Future Business Development

Company Development Focus

In 2022, TAIWAN CALSONIC was renamed
EVERBRITE Technology

Net-Zero Technology

Anchored in the global trend toward carbon neutrality, the Company is dedicated to **Energy Technology, Thermal-Management, and Energy-Saving Technology solutions**, partnering with global stakeholders to build a **Safer, Smarter, and Sustainable Future.**

Core Businesses of Net-Zero Technology

Energy Technology

✓ Deployment of Power Equipment and Infrastructure

- Power equipment: VCB, CGIS, RMU, intelligent switchgear, and medium-voltage distribution systems
- Positioning: Upgrading critical power infrastructure through OEM/ODM capabilities, renewable-energy applications, and customized engineering solutions for industrial, commercial, and public-sector clients

Net Zero Project

✓ Deployment of system engineering and Decarbonization Solutions

- Equipment: Heat pumps, chiller systems, solar edge solutions
- System integration: Electrical engineering, CMP, HVAC, lighting, and smart-building applications
- Positioning: Delivering one-stop decarbonization solutions, integrating energy diagnostics, engineering, and lifecycle optimization to maximize energy-saving impact

Smart automation

✓ Deployment of trend of smart automation

- Product Deployment: Smart cabinets, smart retail, smart robot services, and smart venue automation solutions.
- Positioning: Built around AI + IoT + Robotics, integrating software platforms, smart devices, and field operation capabilities to create a smart service ecosystem.
- Mission: To become an important partner in the intelligent and unmanned transformation of businesses, building the next-generation smart living infrastructure.

Business Units

Energy
Technology

① VCB

Energy-Saving
Technology

- ① Refrigeration & HVAC
- ② Smart Automation

Electromechanical
Engineering

- ① MEP System Integration
- ② HVAC Sy Integration
- ③ Low-Voltage System Integration

Subsidiaries

The logo for EVERDURA, featuring the word in a bold, sans-serif font with a yellow horizontal bar underneath. The letters 'E', 'D', and 'R' have small yellow squares above them.

- ① Net-Zero Construction

The logo for EVEROBUST, featuring the word in a bold, sans-serif font with a yellow horizontal bar underneath. The letters 'E', 'B', and 'O' have small yellow squares above them.

- ① Intelligent Control
- ② Smart Mobility
- ③ Power Equipment

The logo for EVERNEXUS, featuring the word in a bold, sans-serif font with a yellow horizontal bar underneath. The letters 'E', 'N', and 'X' have small yellow squares above them.

- ① Electromechanical Engineering

The logo for EVERMIRA, featuring the word in a bold, sans-serif font with a yellow horizontal bar underneath. The letters 'E', 'M', and 'R' have small yellow squares above them.

- ① Robot
- ② Smart Retail

Ongoing Project Highlights

- Name: Construction Project of the New Critical Care Medical Building at the Tri-Service General Hospital
- Location: Neihu District, Taipei City
- Scope: 1. Critical Care Medical Building: 4 basement levels, 9 above-ground floors, SC structure building
2. Multi-story Parking Building: 10 above-ground floors, SC structure building
- Project: Electromechanical System Engineering
- Construction schedule:
The multi-story parking garage is expected to be completed in July 2026.
The critical care medical building is expected to be completed by the end of 2027.

- Name: 'Dao Xiang An Ju' Social Housing New Construction Turnkey Project
- Location: Beitou District, Taipei City
- Scope:
Construct two buildings with 14 floors above ground and 3 floors underground, providing 468 social housing units and 8 shop spaces
- Project: Mechanical and electrical turnkey project
- Construction schedule: Expected to be completed by July 2030

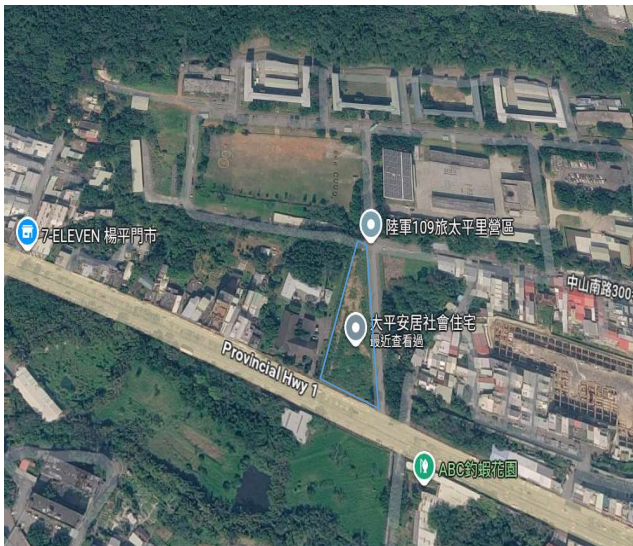

Ongoing Project Highlights

國家住宅及都市更新中心
National Housing & Urban Regeneration Center

瑞祥·安居
RUIXIANG ANJU

- Name: "Ruixiang Anju" Social Housing New Construction Turnkey Project
- Location: Bade District, Taoyuan City
- Scope:
Provides 210 social housing units, along with a kindergarten, community living services for people with physical and mental disabilities, and a multi-service center run by the Social Affairs Bureau.
- Project: Mechanical and electrical turnkey project
- Construction schedule: Expected to be completed by March 2029

- Name: "'Da Ping An Ju' Social Housing New Construction Turnkey Project"
- Location: Yangmei District, Greater Taoyuan City
- Scope:
The site covers an area of 4,227.26 square meters and provides 215 social housing units, an attached childcare center, and retail space.
- Project: Mechanical and electrical turnkey project
- Construction schedule: Expected to be completed by June 2029

A hand holding a glass globe with a tree and a butterfly on it, symbolizing environmental care.
