Financial Figures/Balance Sheet/Quarterly Report
16.06.2021

Vienna - In the first quarter of 2021|22 (1 March to 31 May 2021), AGRANA generated earnings before interest and tax (EBIT) of EUR 20.9 million (Q1 2020|21: EUR 32.0 million). The stable development of business in the Fruit segment contrasted with declining earnings in the Starch segment (due to higher cost of raw materials) and the Sugar segment (due to lower sales). Revenue amounted to EUR 705.8 million in the first three months of the financial year (Q1 2020|21: EUR 652.6 million).

The guidance for the full financial year 2021|22, according to which Group EBIT will increase significantly, is confirmed.

Further details relating to the development of business in the first quarter of 2021|22 and the three segments will be published by the Group as scheduled on 8 July 2021.
