("Company")

Publication pursuant to Section 65 Para 1a AktG and Section 119 Para 9 AktG in conjunction with Section 2
Publication Ordinance (*Veröffentlichungsverordnung*)

Publication of the resolution passed by the General Meeting held on 4 April 2025 regarding the authorization to acquire and transfer the company's own shares pursuant to Section 65 Para 1 no 8 and Para 1a and 1b Austrian Stock Corporation Act (AktG)

The Company's Annual General Meeting held on 4 April 2025 passed the following resolutions regarding the
repurchase of own shares:

*a. -- The Management Board shall be authorized for a period of 30 months from the date of today's resolution in
accordance with Section 65 Para 1 no 8 and Para 1a and 1b Austrian Stock Corporation Act (AktG) to acquire own
shares of the Company.*

*The consideration to be paid per share when acquiring shares must not be lower than EUR 1 (= calculated proportion
of the share capital) and must not be more than 50 % above the volume weighted average price of the last 20 trading
days preceding the respective purchase; in the event of a public offer, the reference date for the end of this period shall
be the day on which the intention to launch a public offer has been announced (Section 5 Paras 2 and 3 Austrian
Takeover Act (ÜbG)). The Management Board is authorized to determine the repurchase conditions.*

*The Management Board may exercise this authorization within the statutory limits on the maximum number of own
shares either once or on several occasions up to a maximum volume of 10 % of the share capital, provided that the
percentage amount of the share capital of the Company relating to shares held by the Company on account of this
authorization or otherwise does not exceed 10 % of the share capital at any time. Repeated exercise of this
authorization is permissible. Also, it may be exercised for one or several purposes by the Company, by a subsidiary
(Section 189a no 7 of the Commercial Code (UGB)) or by third parties acting on behalf of the Company.*

*The acquisition may take place at the discretion of the Management Board via the stock exchange or a public offer or,
with the consent of the Supervisory Board, in any other legally permissible, appropriate manner, in particular also under
exclusion of the shareholders' pro-rata rights of re-purchase (reverse exclusion of subscription rights) and also by using
equity capital derivatives. Trading in own shares is excluded as a purpose for purchase.*

*b. -- The Management Board is also authorized to transfer the acquired shares without an additional resolution by the
General Meeting via the stock exchange or a public offer and to determine the terms of transfer.*

*Further, the Management Board is authorized for the period of five years from the date of today's resolution in
accordance with Section 65 Para 1b Austrian Stock Corporation Act (AktG) to adopt a resolution, subject to the
consent of the Supervisory Board, on the transfer of treasury shares using a different legally permitted method of
transferring than via the stock exchange or a public offer and on an exclusion of pre-emption rights (subscription rights)
of shareholders, and to determine the terms and conditions of the transfer of shares. This authorization includes, in
particular, but is not limited to, the transfer of own shares by using a different legally permitted method of transferring
than via the stock exchange or a public offer for the following purposes:*

1. to the extent necessary to service debt instruments (including participation rights) with conversion or option rights or a conversion obligation issued by the Company or its subsidiaries (Section 189a no 7 Commercial Code (UGB)) or yet to be issued;
2. to transfer shares to employees, senior executives as well as members of the Management Board of the Company or its subsidiaries (Section 189a no 7 Commercial Code (UGB)) for remuneration purposes;
3. in order to be able to transfer the shares in exchange for non-cash-contributions, provided this is done for the purpose of (also indirectly) acquiring companies, parts of companies or participations in companies or other assets related to an acquisition project;
4. to carry out a so-called "scrip dividend" in the course of which the shareholders of the Company are offered to contribute their dividend claim (in whole or in part) as a contribution in kind against the transfer of own shares;
5. in order to be able to transfer the shares in any way other than via the stock exchange or a public offer to all shareholders provided the exercise of the present authorization is objectively justified on the exercise date in accordance with the respective applicable legal requirements.

c. -- In addition, the Management Board is authorized to cancel the own shares acquired in whole or in part without an additional resolution by the General Meeting with the consent of the Supervisory Board. The cancelation causes a capital reduction by the portion of the share capital that is attributable to the canceled shares.

All authorizations (Sections a.-c.) can be used once or on several occasions, in whole or in part, individually or jointly. The authorizations also include the use of treasury shares held by the Company, as well as shares in the Company acquired by subsidiaries or third parties for the account of the Company or a subsidiary pursuant to Section 66 Austrian Stock Corporation Act (AktG). In addition, the authorizations set forth in Sections b. and c. shall apply both to treasury shares already held by the Company on the day of this resolution and to treasury shares to be acquired in future.

d. -- The corresponding authorizations granted by the General Meeting held on 8 April 2024, agenda item 9, shall be revoked.

Vienna, this April 2025
