explanation: The shares to be transferred are an integral element of the annual bonus of Executive Board members for 2018. The level of the annual bonus for 2018 is determined by the target annual bonus as defined in the service contracts of Executive Board members and by the target achievement as determined by the Supervisory Board of OMV. One third of the annual bonus for 2018 is allocated in shares ("Equity Deferral 2018"). The number of allocated shares is determined by OMV's average share price during the calculation period November 1, 2018 to January 31, 2019. The concrete number of shares under the Equity Deferral 2018 for the Chief Executive Officer, as authorized by the Supervisory Board, amounts to 14,431 shares. According to the share plan, vesting date for the shares is March 31, 2019 and the transfer of the shares is to be executed on the next business day after the vesting date. The shares to be transferred constitute treasury shares of OMV Aktiengesellschaft.
