Shareholders whose aggregate shareholdings equal to 5 % of the Company's share capital and who have held those shares for at least three months prior to the date of the motion may request in writing to add items to the agenda of the Annual Shareholders' Meeting and to make them public. The request for additional agenda items must be submitted to and received by the Company in writing at the address 4910 Ried im Innkreis, Fischerstraße 9, Investor Relations Department, Attn: Manuel Taverne, by 27 June 2017. Each additional item must include a proposal for resolution including an explanation of the reasons. To prove the ownership of deposited bearer shares it is sufficient to submit a deposit confirmation as defined in section 10a of the AktG [Austrian Stock Corporation Act]. The deposit confirmation must certify that the requesting shareholders

have held their shares continuously for at least three months at the time of the motion and must not be older than seven days at the time of submission to the Company. Several deposit confirmations in relation to shareholdings which in the aggregate equal to 5 % of the Company's share capital must refer to the same date. As to the further requirements for deposit confirmations reference is made to the information about the right to attend the Annual Shareholders' Meetings. Shareholders whose aggregate shareholdings equal to 1 % of the Company's share capital may submit written proposals for resolutions in text form relating to any item on the agenda including an explanation of the reasons and may request that such proposals be made available on the Company's website, including the names of the respective shareholders, the explanations for the proposal and statements of the Management Board or the Supervisory Board, if any. Such submission must be received by the Company in text form by mail to 4910 Ried im Innkreis, Fischerstraße 9, Investor Relations Department, Attn: Manuel Taverne or by e-mail to investor.relations@facc.com by 7 July 2017 and the submission in text form must be attached to the e-mail, e.g. as a pdf-file. A proposal for resolution which was announced in accordance with section 110(1) of the AktG [Austrian Stock Corporation Act] shall only be subject of a vote if the said proposal is repeated as a motion at the Annual Shareholders' Meeting. To prove the ownership of deposited bearer shares it is sufficient that the shareholder submits a deposit confirmation as defined in section 10a of the AktG [Austrian Stock Corporation Act]. The deposit confirmation must not be older than seven days at the time of submission to the Company. Several deposit confirmations in relation to shareholdings which in the aggregate equal to 1 % of the Company's share capital must refer to the same date. As to the further requirements for deposit confirmations reference is made to the information about the right to attend the Annual Shareholders' Meeting. During the Annual Shareholders' Meeting every shareholder is entitled to file motions in relation to any item on the agenda without previous announcement, provided that the shareholder shows proof of the right to attend the meeting, i.e. an invitation to the Annual Shareholders' Meeting. This does not apply to elections to the Supervisory Board. A motion by a shareholder regarding the election of a member of the Supervisory Board mandatorily requires the timely submission of a proposal for a resolution pursuant to section 110 of the AktG [Austrian Stock Corporation Act] including a declaration pursuant to section 87(2) of the AktG [Austrian Stock Corporation Act]. For elections to the Supervisory Board (agenda item number 5) the following needs to be taken into account: In case of a proposal for the election of a Supervisory Board member the declaration of the proposed person pursuant to section 87(2) of the AktG [Austrian Stock Corporation Act] replaces the explanation. These need to be received by the Company at the latest on 7 July 2017 and must be published by the Company on the website mentioned in the Austrian Companies Register (Firmenbuch) at the latest by 11 July 2017; in case of infringement of the deadlines the respective person may not be considered in the elections. When electing Supervisory Board members the Shareholder's Meeting shall consider the criteria of section 87(2a) of the AktG [Austrian Stock Corporation Act], in particular the professional and personal qualification of the proposed member, a balanced composition of expert know-how on the Supervisory Board, aspects of diversity and of internationality as well as the professional reliability.

At the Annual Shareholders' Meeting every shareholder shall, upon request, be informed about Company affairs to the extent that such information is required for proper assessment of an item on the agenda. The duty to provide information also includes the legal and business relationships of the Company to related parties. The obligation to provide information also includes information on the situation of the Group and the entities included in the consolidated financial statements. Such information may be denied if, according to the reasonable judgement of a business man, disclosure of the same may cause a material disadvantage to the Company or a related party or may be punishable. For reasons of procedural economy please submit any questions the answering of which requires an extended period of preparation timely before the Annual

Shareholders' Meeting via e-mail to investor.relations@facc.com or by mail to the Company in 4910 Ried im Innkreis, Fischerstraße 9, Investor Relations Department, Attn: Manuel Taverne.
