑھانے کی وجہ سے کمپنی نے اپنے عملے کو نکال دیا ہے تاہم کمپنی اپنے لائیو سرگرمیوں کو دوبارہ شروع کرنے کے لئے اندرونی آؤٹ کا نظام قائم کرے گی۔ یہ کہ ڈائریکٹرز کی تربیت کا بندوبست نہیں کیا۔

کارپوریٹ گورننس اور مالیاتی رپورٹنگ فریم ورک:

یہاں کہ ذات کارپوریٹ گورننس میں بتایا گیا ہے، ڈائریکٹر زیر بتانے میں باسرت ہیں کہ:

(i) کمپنی کی انتظامیہ کی طرف سے تیار کردہ مالیاتی خواہش، کمپنی کے آپریٹرز، کسٹمرز اور انکیڈ ٹی میں تبدیلیوں کی مصفاہ حالت کو پیش کرتے ہیں۔

(ii) کمپنی کے اکاؤنٹس (حساب کتاب) کی مناسب دیکھ بھال کی گئی ہے۔

(iii) مالیاتی کوٹراؤں کی تیاری میں مناسب اکاؤنٹنگ پالیسیوں کا مسلسل اطلاق کیا گیا ہے اور اکاؤنٹنگ کے تجویزات معقول اور دانشمندانہ فیصلے پر مبنی ہیں۔

(iv) بین الاقوامی مالیاتی رپورٹنگ اسٹینڈرڈز (IFRS)، جیسا کہ پاکستان میں لاگو ہو رہا ہے، مالیاتی بیانات کی تیاری میں پیرودی کی گئی ہے، اور وہاں سے کسی بھی ردائی کا مناسب طور پر انکشاف اور

وضاحت کی گئی ہے۔

(v) اندرونی کنٹرول کے نظام کا ڈیزائن (طریقہ کار) درست ہے اور اسے موثر طریقے سے لاگو کیا گیا ہے اور اس کی نگرانی کی گئی ہے۔

(vi) پچھلے پانچ سالوں کا کلیدی آپریٹنگ اور مالیاتی ڈیٹا منسک ہے۔

(vii) ڈائریکٹر ز اور مانیٹرن کے درمیان اتفاقات اور کاروباری حکمت عملی کا ایک بیان تیار کر کے تسلیم کر دیا گیا ہے۔

(ix) کمپنی نے سال حشر کے نقصان کی وجہ سے نہ تو ڈیوڈ کا اعلان کیا ہے اور نہ ہی بونس شیئرز جاری کیے جا سکے ہیں۔

(X) بٹیا ٹکس اور آرکٹ مالیاتی کوٹراؤں میں بیان کردہ ہیں۔

شیئرز بولڈ منسک پیٹرن

عام حصص کے لیے 30 جن 2022 کے مطابق شیئرز بولڈ منسک پیٹرن منسک ہے۔

INDEPENDENT AUDITOR'S REVIEW REPORT **To the members of Chakwal Spinning Mills Limited**

Review report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of **Chakwal Spinning Mills Limited** for the year ended June 30, 2022 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensued compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2022.

Further, we highlight below instance of non-compliance with the requirements of the regulations as reflected in the paragraph reference where it is stated in the statement of compliance.

Paragraph Reference	Description
9	The Company has not arranged the directors training program or obtained the exemption from directors training program from the commission as required under clause 19 of the regulations
15	The board has not setup an internal audit function as required by regulation 31 of chapter x of listed Companies Code of Corporate Governance regulations 2019

INDEPENDENT AUDITOR'S REPORT

To the Members of Chakwal Spinning Mills Limited

Report on the Audit of the Financial Statements

Adverse Opinion

We have audited the annexed financial statements of Chakwal Spinning Mills Limited (the Company) which comprise the statement of financial position as at June 30, 2022, and the statement of profit or loss and statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, because of the significance of the matters discussed in the basis of adverse section of our audit report (a) to (e), the statement of financial position, statement of profit or loss and the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof do not conform with the accounting and reporting standards as applicable in Pakistan and do not give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively do not give a true and fair view of the state of the Company's affairs as at June 30, 2022 and of the loss and other comprehensive loss, the changes in equity and its cash flows for the year then ended.

Basis for Adverse Opinion

- a) As fully explained in note 14 the company is in litigation with the banking companies. The company had not worked out and provided the amount of markup on the short-term borrowings in these financial statements for the year ended June 30, 2022. Based on available underlying records, unavailability of facility letters, and non-confirmation of mark-up balances from banking companies, we were unable to determine with reasonable accuracy the impact on the markups financial statements of any disagreement with Banks. Moreover, due to litigation banks do not confirmed the balances of short-term borrowings (Note No.12), and the bank facility letter was also not provided to us. Based on available underlying records, the response from the legal counsel, and the non-confirmation of loan balances from banking companies, we were unable to determine with reasonable accuracy the impact on these financial statements of any disagreement.
- b) Gratuity payable amounting to Rs. 6,382,803 stated in (Note 9) to the financial statements. We had not been provided with the actuarial valuation by the management. Further, we have not been provided with sufficient information and explanations to assess whether any actuarial adjustments in value should be recognized in respect of the above-mentioned gratuity amount. There are no other satisfactory audit procedures that we could adopt to determine whether any adjustments in value should be made in the financial statements in respect of gratuity. Any adjustments found to be necessary might have consequential effects on the net assets of the company as at June 30, 2022, the results of the company for the year then ended and the related disclosures thereof in the financial statements.

Furthermore, the disclosure given by the management in the financial statements is not in accordance with the International Accounting Standard 19 and leads to departure from international financial reporting standards as applicable in Pakistan.

- c) Unclaimed dividend of Rs. 384,347 (overdue) of previous years has not been deposited into the government treasury nor has any notification been issued to shareholders.
- d) As set out in note 15 to the financial statements, the company holds property, plant, and equipment with a reported carrying value of **Rs. 712.623 million** which is a substantial portion of the financial position. These assets are measured at cost less accumulated depreciation and impairment losses.

As disclosed in the accounting policies note 4.5, the company reviews the carrying amount of its property, plant, and equipment at each reporting date to determine whether there is any indication that an asset is impaired. If any such indicators exist then, the asset's recoverable amount should be estimated by reference to forecast future cash flows and fair value less costs to sell. If the recoverable amount of the asset is less than its carrying value, the asset's carrying value should be reduced and an impairment expense recognised.

As per IFRSs as applicable in Pakistan, there is an indication of Impairment. Because the company has not determined the recoverable amount of the relevant assets, we are unable to determine whether the carrying value of these assets should be reduced and a corresponding impairment expense recognised. Consequently, in the absence of a recoverable amount of property plant and equipment at the reporting date, we were unable to quantify the impact with reasonable accuracy on these financial statements.

- e) At the reporting date, the Company's accumulated losses stand at RS. 866,848 million (*2021: Rs. 827,962 million*) and its current liabilities exceed its current assets by Rupees 835.699 million (*2021: 835.340 million*). This situation may be further deteriorated if the possible effects of matter discussed in paragraph (a) to (d) above all accounted for in the financial statements. The Company has also suspended its operations since March 2020. Further, the financial results show adverse key financial ratios and the company's court cases are decreed in favour of the banking companies, due to its inability to comply with loan agreements. The company is also unable to pay short term financing from banking companies amounting to Rs. 452,989 million and the related finance cost, Liabilities against assets subject to finance lease amounting to Rs. 2,496 million along with the finance cost, if the execution applications filed by the banking companies are decided by the courts. At present, there is no formal approved business plan for future periods.

These conditions and events indicate material uncertainty that may cast significant doubt on the company's ability to continue as a going concern and therefore it may be unable to realize its assets and discharge its liabilities in the normal course of business. However, as described in Note 2.2, these financial statements have been prepared under the going concern assumption. These conditions lead us to believe that the going concern assumption used in preparation of these financial statements is inappropriate; consequently, in our opinion, the company cannot be considered to be a going concern and thus the preparation of these financial statements on a going concern basis is inappropriate. In our opinion, the financial statements should reflect adjustments to reduce the value of assets to their recoverable amount and to provide any further liabilities that may arise. These adjustments are likely to be substantial, and in view of further qualifications discussed in paragraphs (a) to (d) above we are unable to determine the quantum of the required adjustments and provisions with a reasonable degree of accuracy.

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are

independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for adverse our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

In addition to the matters as mention in the basis for adverse opinion section of our report we have determined that there are no other key audit matters to communicate in our report.

Information Other Than the Financial Statements and Auditor's Report Thereon
Management is responsible for the other information. The other information comprises the information included in the annual report for the year ended June 30, 2022.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If based on the work we have performed, on other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017(XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit except for the matters discussed in basis for adverse opinion section, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);

- b) the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have not been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980) under section 7 of that Ordinance.

The engagement partner on the audit resulting in this independent auditors' report is **Hafiz Muhammad Ahmad Saleem**.

CHAKWAL SPINNING MILLS LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2022

Note 1

The Company and its Operations

The Company was incorporated in Pakistan on January 31, 1988 as a Public Limited Company. Its shares are quoted on Pakistan Stock Exchanges Limited. The registered office of the Company is situated at 7/1, E-III, Main Boulevard Gulberg III, Lahore. While the production plants of the Company are located at 49-Km, Multan Road, Bhair Phero. The Company is engaged in the business of textile spinning.

Note 2

Basis of Preparation

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise:

- International Financial Reporting Standard (IFRS) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.
- Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS, the provisions of and directives issued under the Companies Act, 2017 have been followed.

2.2 Appropriateness of the Going Concern Assumption

The Company has incurred loss after tax of Rs. 43.254 million (2021: Rs. 48.575 million) and at year end; its accumulated losses stood at Rs. 866,849 million (2021: 827.962 million). Its current liabilities exceed its current assets by Rs. 835.699 million (2021: Rs. 835.341 million). These factors raise doubts about the Company's ability to continue as a going concern. However, these financial statements have been prepared on going concern basis based on the following:

The Management of the company is committed to revive the operation of the company and is striving to have a smooth operational activities. The management is looking all possibilities to have a successful resumption with induction of funds.

The Directors of the company intended to settle and restructure its outstanding financing facilities with the bank on soft terms best suited to the company.

The management would intend to strengthen its production facilities on most diverse lines which will definitely has its impact on the financial strength of the company.

Note 2 - Basis of Preparation ... Contd.

2.3 Basis of measurement

These financial statements have been prepared under the historical cost convention except certain property, plant and equipment that have been stated at revalued amount and retirement benefits which have been recognized at present value determined by actuary. In these financial statements, except for the amounts reflected in the cash flow statement, all transactions have been accounted for on accrual basis.

2.4 Functional currency

These financial statements have been prepared in Pak Rupees which is the Company's functional currency.

2.5 Use of estimates and judgments

The preparation of financial statements in conformity with IFRSs requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. These estimates and related assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

These estimates and related assumptions are reviewed on an on going basis. Accounting estimates are revised in the period in which such revisions are made. Significant management estimates in these financial statements relate to the useful life and residual values of property, plant and equipment; revalued amounts of property, plant and equipment; amortization of intangible assets; impairment of assets; provisions for defined benefit obligations; taxation; and contingent liabilities. However, the management believes that the change in outcome of estimates would not have a material effect on the amounts disclosed in these financial statements.

3 Changes in Accounting Standards, Interpretations and Pronouncements

3.1 Amendments to accounting and reporting standards and interpretations which are effective during the year ended June 30, 2022

There are certain new standards, interpretations and amendments to approved accounting standards which are mandatory for the Company's accounting periods beginning on or after July 1, 2020 but are considered not to be relevant or have any significant effect on the Company's financial reporting, except as mentioned in note 6 of the financial statements.

3.2 Standards, interpretation and amendments to approved accounting standards that are not yet effective

The following standards, amendments and interpretations with respect to the approved accounting and reporting standards as applicable in Pakistan and relevant to the Company, would be effective from the dates mentioned below against the respective standard or interpretation:

Standard or Interpretation	Effective Date (Period beginning on or after)
Conceptual Framework in IFRS Standards [Amendments]	January 1, 2020
IFRS 7 Financial Instruments: Disclosures [Amendments]	January 1, 2020
IFRS 9 Financial Instruments [Amendments]	January 1, 2020
IAS 16 Property, Plant and Equipment [Amendments]	January 1, 2022

IAS 1 Presentation of Financial Statements [Amendments]	January 1, 2020
IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors [Amendments]	January 1, 2020

Company will assess the impacts of these changes in the period of initial application once such changes become effective for the company.

Note 4
Significant Accounting Policies

4.1 Employee retirement benefits

The company operates an unfunded and unapproved gratuity scheme for its employees, which is a defined benefit plan based upon the last salary drawn by an employee. Present value of defined benefit obligation is calculated on the basis of actuarial valuation at the end of the year. The valuation in these accounts is worked out on the Projected Unit Credit Actuarial Cost method.

Any Actuarial gains and losses are recognized immediately in the statement of other Comprehensive income.

4.2 Provisions

A provision is recognized in the statement of financial position when the Company has a legal or constructive obligation as a result of a past event and it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

4.3 Trade and other payables

Trade and other payables are recognized initially at fair value net of directly attributable cost, if any.

4.4 Taxation

Income tax on the profit or loss for the year comprises current and deferred tax. Income tax expense is recognized in the profit and loss account except to the extent that relates to items recognized directly in equity, in which case it is recognized in equity.

Current

Charge for the current taxation for the year is based on taxable income at the current rates of taxation after taking into account tax rebates and credits available, if any.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profits are available against which the deductible temporary differences, unused tax losses and tax credits can be utilized.

Carrying amount of all deferred tax assets is reviewed at each balance sheet date and adjusted to the appropriate extent, if it is no longer probable that sufficient taxable profits would be available to allow all or part of deferred tax assets to be utilized. Tax rates enacted at the balance sheet date are used to determine deferred income tax.

4.5 Property, plant and equipment

Owned

Property, plant and equipment are stated at cost/revalued amount less accumulated depreciation and identified impairment losses except free hold land which is stated at Cost. Cost of property, plant and equipment consists of historical cost, borrowing cost pertaining to the construction and erection period and directly attributable cost of bringing the assets into working condition.

Depreciation is charged to income on reducing balance method at the rates specified in Note 16. Full month's depreciation is charged on additions during the month, whereas no depreciation is charged on the assets disposed off during the month. Where an impairment loss is recognized, the depreciation charge is adjusted in the future periods to allocate the asset's revised carrying amount over its estimated useful life.

Maintenance and normal repairs are charged to income as and when incurred. Major renewals and replacements are capitalized. Gains or losses on disposal of property, plant and equipment are included in the current year income.

*Note 4 - Significant Accounting Policies ... Contd.***4.6 Stock and stores**

These have been valued at the lower of cost and net realizable value. Cost has been determined as follows:

- Stores and spare parts
 - at moving average cost
- Raw materials
 - at average cost
- Work in process
 - at average manufacturing cost using average cost method
- Finished goods
 - at average manufacturing cost
- Goods in transit
 - at cost comprising invoice value plus other charges incurred thereon

Manufacturing cost in relation to work in process and finished goods comprises cost of material, labor and appropriate manufacturing overheads. Net realizable value signifies the estimated selling price in the ordinary course of business less necessary cost to make the sale.

4.7 Trade debts and other receivables

These are classified at amortized cost and are initially recognized when they are originated and measured at fair value of consideration receivable. These assets are written off when there is no reasonable expectation of recovery. Actual credit loss experience over past years is used to base the calculation of expected credit loss.

4.8 Related party transactions

All transactions involving related parties arising in the normal course of business are conducted at arm's length at normal commercial rates on the same terms and conditions as third party transactions using valuation modes, as admissible, except in extremely rare circumstances where, subject to the approval of the board of directors, it is in the interest of the Company to do so.

4.9 Dividend distribution

Dividend distribution to the company's shareholders is recognized as a liability in the financial statements in the period in which the dividends are approved by the Company's shareholders.

4.10 Cash and cash equivalents

Cash and cash equivalents are carried at cost. For the purpose of cash flow statement, cash and cash equivalents comprise cash in hand and cash at banks in current accounts.

4.11 Revenue recognition

The Company is in the business of sale of textile products. Revenue from contracts with customers is recognized at the point of time when control of the goods is transferred to the customer (generally on delivery of the goods) at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. The Company has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods before transferring them to the customer.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated (e.g. warranties). In determining the transaction price for the sale of goods, the Company considers the effects of variable consideration, the existence of significant financing components, non-cash consideration, and consideration payable to the customer (if any).

Revenue from contracts with customers**Sale of Goods**

Sale of goods is recognized when the Company has transferred control of the products to the customers and there is no unfulfilled obligation that could affect the customer's acceptance of the products.

Contract assets

Contract assets arise when the Company performs its performance obligations by transferring goods to a customer before the customer pays its consideration or before payment is due.

Contract liabilities

Contract liability is the obligation of the Company to transfer goods to a customer for which the Company has received consideration from the customer. If a customer pays consideration before the Company transfers goods, a contract liability is recognized when the payment is made. Contract liabilities are recognized as revenue when the Company performs its performance obligations under the contract.

Note 4 - Significant Accounting Policies ... Contd.

4.12 Financial instruments

4.12.1 Financial assets

All financial assets are recognized at the time when the Company becomes a party to the contractual provisions of the instrument. Regular purchases and sales of financial assets are recognized and derecognized, as applicable, using trade-date accounting or settlement date accounting.

4.12.1.1 Classification

The Company classifies its financial assets in the following categories: at amortized cost, at fair value through other comprehensive income and at fair value through profit or loss. The classification is based on the Company's business model for managing the financial assets and the contractual cash flow characteristics of the financial asset. The management determines the classification of its financial assets at the time of initial recognition.

a) Financial assets at amortized cost

A financial asset is measured at amortized cost if the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income

A financial asset is measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss

A financial asset is measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income. However, the Company can make an irrevocable election at initial recognition for particular investments in equity instruments that would otherwise be measured at fair value through profit or loss to present subsequent changes in fair value in other comprehensive income unless these are held for trading in which case these have to be measured at fair value through profit or loss. The equity investments of the Company held in short term investments are classified at fair value through profit or loss because they are frequently traded.

Reclassification

When the Company changes its business model for managing financial assets, it reclassifies all affected financial assets accordingly. The Company applies the reclassification prospectively from the reclassification date.

In case of reclassification out of the amortized cost measurement category to fair value through profit or loss measurement category, fair value of the financial asset is measured at the reclassification date. Any gain or loss arising from a difference between the previous amortized cost and fair value is recognized in profit or loss.

In case of reclassification out of fair value through profit or loss measurement category to the amortized cost measurement category, fair value of the financial asset at the reclassification date becomes its new gross carrying amount.

In case of reclassification out of the amortized cost measurement category to fair value through other comprehensive income measurement category, fair value of the financial asset is measured at the reclassification date. Any gain or loss arising from a difference between the previous amortized cost and fair value is recognized in other comprehensive income. The effective interest rate and the measurement of expected credit losses are not adjusted as a result of the reclassification.

In case of reclassification out of fair value through other comprehensive income measurement category to the amortized cost measurement category, the financial asset is reclassified at its fair value at the reclassification date. However, the cumulative gain or loss previously recognized in other comprehensive income is removed from equity and adjusted against the fair value of the financial asset at the reclassification date. The effective interest rate and the measurement of expected credit losses are not adjusted as a result of the reclassification.

Note 4 - Significant Accounting Policies .. Contd.

In case of reclassification out of fair value through profit or loss measurement category to the fair value through other comprehensive income measurement category, the financial asset continues to be measured at fair value.

In case of reclassification out of fair value through other comprehensive income measurement category to the fair value through profit or loss measurement category, the financial asset continues to be measured at fair value. The cumulative gain or loss previously recognized in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment at the reclassification date.

4.12.1.2 Initial recognition and measurement

All financial assets are recognized at the time when the Company becomes a party to the contractual provisions of the instrument. Regular purchases and sales of investments are recognized on trade-date - the date on which the Company commits to purchase or sell the asset.

Except for trade receivables, financial assets are initially recognized at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognized at fair value and transaction costs are expensed in the profit and loss account. Dividend income from financial assets at fair value through profit or loss is recognized in the profit and loss account when the Company's right to receive payments is established. Trade receivables are initially measured at the transaction price if these do not contain a significant financing component in accordance with IFRS 15. Where the Company uses settlement date accounting for an asset that is subsequently measured at amortized cost, the asset is recognized initially at its fair value on the trade debt.

4.12.1.3 Subsequent measurement

For the purpose of measuring financial assets after initial recognition, these are classified into the following categories:

- financial assets at amortized cost;
- financial assets at fair value through other comprehensive income; and
- financial assets at fair value through profit or loss.

Financial assets carried at amortized cost are subsequently measured using the effective interest method. Gain or loss on financial assets not part of hedging relationship is recognized in profit or loss when the financial asset is derecognized, reclassified, through the amortization process or in order to recognize impairment gains or losses.

When the contractual cash flows of a financial asset are renegotiated or otherwise modified and the renegotiation or modification does not result in the derecognition of that financial asset, the Company recalculates the gross carrying amount of the financial asset and recognizes a modification gain or loss in profit or loss.

Financial assets 'at fair value through other comprehensive income' are marked to market using the closing market rates and are carried in the balance sheet at fair value. Net gains and losses arising on changes in fair values of these financial assets are recognized in other comprehensive income. Interest calculated using the effective interest rate method is credited to the statement of profit or loss. Dividends on equity instruments are credited to the statement of profit or loss when the Company's right to receive payments is established.

Financial assets 'at fair value through profit or loss' are marked to market using the closing market rates and are carried in the balance sheet at fair value. Net gains and losses arising on changes in fair values of these financial assets are taken to the profit and loss account in the period in which these arise.

Fair values of quoted investments are based on current prices. If the market for a financial asset is not active (and for unlisted securities), the Company measures the investments at cost less impairment in value, if any.

4.12.1.4 Derecognition

Financial assets are derecognized when:

- the contractual rights to receive cash flows from the assets have expired; or
- the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
 - a) the Company has transferred substantially all the risks and rewards of the asset; or
 - b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Note 4 - Significant Accounting Policies ... Contd.

The difference between the carrying amount and the consideration received is recognized in profit or loss.

If the Company transfers a financial asset in a transfer that qualifies for derecognition in its entirety and retains the right to service the financial asset for a fee, it recognizes either a servicing asset or a servicing liability for that servicing contract.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of its continuing involvement. In that case, the Company also recognizes an associated liability which cannot be offset with the related asset. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

If the Company's continuing involvement is in only a part of a financial asset, the Company allocates the previous carrying amount of the financial asset between the part it continues to recognize under continuing involvement, and the part it no longer recognizes on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognized and the consideration received for the part no longer recognized is recognized in profit or loss.

4.12.1.5 Impairment of financial assets

The Company directly reduces the gross carrying amount of a financial asset when the Company has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof.

The Company recognizes a loss allowance for expected credit losses on a financial asset measured at amortized cost and through other comprehensive income, a lease receivable, a contract asset or a loan commitment and a financial guarantee contract. In case of financial assets measured at fair value through other comprehensive income, loss allowance is recognized in other comprehensive income and carrying amount of the financial asset in the statement of financial position is not reduced.

The Company measures, at each reporting date, the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. Where the credit risk on a financial instrument has not increased significantly since the initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

The Company always measures the loss allowance at an amount equal to lifetime expected credit losses for trade receivables or contract assets that result from transactions under IFRS 15 and lease receivables.

The Company recognizes the amount of expected credit losses (or reversal), that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized, in the profit or loss.

4.12.2 Financial liabilities

4.12.2.1 Initial recognition and measurement

All financial liabilities are recognized at the time when the Company becomes a party to the contractual provisions of the instrument.

Financial liabilities are classified, at initial recognition, as financial liabilities at amortized cost except for financial liabilities at fair value through profit or loss, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts, commitments to provide a loan at a below-market interest rate and contingent consideration recognized in a business combination.

The Company does not reclassify any of its financial liabilities.

Financial liabilities are initially recognized at fair value minus transaction costs for all financial liabilities not carried at fair value through profit or loss. Financial liabilities carried at fair value through profit or loss are initially recognized at fair value and transaction costs are credited in the profit and loss account.

Note 4 - Significant Accounting Policies ... Contd.

The Company's financial liabilities include trade and other payables, loans and borrowings including Company overdrafts, financial guarantee contracts and derivative financial instruments.

4.12.2.2 Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Such liabilities, including derivatives that are liabilities, are subsequently measured at fair value.

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

The amount of change in the fair value that is attributable to changes in the credit risk of financial liability is presented in other comprehensive income and the remaining amount of change in the fair value of the liability is presented in profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if it eliminates or significantly reduces a measurement or recognition inconsistency or a group of financial liabilities is managed and its performance is evaluated on a fair value basis, in accordance with a documented risk management or investment strategy, and information about the group is provided internally on that basis to the Company's key management personnel. The Company has not designated any financial liability as at fair value through profit or loss.

Financial guarantee contracts and commitments to provide a loan at a below-market interest rate

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts and commitments to provide a loan at a below-market interest rate are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the best estimate of the expenditure required to settle the present obligation at the reporting date and the amount recognized less cumulative amortization.

Contingent consideration recognized in a business combination

These are subsequently measured at fair value with changes recognized in profit or loss.

All other liabilities

All other financial liabilities are measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit or loss.

4.12.2.3 Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expired. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in respective carrying amounts is recognized in the profit and loss account. The difference between the carrying amount of a financial liability extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in profit or loss.

If the Company repurchases a part of a financial liability, the Company allocates the previous carrying amount of the financial liability between the part that continues to be recognized and the part that is derecognized based on the relative fair values of those parts on the date of the repurchase. The difference between the carrying amount allocated to the part derecognized and the consideration paid, including any non-cash assets transferred or liabilities assumed, for the part derecognized is recognized in profit or loss.

*Note 4 - Significant Accounting Policies ... Contd.***4.13 Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal, or in its absence, the most advantageous market to which the Company has access at that date. The fair value of a liability reflects its non-performance risk. When applicable, the Company measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

When there is no quoted price in an active market, the Company uses valuation techniques that maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The chosen valuation technique incorporates all the factors that market participants would take into account in pricing a transaction. The best evidence of the fair value of a financial instrument at initial recognition is normally the transaction price i.e. the fair value of the consideration given or received. If the Company determines that the fair value at initial recognition differs from the transaction price and the fair value is evidenced neither by a quoted price in an active market for an identical asset or liability nor based on a valuation technique that uses only data from observable markets, the instrument is initially measured at fair value, adjusted to defer the difference between the fair value at initial recognition and the transaction price. Subsequently, that difference is credited or charged to the statement of profit or loss on an appropriate basis over the life of the instrument but no later than when the valuation is supported wholly by observable market data or the transaction is closed out.

The Company's policy is to recognize transfers into and transfers out of fair value hierarchy levels as of the date of the event or change in circumstances that caused the transfer.

4.14 Earnings per Share

The Company presents basic and diluted earnings per share (EPS). Basis EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares, if any.

4.15 Dividend to ordinary shareholders

Dividend to ordinary shareholders is recognized as a deduction from accumulated profit in the statement of changes in equity and as a liability in the Company's financial statements in the year in which the dividends are approved by the Board of Directors or the Company's shareholders as the case may be.

4.16 Off-setting of financial assets and financial liabilities

A financial asset and financial liability is offset and the net amount is reported in the statement of financial position if the Company has a legally enforceable right to set-off the recognized amounts and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

4.17 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognizes lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

i) Right-of-use assets

The Company recognizes right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognized, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

Note 4 - Significant Accounting Policies ... Contd.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment.

ii)

Lease liabilities

At the commencement date of the lease, the Company recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate.

Variable lease payments that do not depend on an index or a rate are recognized as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is premeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset. The Company's lease liabilities are included in Interest-bearing loans.

iii)

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognized as expense on a straight-line basis over the lease term.

Company as a lessor

Leases for which the Company is a lessor are classified as finance or operating leases. Whenever the term of the lease transfers substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating lease.

Rental income from operating leases is recognized on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized on a straight-line basis over the lease term.

Note 33

Financial Risk Management

33.1 Financial risk factors

The Company's activities expose it to a variety of financial risks: market risk (including currency risk, other price risk and interest rate risk), credit risk and liquidity risk. The Company's overall risk management policies focus on the unpredictability of financial markets and seek to minimize potential adverse effects on the financial performance.

Risk management is carried out by the Board of Directors (the Board). The Board provides principles for overall risk management as well as policies covering specific areas such as currency risk, other price risk, interest rate risk, credit risk and liquidity risk.

a) Market Risk

'Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign currency, interest rate, commodity price and equity price that will effect the Company's income or the value of its holdings of financial instruments.

i) Currency Risk

Currency risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Currency risk arises mainly from future commercial transactions or receivables and payables that exist due to transactions in foreign currencies. The Company has no receivable / (payable) balance in foreign currency.

Note 33 - Financial Risk Management ... Contd.

ii) Other Price Risk

Other price risk represents the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instrument traded in the market. The Company is not exposed to equity and commodity price risk.

iii) Interest Rate Risk

This represents the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company has no significant long-term interest-bearing assets. The Company's interest rate risk arises from long term financing, lease liabilities and short term borrowings. As the borrowings are obtained at variable rates, these expose the Company to cash flow interest rate risk.

At the balance sheet date the interest rate profile of the Company's interest bearing financial instruments was:

	2022	2021
	Rupees	Rupees
Short term borrowings	385,384,477	385,384,477

A change of 100 basis points in interest rates at the reporting date would have increased / (decreased) equity and profit or loss by Rs. 3.851 million (2021: Rs. 3.851). This analysis assumes that all other variables, in particular foreign currency rates, remain constant. This analysis is prepared assuming that amounts of assets and liabilities outstanding as at the reporting date have been outstanding for the entire year.

b) Credit Risk

Credit risk represents the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. Carrying amounts of financial assets represent the maximum credit exposure. The maximum exposure to credit risk at the reporting date was as follows:-

	2022	2021
	Rupees	Rupees
Long term loans	712,766	712,766
Long term deposits	27,839,744	27,839,744
Trade debits	324,607	324,607
Loans and advances	8,993,899	4,346,292
Trade deposits and other receivables	8,845,719	8,893,219
Cash and bank balances	47,985	48,296

The aging of trade debts at balance sheet date is as follows:

1 - 30 days	-	-
31 - 60 days	-	-
61 - 120 days	-	-
120 days and above	324,607	324,607
	<u>324,607</u>	<u>324,607</u>

The Company believes that it is not exposed to major concentration of credit risk as its exposure is spread over a large number of parties and trade debts are subject to specific credit ceilings based on customer credit history.

The credit quality of bank balances that are neither past due nor impaired can be assessed by reference to external credit ratings (if available) or to historical information about counter party default rate:

c) Liquidity Risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Company manages liquidity risk by maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities. As at the balance sheet date, the Company had Rs. 385 million (2020: Rs. 385 millions) worth short term borrowing limits available from financial institutions and Rs. 0.048 million (2020: Rs 0.042 million) cash and bank balances. Following are the contractual maturities of financial liabilities, including interest payments.

Contractual maturities of financial liabilities as at June 30, 2022

	Carrying Amount Rupees	Contractual Cash Flows Rupees	Less than 1 year Rupees	Between 1 to 5 years Rupees	5 years and above Rupees

Current portion of non current liabilities	37,742,792	37,742,792	37,742,792	-	-

The contractual cash flows relating to the above financial liabilities have been determined on the basis of interest rates / mark up rates effective as at 30th June. The rates of interest mark up have been disclosed in Note 14 to these financial statements.

(d) Fair value of financial instruments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique.

As at June 30, 2022 the net fair value of all financial assets and financial liabilities are estimated to approximate their carrying values.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the reporting date. The fair values of all other financial assets and liabilities are not considered to be significantly different from their carrying values.

The Company classifies the financial instruments measured in the statement of financial position at fair value in accordance with the following fair value measurement hierarchy:

Level 1	Quoted market prices
Level 2	Valuation techniques (market observable)
Level 3	Valuation techniques (non market observable)

33.3 Fair values of financial assets and liabilities

Carrying values of all financial assets and liabilities reflected in these financial statements approximate to their fair values. Fair value is determined on the basis of objective evidence at each reporting date.

Note 34**Capital Risk Management**

While managing capital, the objectives of the Company are to ensure that it continues to meet the going concern assumption, enhance shareholders' wealth and meets stakeholders' expectations. The Company ensures its sustainable growth viz. maintaining optimal capital structure, keeping its finance cost low, exercising the option of issuing right shares or repurchase shares, if possible, selling surplus property, plant and equipment without affecting the optimal production and operating level, and regulate its dividend payout thus maintaining smooth capital management.

In line with others in the industry, the Company monitors capital on the basis of the gearing ratio. This ratio is calculated as net debt divided by total capital. Net debt is calculated as total borrowings (including current and non current) less cash and cash equivalents. Total capital is calculated as equity as shown in the balance sheet plus net debt.

As on the balance sheet date, the gearing ratio of the Company was as under:

	2022 Rupees	2021 Rupees
Total borrowings	560,205,751	557,756,821
