

EANS-Adhoc: AGRANA Beteiligungs-AG / AGRANA opens 2012|13 with strong first quarter

ad-hoc disclosure transmitted by euro adhoc with the aim of a Europe-wide distribution. The issuer is solely responsible for the content of this announcement.

For the first three months of 2012|13, AGRANA reports an increase in consolidated revenues compared to the prior year from approx. EUR 613 million to approx. EUR 775 million. The operating profit after exceptional items rose compared to the prior period from EUR 61.6 million to EUR 70.9 million.

Due to the high degree of volatility in terms of commodity and selling prices forecast in the coming quarters, the Company's guidance for the full year, a bottom-line result slightly below the solid performance of the previous year, remains unchanged.

As scheduled, the Group will be publishing further details of the development of business and additional information on the various segments on 12 July 2012.
