Convocation of the Annual General Meeting

of OMV Aktiengesellschaft on Tuesday, September 29, 2020 at 2:00 pm CEST (local time Vienna) at Congress Center Messe Wien, Reed Messe Wien GmbH, Messeplatz 1, 1020 Vienna, Austria (U2-station Messe-Prater).

Holding as a virtual General Meeting without physical presence of the shareholders

In light of the global COVID-19 pandemic, the Executive Board has decided, in order to protect our shareholders and other participants, to hold this year's Annual General Meeting without physical presence of the shareholders. In view of the current circumstances and after careful consideration by the Executive Board, holding the Annual General Meeting in virtual form is necessary for the welfare and in the best interests of both the Company and its shareholders.

The Annual General Meeting on September 29, 2020 will therefore be held as a "virtual General Meeting" within the meaning of the Corporate COVID-19 Act (Gesellschaftsrechtliches COVID-19-Gesetz, Federal Law Gazette I 16/2020; "COVID-19-GesG"), as amended, and the Regulation of the Federal Minister of Justice based thereon (Gesellschaftsrechtliche COVID-19-Verordnung, Federal Law Gazette II 140/2020; "Corporate COVID-19 Regulation" or "COVID-19-GesV"), as amended.

Holding the General Meeting as a virtual General Meeting in accordance with the COVID-19-GesV leads to modifications in the meeting's usual procedure and in the execution of shareholders' rights. In particular, this means that shareholders will not be able to participate physically in the meeting, but will have the opportunity to follow the General Meeting visually and acoustically in real time via the internet.

In accordance with Section 3 para 4 COVID-19-GesV, the only way to cast votes as well as to exercise the right to submit motions and the right to raise objections is to grant power of attorney and give instructions to one of the special proxy holders proposed by the Company.

The shareholders' information right can be exercised by each shareholder himself/herself during the virtual General Meeting. Questions are to be sent exclusively by electronic communication in text form to the following e-mail address: fragen.omv@hauptversammlung.at.

The entire General Meeting will be publicly transmitted in real time on the internet in accordance with Section 3 para 4 COVID-19-GesV in conjunction with Section 102 para 4 Austrian Stock Corporation Act (Aktiengesetz; "AktG"). This is permissible pursuant to data protection law with regard to the legal basis of Section 3 para 4 COVID-19-GesV and Section 102 para 4 AktG.

Our shareholders will be able to follow the General Meeting in real time on September 29, 2020 from approx. 2 p.m. onwards on the internet under a link provided at www.omv.com > About us > Corporate Governance > General Meeting > Annual General Meeting 2020, using appropriate technical means. No registration or login is required to follow the General Meeting on the internet.

The transmission of the General Meeting in real time gives our shareholders the opportunity to participate in the meeting from any location via a one-way acoustic and optical connection in real time, to follow the entire course of the General Meeting (including the report of the Executive Board, the general debate and the answering of shareholders' questions as well as the adoption of resolutions) and to react to developments in the General Meeting. However, the live-transmission of the General Meeting on the internet is not a two-way connection and does not allow remote participation within the meaning of Section 102 para 3 no 2 AktG or remote voting within the meaning of Section 102 para 3 no 3 AktG in conjunction with Section 126 AktG.

In addition, please note that the Company is only responsible for the use of technical means of communication to the extent that these are attributable to its sphere.

Furthermore, reference is made to the "Information on the organizational and technical requirements for participation in the virtual General Meeting in accordance with Section 3 para 3 in conjunction with Section 2 para 4 Corporate COVID-19 Regulation" which is made available by September 8, 2020, at the latest, at www.omv.com > About us > Corporate Governance > General Meeting > Annual General Meeting 2020. This year, we kindly ask our shareholders to pay special attention to this information and to the participation requirements and conditions described therein.

Attendance of shareholders at the General Meeting

The entitlement to attend the virtual General Meeting and to exercise voting rights and all other shareholders' rights at the General Meeting which may be exercised in accordance with the COVID-19-GesV is conditional upon the holding of shares on the record date, i.e. Saturday, September 19, 2020, 24:00 (midnight) CEST (local time Vienna).

Evidence of shareholdings on the record date must be furnished by way of a confirmation issued by the bank where the shareholder has deposited his/her

shares (deposit confirmation) if the bank is domiciled in a member state of the EEA or in a full member state of the OECD. Shareholders who have deposited their shares with a bank which does not meet these criteria are requested to contact the Company.

The deposit confirmation must be issued in German or English in accordance with the relevant statutory provisions (Section 10a AktG) and contain the following information:

1. Details of the issuing bank: Name (company) and address or a standard code used in communications between credit institutions;
2. Shareholder details: Name (company) and address, date of birth in case of natural persons, corporate register and register number in case of legal persons;

Deposit confirmations must be received by the Company not later than 24:00 (midnight) CEST (local time Vienna) on September 24, 2020 by one of the following means only:

- * by mail, courier or personal delivery: OMV Aktiengesellschaft, c/o HV-Veranstaltungsservice GmbH, 8242 St. Lorenzen/Wechsel, Köppel 60, Austria;
- * by e-mail: anmeldung.omv@hauptversammlung.at, whereby the deposit confirmation must be attached to the e-mail in text form, e.g. as PDF or TIF;
- * by fax: +43 1 8900 500 56;
- * by SWIFT: GIBAATWGGMS - Message Type MT598 or MT599; please ensure that ISIN AT0000743059 is indicated in the wording.

A deposit confirmation used to evidence the current shareholder status must not be older than seven days upon presentation to the Company.

Where possible, banks are requested to send deposit confirmations collectively (in list form).

Shareholders are not blocked by registering their participation in the General Meeting or by sending deposit confirmations. Therefore, shareholders may continue to freely dispose of their shares after registration or transmission of a deposit confirmation.

Representation of shareholders at the General Meeting by special proxy holders

Each shareholder who is entitled to participate in the virtual General Meeting has the right to appoint a representative who attends the virtual General Meeting in accordance with the COVID-19-GesV on behalf of the shareholder and exercises the rights of the shareholder represented. In principle, shareholders are not restricted in terms of the number of persons they appoint to represent them and their choice of representatives.

However, in accordance with Section 3 para 4 COVID-19-GesV, the right to submit motions for resolutions, to cast votes as well as to raise an objection at the virtual General Meeting can only be exercised by one of the following special proxy holders.

Any shareholder who is entitled to participate in the virtual General Meeting and has provided evidence of this fact to the Company in accordance with the specifications in this convocation to the General Meeting is entitled to appoint one of the following special proxy holders:

* Mr. Ewald Oberhammer, Attorney at Law

c/o Oberhammer Rechtsanwälte GmbH
1010 Vienna, Karlsplatz 3/1
oberhammer.omv@hauptversammlung.at

* Mr. Florian Beckermann

c/o Interessenverband für Anleger, IVA
1130 Vienna, Feldmühlgasse 22
beckermann.omv@hauptversammlung.at

* Mr. Christoph Moser, Attorney at Law

c/o Weber Rechtsanwälte GmbH & Co KG
1010 Vienna, Rathausplatz 4
moser.omv@hauptversammlung.at

* Mr. Christoph Nauer, Attorney at Law

c/o bpv Hügel Rechtsanwälte GmbH
1220 Vienna, ARES-Tower, Donau-City-Strasse 11
nauer.omv@hauptversammlung.at

Each shareholder can freely choose between the above-mentioned persons as special proxy holder and grant this person power of attorney. The Company bears the costs of these special proxy holders. All other costs, in particular the shareholder's own bank charges for the deposit confirmation or mailing expenses shall be borne by the shareholder.

We recommend that our shareholders always use the special forms for granting or revoking a power of attorney available at www.omv.com > About us > Corporate Governance > General Meeting > Annual General Meeting 2020 from September 8, 2020 at the latest, to grant power of attorney to a special proxy holder or to revoke such power of attorney. The special proxy holders can be reached directly at the contact details given above, whereby if specific instructions are to be given, the direct communication should be made in timely manner.

In order to verify their identity, we ask our shareholders to indicate in the respective field in the form for the granting of power of attorney the e-mail address which will also be used for submitting instructions to the special proxy holder (instructions, motions or objections) or for submitting questions and statements to the Company. In addition, the bearer data stated in the deposit confirmation should match the data on the power of attorney (otherwise, the power of attorney may not be deemed valid).

In the event another person (other than one of the special proxy holders mentioned above) is granted power of attorney, please note that it must be ensured by an effective chain of authorization (sub-power of attorney) that one of the special proxy holders is authorized to exercise the right to vote, the right to submit motions and the right to raise objections. It is not possible to authorize another person to exercise these rights in the virtual General Meeting.

A shareholder may grant power of attorney to the bank where he/she has deposited his/her shares subject to the agreement with that bank. In such case, in addition to the deposit confirmation, it is sufficient for the bank to provide the Company with a declaration by one of the permitted means (see above under transmission of deposit confirmations) that it has been granted a power of attorney; the power of attorney itself does not have to be sent to the Company in this case. If the bank was granted power of attorney by a shareholder, the bank must also use one of the special proxy holders proposed by the Company for the submission of motions for resolutions, the casting of votes and the raising of an objection at the General Meeting.

Submission of the power of attorney to the Company

Completed and signed forms for the granting and revocation of powers of attorney may only be submitted to the Company in text form, if possible until September 28, 2020, 4:00 p.m. CEST (Vienna local time), by one of the following means:

* by mail, courier service or in person: OMV Aktiengesellschaft, c/o HV-Veranstaltungsservice GmbH, 8242 St. Lorenzen/Wechsel, Köppel 60, Austria;

* per e-mail:

for Mr. Oberhammer: oberhammer.omv@hauptversammlung.at

[oberhammer.omv@hauptversammlung.at]

for Mr. Moser: moser.omv@hauptversammlung.at [moser.omv@hauptversammlung.at]

for Mr. Beckermann: beckermann.omv@hauptversammlung.at

[beckermann.omv@hauptversammlung.at]

for Mr. Nauer: nauer.omv@hauptversammlung.at [nauer.omv@hauptversammlung.at]

whereby the power of attorney must be attached to the e-mail in text form, for example as PDF or TIF;

please submit powers of attorney issued to persons other than the abovementioned special proxy holders, in the form described, to anmeldung.omv@hauptversammlung.at;

* per fax: +43 1 8900 500 56;

* per SWIFT: GIBAATWGGMS - Message Type MT598 or MT599; please indicate ISIN AT0000743059 in the text.

By this way of transmission, the special proxy holder chosen by you has direct access to the power of attorney.

A power of attorney may be revoked by the shareholder. The revocation becomes effective upon receipt by the Company.

A power of attorney may not be submitted in person at the meeting site.

Shareholders' rights pursuant to Sections 109, 110, 118 and 119 Stock Corporation Act

Shareholders whose individual or combined holdings represent a total of at least 5 % of the capital stock and who have held these shares for at least three months may require in writing the inclusion and announcement of additional General Meeting agenda items by September 8, 2020 (receipt). A draft resolution and justification thereof must be submitted for each additional agenda item.

Shareholders whose individual or combined holdings represent a total of at least 1 % of the capital stock may submit draft resolutions in text form for each agenda item, to be accompanied by a justification, by September 18, 2020, and request the draft resolutions together with the names of the relevant shareholders and the justification to be attached as well as a possible statement of the Executive Board or the Supervisory Board to be posted on the Company's website registered in the corporate register. For elections to the Supervisory Board (agenda item 9) the following must be noted: In case of a proposal for the election of a member of the Supervisory Board, the statement pursuant to Section 87 para 2 AktG of a nominated person replaces the justification. Such statements also have to be received by the Company by September 18, 2020 and have to be published together with the proposals for the election of Supervisory Board members by the Company on its website (as registered with the corporate register) by September 22, 2020, at the latest; otherwise, the nominated person cannot be included in the election. Regarding the election of members of the Supervisory Board, the General Meeting shall take into consideration the criteria of Section 87 para 2a AktG; in particular the professional and personal qualifications of the members of the Supervisory Board, a balanced composition of expertise of the Supervisory Board, aspects of diversity and internationality as well as the professional reliability.

Regarding proposals for the election of Supervisory Board members it is further declared that the Company is subject to Section 86 para 7 AktG. In accordance with Section 86 para 9 AktG, an objection against the joint fulfillment by the majority of the capital representatives was raised more than six weeks in advance of the General Meeting. Therefore, the minimum quota of 30 % has to be fulfilled by the capital and employee representatives in the Supervisory Board separately. At present, the Supervisory Board is composed of fifteen members (ten capital representatives and five employee representatives). Based on an unchanged number of Supervisory Board members, at least three seats of the capital representatives are each required to be filled with such number of men and woman in order to fulfil the minimum quota.

Each shareholder has the right to propose motions at the General Meeting for each agenda item through his or her authorized special proxy holder. Prerequisite thereof is evidence of the entitlement of the shareholder to participate in the General Meeting and the granting of a corresponding power of attorney to a special proxy holder. For a shareholder to propose the election of a member to the Supervisory Board, the timely submission of an election proposal in text form pursuant to Section 110 AktG, to be accompanied by a statement pursuant to Section 87 para 2 AktG (see above), is mandatory.

Each shareholder has the right to request information regarding Company matters at the General Meeting, provided that such information is necessary for the proper assessment of an agenda item. The duty to provide information also extends to legal and business relationships between the Company and Group

companies, and to the condition of the Group and its consolidated subsidiaries. Such information provided must comply with the principles of diligent and truthful accountability. Information may be denied if, according to reasonable commercial judgment, it could cause significant harm to the Company or a Group company, or if the provision of information would violate criminal laws or insofar as it was continuously accessible in the form of question and answer on the Company's website registered in the corporate register for at least seven days prior to the beginning of the General Meeting.

The right to information during the virtual General Meeting under Section 118 AktG can be exercised by the shareholders themselves.

Further information regarding the rights of the shareholders, in particular on how to submit motions for resolutions to the Company and how to provide evidence of the required shareholdings can be found in the document "Shareholders' rights 2020" which is available on the Company's website recorded with the corporate register at www.omv.com > About us > Corporate Governance > General Meeting > Annual General Meeting 2020.

In addition, please find further information in connection with the holding of this year's Annual General Meeting as a virtual General Meeting, in particular on exercising voting rights, the right to submit motions and to raise objections as well as on the submission of questions in the document "Information on the organizational and technical requirements for participation in the virtual General Meeting in accordance with Section 3 para 3 in conjunction with Section 2 para 4 Corporate COVID-19 Regulation", which will be available by September 8, 2020, at the latest, on the Company's website recorded with the corporate register at www.omv.com > About us > Corporate Governance > General Meeting > Annual General Meeting 2020.

Total number of shares and voting rights

At the time of convocation of the General Meeting, the Company's share capital is divided into 327,272,727 no par shares. Each share confers one vote. Shares owned by the Company do not confer any voting rights. Therefore, currently 326,974,881 voting rights can be exercised.

A dividend pursuant to the resolution by the General Meeting becomes due 30 days after the General Meeting's resolution pursuant to Section 27 para 6 of the Articles of Association of OMV Aktiengesellschaft, unless resolved otherwise. A relevant dividend announcement will be made on October 1, 2020. Shareholders may exercise their dividend rights through their deposit bank. The bank will credit the dividend to the relevant account via the paying agencies.

We ask our shareholders for understanding and point out that in order to protect the participants of our General Meeting, neither shareholders nor guests can physically participate in the General Meeting.

This is a necessary requirement to ensure both the required reduction in the number of participants in the General Meeting as well as a regulated and smooth procedure.
