PROFIT GUIDANCE IN RELATION TO FULL YEAR FINANCIAL RESULTS ENDING 30 APRIL 2026

The Board of Directors of Renaissance United Limited (the “**Company**”) wishes to announce that, based on a preliminary review of the draft unaudited consolidated financial results for the full year ended 30 April 2026 (“**FY26**”), the Company and its subsidiaries (collectively, the “**Group**”) are expected to report a net loss for FY26. This is mainly attributable to the financial performance of the Group’s gas distribution business, which continues to experience reduced installation sales to new customers as new residential projects have slowed.

The information contained in this announcement is based on a preliminary assessment of the Group’s draft management accounts for FY26 and has not been reviewed or audited by the Company’s auditors. The actual financial results may differ from the preliminary assessment set out above and remain subject to finalisation and completion of the audit.

Further details of the Group’s financial results will be disclosed when the Group announces its unaudited FY26 financial results. The Group is in the process of finalising its FY26 financial results, which will be released on or before 29 June 2026.

In the meantime, the Board of Directors wishes to advise shareholders and investors to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers.
