1. Corporate COVID-19 Act (COVID-19-GesG) and Corporate COVID-19 Regulation (COVID-19-GesV)

In light of the COVID-19 pandemic, the Management Board decided after careful consideration to make use of the new legal regulation of a virtual General Meeting in order to protect shareholders and other participants.

The Annual General Meeting of Lenzing Aktiengesellschaft on 18 June 2020 will be held as a "virtual General Meeting" on the basis of Section 1 para 2 COVID-19-GesG, Federal Law Gazette I no. 16/2020 as amended by Federal Law Gazette I no. 24/2020 and COVID-19-GesV (Federal Law Gazette II no. 140/2020), taking into account the interests of both the Company and the participants.

The Management Board kindly asks for your understanding that shareholders will not be able to physically attend the Annual General Meeting on 18 June 2020.

The General Meeting is held at 4860 Lenzing, Werkstrasse 2, in the physical presence of the Chairman of the Supervisory Board, the Chairman of the Management Board and other members of the Management Board, the official notary public and the four independent proxies appointed by the Company.

The holding of the Annual General Meeting as a virtual General Meeting in accordance with COVID-19-GesV leads to modifications in the usual course of the General Meeting and in the exercise of shareholders' rights.

The exercise of voting rights, the right to submit motions and the right to object are exclusively carried out by granting power of attorney and instructions to one of the independent proxies proposed by the Company in accordance with Section 3 para 4 COVID-19-GesV.

No registration or login is required to follow the Annual General Meeting.

This is permissible under data protection law with regard to the legal basis provided under Section 3 para 4 COVID-19-GesV and Section 102 para 4 of the Austrian Stock Corporation Act (AktG).

All shareholders of the Company will be able to follow the Annual General Meeting on June 18, 2020 from about 10:00 a.m. using appropriate technical equipment over the Internet at www.lenzing.com as a virtual Annual General Meeting.

The broadcast of the Annual General Meeting on the Internet will enable all shareholders who require it to follow the course of the Annual General Meeting in real time via this one-way acoustic and optical connection, and to follow the presentation by the Management Board and the answers to shareholders' questions.

Please note that this live broadcast as a virtual Annual General Meeting does not enable remote participation (Section 102 para 3 no. 2 of the Austrian Stock Corporation Act - AktG) and remote voting (Section 102 para 3 no. 3 and Section 126 of the Austrian Stock Corporation Act - AktG) and that the internet broadcast is not a two-way connection.

Lenzing Aktiengesellschaft processes personal data of shareholders (in particular those pursuant to Section 10a para 2 Stock Corporations Act, i.e. name, address, date of birth, number of the securities deposit, number of shares of the shareholder, type of share if applicable, number of the voting card and, if applicable, name and date of birth of the independent proxy) on the basis of the applicable data protection regulations, in particular the European General Data Protection Regulation ("GDPR") and the Austrian Data Protection Act ("DSG"), in order to enable shareholders to exercise their rights at the General Meeting.

In this connection the shareholders' personal data is processed for the following purposes:

- * Organization and holding of General Meetings, including verification of the right to attend/power of proxy and determination of the voting ratio
- * Participation of shareholders in the General Meeting and exercise of shareholder rights
- * Preparation of registration, power of proxy and attendance lists
- * Preparation of the minutes of the General Meeting
- * Fulfillment of compliance obligations, including recording, disclosure and reporting obligations.

The processing of the shareholders' personal data is mandatory for the participation of shareholders and their representatives in the General Meeting in accordance with the Stock Corporations Act. The legal basis for the processing therefore is Art 6 sub-section 1 lit c GDPR (compliance with a legal obligation). For the processing Lenzing Aktiengesellschaft is controller as defined in Art 4 pt. 7 GDPR.

5.2 To whom is the shareholders' personal data transferred?

Lenzing Aktiengesellschaft uses external service providers, such as notaries, lawyers, banks and IT service providers, for the purpose of organizing the General Meeting. These service providers receive only such personal data from Lenzing Aktiengesellschaft as is necessary for the performance of the commissioned service, and, where they are processors as defined in Art 4 pt. 8 GDPR, process the data solely on instructions of Lenzing Aktiengesellschaft. Where legally required, Lenzing Aktiengesellschaft has concluded a data protection agreement with these service providers.

Lenzing Aktiengesellschaft also has the statutory obligation to submit the shareholders' personal data (in particular the list of participants) to the commercial register at the competent commercial register court (Section 120 Stock Corporations Act) as part of the notarial protocol.

In addition, the shareholders' personal data may also be transferred to the competent authorities or bodies if necessary.

5.3 How long is the shareholders' personal data stored?

Shareholders' data will be anonymized or deleted as soon as it is no longer necessary for the purposes for which it was collected or processed, and no other legal obligations require further storage. Obligations to provide evidence and to retain records arise in particular from corporate, stock corporation and takeover law, from tax and duties law as well as from anti money laundering regulations. If legal claims are made by shareholders against Lenzing Aktiengesellschaft or vice versa by Lenzing Aktiengesellschaft against shareholders, the storage of personal data serves to clarify and enforce claims in individual cases. In connection with proceedings before civil courts, this can lead to storage of data for the duration of the statute of limitations plus the duration of the court proceedings up to its legally binding conclusion.
