Zwtl.: Information to shareholders regarding data processing

1. Which personal data of shareholders is processed and for what purposes?

Lenzing Aktiengesellschaft processes personal data of shareholders (in particular those pursuant to Sec 10a sub-section 2 Stock Corporations Act, i.e. name, address, date of birth, number of the securities deposit, number of shares of the shareholder, type of share if applicable, number of the voting card and, if applicable, name and date of birth of the proxy holder) on the basis of the applicable data protection regulations, in particular the European General Data Protection Regulation ("GDPR") and the Austrian Data Protection Act ("DSG"), in order to enable shareholders to exercise their rights at the General Meeting.

In this connection the shareholders' personal data is processed for the following purposes:

- * Organization and holding of General Meetings, including verification of the right to attend/power of proxy and determination of the voting ratio
- * Participation of shareholders in the General Meeting and exercise of shareholder rights
- * Preparation of registration, power of proxy and attendance lists
- * Preparation of the minutes of the General Meeting
- * Fulfillment of compliance obligations, including recording, disclosure and reporting obligations.

The processing of the shareholders' personal data is mandatory for the participation of shareholders and their representatives in the General Meeting in accordance with the Stock Corporations Act. The legal basis for the processing therefore is Article 6 sub-section 1 lit c GDPR (compliance with a legal obligation). For the processing Lenzing Aktiengesellschaft is controller as defined in Art 4 pt. 7 GDPR.

2. To whom is the shareholders' personal data transferred?

Lenzing Aktiengesellschaft uses external service providers, such as notaries, lawyers, banks and IT service providers, for the purpose of organizing the General Meeting. These service providers receive only such personal data from Lenzing Aktiengesellschaft as is necessary for the performance of the commissioned service, and, where they are processors as defined in Art 4 pt. 8 GDPR, process the data solely on instructions of Lenzing Aktiengesellschaft. Where legally required, Lenzing Aktiengesellschaft has concluded a data protection agreement with these service providers.

If a shareholder participates in the General Meeting, all present shareholders or their representatives respectively, the members of the Management Board and Supervisory Board, the notary and any other person with a legal right to attend may view the list of participants stipulated by statute (section 117 Stock Corporations Act) and thereby also have access to the personal data contained therein (inter alia name, place of residence, shareholding relationship).

Lenzing Aktiengesellschaft also has the statutory obligation to submit the shareholders' personal data (in particular the list of participants) to the commercial register at the competent commercial register court (section 120 Stock Corporations Act) as part of the notarial protocol.

In addition, the shareholders' personal data may also be transferred to the competent authorities or bodies if necessary.

3. How long is the shareholders' personal data stored?

Shareholders' data will be anonymized or deleted as soon as it is no longer necessary for the purposes for which it was collected or processed, and no other legal obligations require further storage. Obligations to provide evidence and to retain records arise in particular from corporate, stock corporation and takeover law, from tax and duties law as well as from anti money laundering regulations. If legal claims are made by shareholders against Lenzing Aktiengesellschaft or vice versa by Lenzing Aktiengesellschaft against shareholders, the storage of personal data serves to clarify and enforce claims in individual cases. In connection with proceedings before civil courts, this can lead to storage of data for the duration of the statute of limitations plus the duration of the court proceedings up to its legally binding conclusion.

4. What rights do shareholders have with regard to their personal data?

Every shareholder has a right to access, rectification, restriction, objection and deletion at any time with regard to the processing of personal data as well as a right to data portability in accordance with Chapter III GDPR. Shareholders can assert these rights against Lenzing Aktiengesellschaft free of charge by contacting Thomas Tauzinsky at the E-mail address privacy@lenzing.com [privacy@lenzing.com] or by using the following contact details:

Lenzing Aktiengesellschaft
